

**Saskatchewan Crime Stoppers**

Saskatchewan Crime Stoppers is a non-profit organization operating since 1987 with the goal of safe crime free communities in our province. Anonymous tips received from concerned citizens are sent to law enforcement agencies to investigate and solve crimes and Saskatchewan Crime Stoppers protects the safety of those reporting the tip information by ensuring all contact remains anonymous; and anyone providing information that results in an arrest or charge may be eligible for cash rewards of up to **\$2000**.

The success of the program is a testament to the trust and support received from the public, the media, and our partners and these efforts are making a difference in Saskatchewan being a safe place to live, work, and raise a family. As we continue our mission to combat crime, we want to share some messaging with our partners to highlight program activities and statistics from the past year.

**Program Activities**

Saskatchewan Crime Stoppers continued to be busy in 2023 promoting the program through community outreach initiatives and the work of our coordinators managing the day-to-day operations of the program.
