Here we are together once again  
One and all a happy bunch of Kin,

They're your friends, the finest in the land,  
Now all set, let's shout to beat the band,  
KINSMEN, KINETTES AND KIN!

## **KINSMEN SONG**

Here we are together once again  
One and all a happy bunch of men,  
Leave your cares and troubles for awhile,  
Let your face break forth in smile.

# NEWS FROM THE EXECUTIVE

## Hello District III

Another Kin Year has started. We have all found ways to give back to our communities and learn new ways to connect with each other. With these new ways, and the old ways, I believe we will not only bounce back but we will be stronger than ever before!

My name is Michelle Miller, and I am a member of The Kinette Club of Lloydminster. This is my eighth year as a member of what I think is the greatest service organization. These years have allowed me to meet so many passionate District 3 members and witness the great things we do as Kin; the fellowship, the service projects, and the members are the reason I love Kin as much as I do.

My passion for this organization started by serving my club and community and then strengthened by stepping outside my comfort zone, serving on TeleMiracle Committees, the TeleMiracle Foundation Board, and the District Executive. A few positions I have held in my club are Vice President, President, Membership, and Awards Director. Outside of my club, I was on the TeleMiracle 39 Committee as Co-chair for Corporate and the TeleMiracle 45 Committee as Manpower Chair. I have been on the District Executive for five years prior to this one and had the privilege of working with many amazing Governors; Craig McGillivray, Rob Bateman, Jordan Kammer, Steve Kirwan, and Corinne Mathews. The education I have received from my time on the District Executive is what I feel is key to having the knowledge to lead this great district.

As we begin a new Kin year, let's take the time to reconnect with fellow Kin and focus on what kind of impact our clubs want to make in our communities.

For the 2021/2022 Kin year, the District executive will be focusing on three key values: Educate ~ Engage ~ Empower

1. Educate– to develop a member by giving them information and instruction to further develop their Kin career and club
2. Engage– to establish a meaningful connection within our clubs, members, and communities
3. Empower– to strengthen members with confidence in order to help them see their own abilities and potential in order to become leaders

I am so excited about this Kin year as your Governor, and I am looking forward to helping at your events and to meeting the many wonderful Kinsmen and Kinettes in District III..

Feel free to contact me anytime with questions, requests, and any events you have.

YIK,  
Michelle Miller  
Governor  
District III

# NEWS FROM THE EXECUTIVE

Hello Family of Kin and welcome to the 2021/22 Kin year. I am excited to start my year as Vice Governor and for all of the training that will lead me into the 2022/23 Kin year along with my team.

A little bit about me, I joined Kin in 2012 with the Melfort Kinette Club. I had joined because I was relatively new to Melfort and wanted to expand my social circle and was happy to make some lifelong friends while serving with the Melfort Kinettes. In 2017, my job moved me to Prince Albert and I have been a member of the Prince Albert Kinette Club ever since. In 2018, I joined the district executive as the Treasurer for Jordan Kammer's year as Governor and continued as Treasurer for Steve Kirwan's year as well. I was thankful for Corinne Matthews who asked me to take on the role of Risk Manager last year. It has been a rewarding 3 years on the district executive and I really do encourage anyone who is thinking of expanding their circle and/or personal development to take a chance and join a team. I have made many friends throughout this great province including Jordan, Steve and Corinne, who have all been excellent mentors to me.

My goal is to further mentor the Kin members throughout the province and to encourage others to step outside of their bubble and try something new. I am looking for some team members and would like to encourage anyone who has ever thought about joining a team to reach out to me and chat about their future goals in the organization. I can be reached at [tallan@kincanada.ca](mailto:tallan@kincanada.ca) so please contact me at any time.

YIK,

# NEWS FROM THE EXECUTIVE

Hello District 3!

It's hard to believe that summer has come and gone already. I hope you all enjoyed yourselves with friends and loved ones

Let me take a minute to introduce myself. I am Brett Strong and I have been given the privilege to be your education chair for this upcoming year. I have been a member of the Regina Queen City Kinsmen club since 2016. I have served on our clubs executive as a secretary, vice president, president, past president, service director and co-treasurer. I have also had the privilege of being a DG for Zone H and Zone I where I got to meet many great members throughout our great district.

Plans are starting to come together for the upcoming kin year. We will have a Kin Kollege again this year. It will be held on Friday November 26th in the Saskatoon/Warmen area; this is the same weekend as FLC. We are hoping for a great turn out with lots of different topics to be discussed. We will be sending out more information in mid to late September, including registration information.

We are planning a Kin Masters early in 2022. The date and location are TBD. We will inform everyone of plans once things are all finalized.

Along with Kin Kollege and Kin Masters we are planning to do Club Leadership seminars in all zones. We will be working with DG's to help organize dates for these as we are working hard to keep costs to a minimum.

Throughout the year, if you have anything that you would like education on, please let me know. I may not have the answer, but the association has many resources that can help guide us in the correct direction.

I wish everyone a great start to the 2021/2022 kin year and look forward to seeing you all very soon.

YIK,  
Brett Strong  
Education Chair

Happy New Kin Year D3!

I'm Brit Lamb your new Club Support Director. I am a Tisdale Hunny Bee and love everything Kin. I personally believe Kin shouldn't be cookie cutter and every club should embrace their own personal style. I want to help bring joy and kinship to everyone possible. These next 2 years I am hoping to share my passion for Kin with you!

Please feel free to contact me via email, text or phone. Let me know if you or your club are needing anything, whether it is help or just a sounding board. I am happy to take on any role you may need.

Hey D3! Welcome Back!!

My name is Chantelle McAlpine and I am the 2021/22 Communications Director. I have been with Kin since 2015, formally joining the Lloydminster Kinettes Sept. 2018. I am a mother of 2 crazy boys that I am sure you will all meet on virtual meetings, and am looking forward to working with ALL of you this year!

While I am trying my best to get communications out across the province through our social media pages and Website, along with internal communications between our executive, TM board, Foundation and clubs, I can use your help! If you have any news, events, service projects, or updates that you would like shared please send them to me via email or post them on the internal D3 Facebook page!

If you have any questions, comments, or requests do not hesitate to reach out!

Hello, my name is Brett Beal.

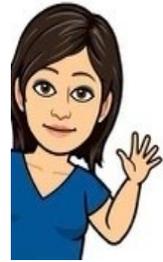

I'm proud to be this year's District 3 Awards Director. Tessa did such a great job last year and I know I have some big shoes to fill. I feel my job as awards director is to motivate, recognize and award the amazing members and clubs of District 3. I will be working with the Education Director and each clubs Award Chairs to make all members aware of the National and District Awards this year. All of these awards are achievable, and I look forward to seeing what we are made of in District 3!

My goal this year is to increase nominations and implement a couple of new awards that maybe a permanent fixture in our district for years to come. I look forward to sharing all the details in the release of the upcoming District 3 Awards Package.

Let's Have a Great Year!

YIK,

Brett Beal  
District III Awards Director

Welcome back D3!

I hope you all had an enjoyable summer even though it seemed to fly by!

I look forward to another year on the district council as your treasurer! I want to remind you to make sure you have your clubs' rosters updated by Sept. 30th at 9:00p, as those are the numbers that will be used for invoicing district dues! Dues will be sent out in the beginning of October and will be due by November 15th. And remember—we now accept E-transfers!

YIK,

Melissa Kirwan  
District III Treasurer

*How can I support you?*

Hello fellow Kin,  
I would like to take a moment to introduce myself. My name is Amanda Whyte and I am President of the Kin Club of Unity. I am entering my 10th year of Kin and I am super excited to be part of this year's District Executive. I have two kids, a cat, and too much art work on my fridge.

There are some exciting changes coming to Service this year! We are working on a nationwide service hours and dollars collection form. This form will allow clubs to enter their service hours as many times as they wish throughout the Kin year. The goal is to make it easier for clubs to submit their information.

September is Hal Rogers Endowment Fund (HREF) month. I encourage all clubs to include HREF in their budgets and fundraising projects. This past year HREF was able to hand out 123 bursaries of \$1000 each to deserving applicants across the country.

It is also Canadian Blood Services (CBS) awareness month. Check out the new [www.blood.ca](http://www.blood.ca) website, sign in and use our District 3 team code **KINC110247**. CBS is always looking for new donors and same day appointments are often available in Saskatoon!

Keep an eye on our District 3 Facebook page for more information on HREF and CBS! And as always, if you have any questions, feel free to contact me.

Amanda Whyte

# NEWS FROM THE EXECUTIVE

Hello Fellow Kin,  
My name is Jessica, I am the president of the Estevan Kinette Club as well as your District Risk Manager for this year. Should you have any questions regarding Insurance Papers and Incorporation documents, please feel free to reach out to me. The deadline for these important forms to be completed is Nov 15th. In addition to these important forms our National Insurance company needs Vulnerable sector checks done on any new members, the President and Treasurer of the club. You need a consent form to take with you to your local police station or RCMP, follow these steps to get that form:

- go to the IKIN website ([www.ikin.ca](http://www.ikin.ca))
- Click on the Risk Manager icon
- Go to the "Police Check Letter" and print off the form

This page on IKIN also contains the consent form that needs to be filled out and then you upload on SYNC (instructions also found on this page).

Any issues, please contact myself or Melanie Nieson, her information is at the bottom of that Risk Manager page on the IKIN website. The Vulnerable Sector Check is good for 3yrs and it must be submitted within 90 days after it was Issued. I will be keeping in touch with the clubs in the District should there be anything that comes from National or District that you are having difficulty with. Feel free to reach out if you have any questions or require help.

# NEWS FROM THE EXECUTIVE

Good Day Family of Kin,

Planning for TeleMiracle46 has begun and the committee and I are very excited to start down the path of planning, what we hope is a Covid free, more normal, TeleMiracle. We are planning for the best but are also very cautious of where we will be in March 2022. For those of you that haven't heard the news, we have switched venues this year to Evraz Place, this move came with much discussion and input from Foundation, TM Chair, and Production, to allow us to still offer an excellent product, while switching things up for ease of setup and production.

Don't forget that we have launched a TM46 Souvenirs Online Pre-order Store this year, this is in response to a few changes we are trying to make to ease the strain on the office, save Foundation money, and sell our merchandise to a broader range of people. Melissa and I really hope you like what we have to offer this year.

Really looking forward to seeing my Kin family again at FLC, stay safe, stay healthy.

YIK,  
Steve Kirwan  
TM46 Chair

# NEWS FROM THE EXECUTIVE

Welcome everyone to a new Kin Year, and congratulations to everyone that has taken on new roles – either in your club, on District Exec, TM Committee, or the Foundation Board. I am so excited for this upcoming year – partly because of my new role, but even more so because I have missed the fellowship so much!

Summer is a slightly quieter time for the Foundation Board, that being said we reviewed 43 emergency applications over the summer. Our first board meeting is coming up quickly on September 11, and we are planning to meet in person. The remainder of our meeting schedule will include a combination of in person and Zoom meetings. All meetings will have the option to join by Zoom, for anyone that isn't feeling well, or otherwise isn't able to attend in person.

My goals as Chair for the year include continuing to work on the key development areas identified in our Strategic Plan, as well as to bring back the personal connection and social aspect of being a member of the Foundation Board.

This year we ran two training sessions for our new board reps. The first session was a Virtual training session that was held at the end of June, followed by an in-person session held at the Board office. It was so wonderful seeing the ladies in the office, returning board reps, and of course meeting the new reps FACE TO FACE! We had fantastic discussion during training, and had a great time getting to know each other better over supper after training. We are truly going to have a fantastic year, it would be impossible not to with such a great group of individuals. I look forward to working with everyone on the Foundation Board, District Exec, TM Committee, and of course seeing you all at FLC and District Convention! Cheers to a new Kin Year!

Kinsmen Foundation Chair
