

DISTRICT 3
EDUCATE - ENGAGE - EMPOWER

FALL LEADERSHIP CONFERENCE

November 27th 2021
Warman, SK

Hello District 3 Kin!

Here we are, together once again, after our clubs and members have been functioning in a Covid world for 20 months; I would like to believe that we are stronger because of it. We have made many new discoveries over this time that have helped us grow and evolve; our clubs can function utilizing a hybrid of in person and virtual resources, we have found new ways to help our communities through fundraisers and service projects, and gotten pretty creative in the ways we connect with each other. It brings me great joy to know that I am a part of this amazing group of people out there in our communities making a difference and “Serving Our Communities’ Greatest Needs”.

You are not alone! Whether you are needing a Kin “brother” or “sister” to lean on when you are down, an olive branch to get you through a slump, or a helping hand to lift the “heavy load”, we are here for each other. In our times of need, we have learned to look to our fellow Kin to offer support; many of us are not ok right now. We are exhausted and overwhelmed. Some days we are not sure how or where to start. Your fellow Kin are here to help you and to offer support. Reach out! There is nothing more valuable in Kin than the relationships and friendships built. Be Kind; you never know what someone else is going through. I often find that our sparks are rejuvenated after a club visit, phone call, event, service project, TeleMiracle, or meeting.

There is an incredible amount of knowledge in our District. Look around you, who do you see? Are they a Past Governor? A Life Member? A Past President? Past District Executive? TeleMiracle Board Member? Foundation Board Member? How much can you learn from the experiences of others RIGHT HERE? Educate, Engage, Empower; the three pillars of my platform this year represent just this. We can learn a lot from each other , but we can also share our experiences, everyone is unique and brings something different to the organization. By Engaging in the conversation, we create the “Family of Kin” that we love so much. And this

Empowers us to evolve with new ideas, to help our clubs and communities, and to grow as individuals; to expand our personal strengths as well as see the best in others.

The District 3 Executive has worked hard to put together an agenda that is informative, educational, and interactive. We hope that when you leave today, after the conference is over, you will feel refreshed and ready to take on a new challenge, reach a new audience, and keep building on your Kin friendships.

In the words of our 2021/2022 National President Jenn Burry, “Here We Go!”

YIK,

Michelle Miller

36. Closing remarks from Governor
37. Adjournment

Vice Governor Report

Hello D3!!

My name is Tammy Allan and I am your Vice Governor for the 2021-22 Kin year. I have been a member of Kin since 2012 and absolutely love Serving The Community's Greatest Needs year after year. I have been part of the district board since the 2018/19 Kin year when I served as District Treasurer for 2 years and then served as Risk Manger last year under Past Governor Corinne Mathews. My time on the district board has allowed me to make some wonderful connections throughout this great district of ours and has also allowed me to sharpen my skills and give me the confidence to be your next District 3 Governor. I am looking forward to leading District 3 through Education, Service to our Communities and to Inspire our members to achieve their full potential. I do have most of my team put together, but I am still looking for a couple of key positions. I am currently looking for a Communications Director and a District Treasurer. If you have ever thought about joining a district team and have either of these skill sets, please reach out to me and I'd love to discuss these opportunities. I am looking forward to seeing you all at FLC.

YIK, Tammy Allan, Vice Governor

tallan@kincanada.ca

Awards Director Report

Hello District 3,

I know that 2021 has been a challenging year for members and clubs. During these challenging times I would like to encourage all members to take a step back and reflect on those members that have stood out and not skipped a beat. These members deserve a reward.

This year we have made it easier to nominate members for certain awards. This simplified process is done through an online application form found at <http://www.district3kin.com/awards.htm>

In addition to the new nomination process, we have rolled out two new District awards— Heart of Kin and Kin CommUnity awards. Please re-view these new awards and all awards in the 2021-2022 awards package found on the above website.

Yours In Kin,

Brett Beal, District 3 Awards Director

bbeal@kincanada.ca

Club Support Report

I'm Brit Lamb, your District 3 Club Support Director. I have been a member of the Kinette Club of Tisdale for 6 year and have been in kin since 2012. I have held the position of president, treasurer and secretary at the club level. I was also a Foundation representative for 2 years and the Zone B Deputy Governor for 2 terms. It's safe to say that Kin has been a big part of my life. As District Club Support Director it is my role to support the clubs in creating a healthy environment, strengthening club cohesion as well as help with setting goals for clubs to recruit and retain members. I am here to provide education to all clubs whether you are struggling, wanting to form a new club or just want to learn more about the association. I was very happy to be able to run a club seminar in Wynyard for the Kinettes where most who attended were new to Kin. National communication, Club Health Assessments, or marketing are all things that I can assist you in. If there is anything I can help you or your club with please feel free to contact me. I am always here to help and support you throughout your Kin year for anything you might need.

YIK,

Brit Lamb , Club Support Director District 3

blamb@kincanada.ca (306) 921-3015

Communication Director Report

Hey D3!

Congratulations on making it to/almost through November! It definitely has not been easy for anyone; whether that be as individuals, families, communities, clubs, or our very own District. One of the biggest struggles, when times are rough, is to keep up with constant and open communication. This is my goal for this Kin year and I hope I am on my way to achieving it.

There are many different ways you can be kept "in the loop":

- 1) Make sure that you are signed up for the District Exec. Emails : If you are not already receiving these please go to <https://mailchi.mp/6446e3c22ea1/district3kin> and sign up!
- 2) Join the District 3 Kinsmen & Kinettes private Facebook page! There are questions required to be completed when you ask to join, make sure to fill them in so we know where you are coming from. Post your clubs events, great news, personal achievements, etc here!
- 3) Like/ Follow the District 3 Kinsmen and Kinettes public Facebook page! If you want your club's Events/ Service Activities/ News etc, shared on this page please send it to me! cmcalpine@kincanada.ca
- 4) Join The Link, private National Kin Facebook page. See what other districts are doing and how they are doing it! Take part in National Initiatives and Fellowship Events and much more!

5) Other Social Media Platforms are being used as well and this will continue to grow. We also have an Instagram account and Twitter account! I am slowly learning about these please be patient.

6) Check out the District 3 Website! www.District3Kin.com Make sure to go through this page; it is constantly changing. The Member Centre is where you can find information on Awards/ Education/ Conference Documents/ the list goes on and on!

7) And of course you can always contact your DG or a District Executive Representative! J

Does your Club have something in the works? A project or event coming up? Make sure to let me know! The D3 Kin News Letter will be coming out via Mail Chimp once again December 1st! Send me your poster and I can include it for the District to see!

Until next time,

YIK, Chantelle McAlpine

Treasurer Report

Hello District 3!

Its hard to believe that winter is already here and that the holidays are right around the corner!

The past few months have been busy and exciting for me as treasurer. Invoices for district dues were sent out at the beginning of October and the deadline for payment was November 15th. The option of E-transfer for payment of district dues has been well received and many clubs have used it as their payment method! We have not yet collected 100% of the district dues but are working hard to do so. If your club has not yet paid their dues please reach out to your DG or to myself ASAP to avoid having your club put into not in good standing.

The 2020-2021 audit was completed and sent out to the district for review and for voting to pass at FLC. As well as the research on how to invest the excess funds in District 3 was completed and a motion was also sent out to the district to be voted on at FLC. As I am writing this report prior to FLC I don't yet know the results of these motions but I look forward to carrying out the district's wishes with the investments.

I hope you and your families all have the happiest of holidays and I wish you all the very best in the New Year!

YIK,

Melissa Kirwan, District III Treasurer
District.3.kin.treasurer@gmail.com

Risk Manager Report

Hey D3!! Here is where we are as a district with our November 15th requirements .

Out of 74 clubs we have the following outstanding requirements (as of November 19th):

- Annual Insurance Reporting – 12 clubs outstanding
- National Dues – 20 clubs outstanding plus 10 clubs that have applied for dues relief
- District Dues – 23 clubs outstanding
- 2020 Incorporations – 4 clubs outstanding
- CRC Presidents – 8 clubs outstanding (CRC, consent, or both)
- CRC Treasurers – 6 clubs outstanding (CRC, consent, or both)
- Member Declarations – 211 members outstanding
- BVAP - 30 members outstanding

It is imperative that we complete these requirements as soon as possible to ensure our insurance requirements are met. If you require assistance with completing these, please reach out to me at

jessica.beal@kincanada.ca or 306-591-0059, alternatively you can reach out to your zone DG.

As a friendly reminder, please ensure we are applying for insurance with **EVERY** project we do (even the events that do not require volunteering/manpower). The insurance request is an easy process. In the event you do not have insurance for an event this puts your club and individual club members at risk of being liable for any possible damages.

Yours In Kin,

Jessica Beal

Secretary Report

Hey D3!

So excited to be able to get together in person again! I hope everyone enjoyed getting to know your district executive with the Facebook posts— I know I learned a little more about everyone. Please get in touch with me if you have any concerns or questions and I promise to have meeting minutes uploaded asap!

YIK,

Wendy Sydoruk, wsydoruk@kincanada.ca

Education Director Report

Hey D3,

I hope all is well and you're all having a great start to your kin year. Even with the later than normal FLC it is hard to believe that we are already here.

For those of you that don't know me I am Brett Strong and have been a member of the Regina Queen City Kinsmen for 7 years now. This year I have the privilege of being the District 3 Education Director.

I have had a slower start than I would like to the kin year due to some other commitments in life. Now that they are completed, I am happy to turn all my attention to Kin again. This year we have had Club leadership seminars in two zones. Zone A held one in Lloydminster, and Zone I had one in Wynyard. A huge shout out to Byron Stepp and Britt Lamb for facilitating these seminars. We plan on doing one of these seminars in every zone this year. If you are interested in hosting one, please let your DG or myself know and we will happily make it happen.

We had planned to host a Kin Kollege this weekend in Warman, unfortunately we did have to postpone it until a later date. Once we have another date set, we will pass that information on to the membership well in advance. We have also started to plan a Kin Masters and will have more information to share on that soon.

Today we have a full agenda with three different break out sessions along with a guest speaker. Please enjoy all the information that will be presented. There will be time at the end of each session to ask questions so please feel free to do so. If you are ever looking for more information on anything kin related, please let me know. I may not have the information available right away, but we have many resources that we can utilize to make sure we get it for you.

I hope everyone enjoys their time in Warman, I know the Saskatoon and District Kinettes have put a lot of time and effort into this weekend.

YIK

Brett Strong

District 3 Education Director

How can I support you?

Service Director Report

Hello fellow Kin,

Keep up the great work!

Our work in service is never done. And now, more than ever, our continued dedication to Serving the Community's Greatest Need is so important. Let's continue to make an impact close to home and all across this great nation. While service has looked a bit different over the past couple of years, we are finding ways to adapt, innovate and preserve. Take a moment to reflect on the

impact you have had in your communities and be proud of your accomplishments.

Cystic Fibrosis (CF)

It has been an exciting and busy year for Cystic Fibrosis. From Kin reaching the amazing milestone of \$50 million dollars raised by Kin for CF, to getting Triakata approved for CF patients in Saskatchewan and across Canada. Don't know what Triakata is? Follow Kin sister Lorna McEwan on Facebook. Her transformation is truly inspiring and shows how important our support for our National Partners truly is. Unfortunately, Triakata doesn't work for everyone with CF, so the fight continues. Please consider making a donation to Cystic Fibrosis this Kin year. Just like we say for TeleMiracle- every little bit helps. If you are fundraising for CF this year and advertising on Facebook, make sure to tag CF at #cysticfibrosiscanada and share on the D3 Facebook page.

Working together, the Kinsmen Club of Saskatoon and the Saskatoon & District Kinettes sponsored the Saskatoon Quest4CF in its second year. In doing so, Saskatoon raised the most money across Canada and came in second for most participants. In Regina, Quest4CF was co-hosted by the Regina Queen City Kinettes and had the most participants of all the Quest4CF locations in Canada! Fantastic job everyone!

Did you know that the money we donate to Cystic Fibrosis Canada helps patients, clinics and funds research right here in Saskatchewan?

Canadian Blood Services (CBS)

Last year D3 set a record at 134 units, so we are aiming higher this year-154 units! If you haven't joined our District 3 Partners for Life team go to:

- www.blood.ca or the free Give Blood app
- Select Partners
- Select join a team or search for Kin Canada and select District 3

Did you know friends and family can join our D3 team and support Canada's Lifeline? Just share our ID code KINC110247.

Canadian Blood Services

Hal Rogers Endowment Fund (HREF) & Kin Canada Bursaries

Thanks to your ongoing support, last year 69 students across Canada were granted \$1000 bursaries. Canadian students need us more than ever and the bursaries program is a great way to engage already volunteer-minded youth in your community.

The bursary application is now available for students at kincanada.ca/apply. Applications are due to clubs by February 1, 2022. Clubs must submit their endorsed application(s) to Kin Canada by March 1, 2022. To find more details on your club's role, visit HREF Trustee Applications. The Hal Rogers Endowment Fund (HREF) Board of Trustees are currently accepting applications for new trustees! As a trustee you get to be part of the scoring and selection of recipients as well as promoting and helping the program to grow. If you have any questions or to submit your application, contact Lindsay at lirvine@kincanada.ca by December 1, 2021.

10th Anniversary of National Day of KINDness

In February 2022, we will come together across the country to celebrate 10 years of our National Day of KINDness! The 10th Annual National Day of KINDness will be Saturday, February 19, 2022. Be sure to SAVE THE DATE and start planning how you and your club will spread kindness and awareness about Kin in your community! Self-print materials, virtual “cards” and graphics will be available as we get closer to the Kin-wide event. FREE printed KINDness cards are available to order from Kin Canada NOW while supplies last.

How to participate:

1. Clubs post their challenge on Facebook or follow the national Facebook page at @KinCanada for Canada-wide challenges
2. Do something kind on Feb 19, 2020.
3. Post the story or pictures of your kind act(s) on Facebook and mention @KinCanada for a chance to win

So, on Feb 19, 2022 how will your club celebrate our 10th National Day of KINDness? Send encouraging notes? Shovel driveways and sidewalks? Make a donation to a local charity or National Service Partner? Give blood? For more

kindness ideas, go to KinCanada.ca Kin Blog post “14 Easy Ways to Spread Kindness” or the Projects Database and search National Day of Kindness.

"Kindness is spreading sunshine into someone's life, regardless of the weather."

Service Reporting

An online form will be made available online in late May. For the past 4 years District 3 has had 100% service reporting, so let's make it 5! If you are looking for a way to track your service dollars and hours now, to go:

Goals

One of my goals this year is to ask each club to select ONE of our National Service Partners to make a donation to that your club does not regularly support. And if you are already donating to all of them, give yourself a high five and then share your successful fundraising idea(s) on Kin Canada's Projects Database page.

Projects Database

Another one of my goals this year is to keep new ideas flowing into Kin Canada's Projects Database. If your club runs a successful event and you would like to share it with other Kin, please go to KinCanada.ca and submit your project in the tab "Projects Database" or contact your DSD.

Reach out for help if you need it

Does your club struggle to run successful fundraisers or are you stuck in a rut always doing the same thing? Don't know why it's important to support our National Service Partners? Your District Service Director and National Project Coordinator, Lindsay Irvine and I are here to help you answer those questions or get you in touch with liaisons in your area. We are also more than happy to bounce around ideas and help you run projects that positively impact your community.

Yours In Kin,

Amanda Whyte

Service Director 2021/2022

TM 46 Chairperson Report

Good day Family of kin,

Telemiracle planning is well under way, we have completed the auditions in Saskatoon and Regina with a total of 108 submissions through in person and video submissions. Saskatchewan talent has not let Covid slow them down, we have so much amazing talent in our province to showcase on the show.

Souvenirs,

As you all know, we went to an online souvenirs platform this year, it didn't come without some issues and hurdles, but this change was to help the office with manpower time and to help us only purchase what would be used, thus saving the Foundation money in the end without having overstock of goods stuck in the back that can not be sold after the fact. We all know, every dollar saved is a dollar we can use to help families and individuals in the province.

Telemiracle show,

The show will be held at Evraz Place on March 5-6/2021, we are continually working with the venue and Sask. Health to ensure we move forward in the safest most responsible ways. We are hoping to be able to welcome Kin back to the show in numbers that would be more representative of past years, but until closer we will not know what that is going to look like. The venue has stated that the show and all of the volunteers, cast and staff will require "proof of Vaccinations" to enter and to take part of TM46. We may be looking at editing the volunteer shift schedule to allow for more people to work the show, in shorter shifts with less people, if that is what is required to get Kin back to the show.

ROOTED IN SK.

The Tag. Line this year is "Rooted in Saskatchewan", We started this show 46 years ago planting something that has grown to help those throughout our province, we as Kin have deep roots in this amazing show, so lets show our passion and take part in the Rooted in Saskatchewan video submissions. Details to be released at FLC and to our social media and emails to clubs.

Have a great day

Yours in Kin

Steve Kirwan

TM 46 Chairperson

Foundation Chair Report

So far this year (as of Nov 17) the board has reviewed 225 applications and spent \$984,000.

- We are doing a mix of in person and virtual meetings. November 20th is a virtual meeting, but we will be meeting in person again December 18th for our board meeting and Christmas party. The remainder of the year will consist of virtual meetings for Jan, Feb, May and in person meetings for Dec, Apr, and June.
 - Covid Protocols – We have implemented proof of vax or negative test for our board meetings. Virtual attendance is an option for all of our meetings now. Masking is required throughout the office, which is consistent with what office staff are doing.
 - We had our AGM prior to our October 16th board meeting. The highlights are as follows:
 - Reviewed financial statements & budgets. We budgeted for the addition of some employees to the office – a Grants Admin Assistant (which is already posted) to help Geneen and Lori with the growing number of apps; an Associate Manager of Finance – we need to train someone so Wendi so she can retire; a Fund Development Manager who would be responsible for securing major gifts, donor recognition, among other things. These potential new hires are all part of fulfilling the key result areas identified in our Strategic Plan. We are continuing to work with Shad from On Purpose Leadership, who is assisting in creating the job descriptions and postings for these positions. As a side note – we received a grant to cover most of the recent work we have been doing with Shad.
 - Motion to move \$230K into our reserve account, to take it up to \$5M max allowed in that account, as we did not spend all funds last year – this was carried.
 - Added an additional Kin Member at Large to the Board of Directors.
 - Russell Goebel from Lloydminster Kinsmen is the successful applicant for the additional Kin at Large position. He is attending our virtual November meeting to learn and will begin taking on applications for our December meeting. Thanks to Russell for stepping into this position!
 - Being on the Foundation Board is a lot of hard work (estimated at 30 hours/month), but it is truly a life changing experience. It is such an honor to be able to advocate for applicants. And being the person to tell a successful applicant the good news is so humbling. You will laugh and cry around the board table, you will learn about mobility equipment and devices, gain understanding of social programs, and make lifelong friendships. We will be looking for reps for Zones B, F, G, I, as well as a Kin Member at Large for the 2022-2023 Board of Directors. If you are interested in a Zone Rep position, please be in touch with your DG ahead of your Zone Conference, as that is when elections take place. If you are interested in a Kin Member at Large, contact Vice Chair Rob Bateman or myself for an application. Applications for Vice Chair will also be accepted until April. If you would like some more information about what these roles entail, please reach out. We are also happy to have guests attend our meetings, let me know if you are interested to see the board in action!
- YIK, Lyndsay L'Heureux

Zone A Deputy Governor Report

Hello from Zone A!

The Kin year has started out with some highs and some lows. If you haven't heard, Maidstone Kin Club chartered at the end of June, and we celebrated their Charter night in August. This Club is lighting it up in their community and on social media. Unfortunately, the Paradise Hill Kinette Club has folded and caused our membership numbers to decline.

I have attended meetings either virtually or in person for almost all of the clubs in Zone A. These meetings have been awesome, and I continue to learn every time I attend one. You can learn things like how to get flocked from the Maidstone Kin Club or how to get boned from the Macklin Kinette Club.

We held our first Zone Leadership Seminar in many years. While attendance was less than we hoped for, we had members from several clubs, some excellent education, and much needed fellowship.

Zone A is proud to have completed 100% of our BVAP requirements and we are almost done all other District and National Nov 15th requirements. While it appears, I have been doing an excellent job as DG, this is not 100% true. The accomplishments in Zone A are made possible because of the amazing Presidents and members in this Zone. I am truly blessed to have the club leadership that I have, they make my job easier.

Many of the clubs in Zone A have a membership growth plan and guests have been appearing at meetings. As the year progresses, we hope to see membership growth, more interclub visitations, fundraisers, and service projects. We also look forward to applying for District and National awards with many clubs already tracking their progress.

Once again, I find myself excited to see old friends, and make some new ones at FLC. Take the time to meet new members, enjoy the fellowship, absorb all of the new information, and cherish the memories.

Yours in Kin,

Byron Stepp

Deputy Governor - Zone A

2021/2022

Zone B Deputy Governor

Hello District 3,

This is what's happening in the north east, for our Kintastic clubs! This fall, I have installed 4 of my clubs, a couple in person and a couple by zoom. My plans are to still install the other clubs, I haven't visited yet.

Melfort Kinsmen, have installed a new playground in our campground. They are also working hard to get renovations completed on the Kin Hut. They plan on having an opening party for the clubs in our zone in January 2022. A bigger Party, to invite the District to show off their new Kin Home will be later in 2022. The Kin Hut is located where this club help build many years ago the walking trail in the city. It will be a facility that groups can rent for meetings and birthday parties. With the splash park, playground and skate park all located there, I'm sure it will be used by many!

Along with the Melfort Kinettes, both clubs are working a service project of security at the Mustangs Hockey games. Melfort Kinettes are wrapping up a successful Flocking Fundraiser, the flock has now migrated south to warmer weather, they will be back in the spring! Lots more flocking to be done in the Spring when those birds arrive home!

St, Brieux kin are small but mighty! They spent two weekends help build a playground for the Make a Wish Foundation! They are working on raising funds for their new green space in town, which is located on main street. They will be laying concrete for the foundation for their new gazebo. The plans include garbage cans, benches and flowers. Very exciting and big project. President Eleisha, says the club is looking forward with hopes of getting more active once again. Unfortunately, Covid has a lot on hold. Once things get better they will be back to being busy!

Nipawin Kinsmen, as the weather is getting colder, they will be putting in ice for their outdoor rink. They are also setting up their Christmas light display for the Nipawin Parade of Lights.

Kinistino Kinsmen are holding a 50/50 online raffle to raise money for new playground equipment at the school. An Exciting partnership!

Tisdale Kinettes, the Honeybees, This Saturday November 20 is their Christmas Craft and Trade show. They also have a yummy soup and sandwich fundraiser for Telemiracle. A few other highlights are their Baskets of Cheer that will be auctioned off on FB in December. They partnered with the florist for Good Neighbor Day, with 33 orders for bouquets delivered in November—what a feel good initiative! They wrapped up the Fire fighter raffle and responded to a few local donation requests. The park committee is putting together a proposal for updates to the Kin Park.

As with the times we are living in, all Kin are doing a Kincredible job of serving their communities greatest needs.

Fancy Nancy Zone B DG

Zone C Deputy Governor Report

Hello D3!

This Kin year is flying by! It's hard to believe we are already at FLC time. The first part of the year has been busy getting contact lists for club executives, completing the BVAP courses, and of course all the requirements for the November 15th deadline.

Clubs, in Zone C, have continued to struggle hosting events the last few months due to Covid-19 regulations; there have been a couple, and more are being scheduled all the time. Kindersley Kinsmen & Kinettes were able to participate in their local Goose Festival weekend by being in the parade and hosting a successful Duck Derby. The Lucky Lake Kinettes have a craft sale coming up, December 4th and have been working on their Community Calendars. The ladies in the Dinsmore Kinettes also have a Community Calendar project going on. In Kerrobert, the Kinsmen recently donated \$25,000 to the Town Zamboni Project. As well, it's Christmas tree season and Rosetown Kinsmen, Outlook Kinsmen, Kindersley Kin & Kerrobert Kinsmen can help you out with the perfect tree; if you are in the area.

Over the next few months, I look forward to getting out to some of the clubs in Zone C and attending a meeting, helping with a service project, a Telemiracle fundraiser, and sharing in some fellowship.

Yours in Kin,

Pam Lyons

Zone C DG

Zone D Deputy Governor Report

Hello from Zone D!

My name is Terri Troupe-Logue, I'm your DG in the ever friendly Zone D, here to report on some of the exciting news from our zone. It has been a busy start to the year for our clubs! We won't let a pandemic slow us down. Clubs have been making changes to how they hold meetings and how they get their work in the community done. Many clubs are holding in person meetings with the option to meet virtually. It is inspiring to see how adaptable and flexible everyone is!

I've been to a few clubs for visitations and installations, but not all. I am hoping to make it out to each club at least once, if not for installation, then just for a visit.

Since I am a Saskatoon Kinettes, I will start with my club report. The Saskatoon Kinettes have been modifying some of our service projects to align with Covid protocols. Our members are 'adopting' residents of Kin Manor

this Christmas, and will be giving gifts to hopefully make up for the fact that we are not able to visit in person yet. Our club just finished a Mom's Pantry fundraiser, and have been helping out the POW City Kin in most of their events. Most recently, we are busy planning FLC!

KOS has been busy, recently donating \$10,000 to the annual Pumpkins for Mienna fundraiser.

Martensville Kinettes have also been very busy with a number of fundraisers and projects on the go: Snow-melt Fundraiser, Adopt-A-Family, Santa Parade, Toy bingo, and the list goes on!

Shellbrook Kinettes are active sponsors to both local schools, where their money goes to the school snack program. They have their Fall Shoe Party, and their annual Cookie Walk is coming up soon, so be sure to look for their club updates!

POW City Kinsmen wrapped up their second annual Spooktacular event- this one was called the 'Kill Show' and it ran for four days at the end of October. Of course, Chase the Ace is still running! They are into week 34 and the Ace is still out there! Remember to buy your tickets (shameless plug).

Other clubs in our zone are busy with the business of Kin! My next report will feature more of the goings on of Shellbrook Kinsmen, Martensville Kinsmen and North Battleford Kinsmen.

I wish you all a very Merry Christmas and safe holidays! Here's to a fun FLC!

YIK,

Terri Troupe-Logue

Zone E Deputy Governor Report

Hello Family of Kin,

It seems as though we are just getting started but no, we are actually already a few months in to our Kin year. The November 15th deadline has come and past and although we are playing a bit of catch up in Zone E. I am actually really proud of the work each club has done to get everything up to date with only a few outstanding issues. There are some changes this year to Zone E as the Kinsmen Club of Melville is now the Kin Club of Melville. And just so you are aware, the Kinette Club of Melville is still with us as well. GIRL POWER!!

My goal this year is just to get things rolling again in Zone E and as back to normal as possible. With the Covid situation Zone E has clubs on each end of the spectrum from major fundraisers being cancelled for the last 2 years to finding great success with the situation that we are currently in. With more people becoming home bodies the Kinsmen Club of Yorkton's Radio Bingo has had unrepresented success allowing the Club to make donations of over \$250,000.00 above and beyond their normal budgeted donations last year. Much of the funds went to playgrounds, swimming pools and sports facilities in Yorkton and surrounding communities as well as a "Covid Relief Fund" was set up to help other local community groups who had lost fundraising ability due to Covid restrictions apply for help. I am looking forward to see what Zone E and D3 has in store this year. Whether big or small every step forward is good. We can still get there!

YIK, Chad Grodzinski

DG Zone E D3

Zone F Deputy Governor Report

Hello D3

My name is Paula Sundquist, and I am the Deputy Governor for Zone F. With Covid still making things interesting again this year, my focus is to help the clubs in my Zone reconnect with Kin. Reminding all our members how their District Executive is here for them and how we can help them when needed.

With the BVAP as a new requirement the first thing I found my clubs needing was guidance and explanation as to why they needed to complete this course. It was a slow start however all the clubs in Zone F had this completed in good time. With clubs not able to meet last year in person due to the shut down pertaining to Covid, smaller clubs took a hit, and a few talked about possible folding. I am happy to announce that none of the clubs in Zone F folded, they are still active and working on reconnecting and reengaging their members, we even had one club grow with several new members during the last Kin year.

One of the items I would like to accomplish this KIN year is to bring in education for my clubs and have it customized for the needs of each individual club. As each club have different needs and wants, I feel this will be a challenge for this Kin year I look forward to this challenge. I have not had the chance see all my clubs for visitation/installations so far this year. Some of the clubs within my zone were not interested in having installations done this fall, I would like to try to achieve this tradition once again moving forward; even though this will be with future DGs to follow.

I am working with the clubs in Zone F building a Facebook and Instagram Page for all their future events and announcements for their clubs. It is my hope that it will be utilize as another tool for communication and connecting with the members of District 3. It will be on these pages that you can look for upcoming events from Zone F (Eastend Kinsmen/Kinettes, Gull Lake Kinettes, Swift Current Kinsmen and Kinettes). On the page we will have a list of contacts for each club and the best source to contact the club members.

November deadlines have and will continue to be a concern for many members, please remember that your DGs are here to help in anyway we can. Even if you are not comfortable talking to the DG of your zone you can reach out to any of the executive within our district. If you or the club is struggling with the requirements outlined by district and national and the deadline is here and gone, it is never too late to complete the paperwork needed. Please remember communication goes a long way. District and Nationals will help if they know what the situation is. If you are unsure of who to reach, please ask. I will do what I can to lead you in the right direction. ASLO there is a new customer/contact service that Nationals has for your use, you can go to Kin Canada and fill in the concerns or questions you have, and someone will get back to you. The response time is better than it has been in the past, they will do the best they can to aide you in your situation.

Thank you for your time, see you soon in Person!!

YIK

Paula Sundquist

Zone F DG

Zone G Deputy Governor Report

Family of Kin

I have been given a unique opportunity, I have been allowed a 'do over'. I was deputy governor for Zone G in the 2008-2009 Kin year, and Governor Michelle offered me the chance to do it again in 2021-2022. I got right to work, started looking at rosters to send out calls and messages.

It was exciting to see that some of the names from 10 years ago were still on roster and even more exciting to see all the new names.

New members plus seasoned members equals both retention AND recruitment – I've always believed that formula to be the secret to successful clubs and a successful organization.

- Our newest club, The Thunder Creek Kinsmen have burst on to the scene, running several large, innovative and very successful projects. Expect BIG things from these guys!
- The Parkland Kinsmen and Kinettes have done a great job of maintaining relevance in their community and adding a few second generation Kin to their rosters. Love this!
- The Moose Jaw Kinsmen club continues to grow and thrive. They have been running a very successful Chase the Ace, made possible through the pandemic in part by the excellent relationship they have formed with a local bar. This club excels at staying visible and responding to their community's greatest need, whatever it is.
- The Moose Jaw Kinettes. Ah, these members!!! I remember the 2008 Moose Jaw Kinettes that were struggling to keep members and to maintain their club. Fast forward to 2021- at the meeting I was recently at - 9 of their 10 members were present, we installed 2 brand new members AND 3 guests were there to check them out!
- The Assiniboia Kinsmen have also welcomed new young members AND some second-generation Kin. We truly are the family of Kin in so many ways. They continue to run their very successful Chase the Ace. With some of the proceeds from the last one, they did some much needed work on the local Kin Hut and it is once again a building to be proud of.
- The Assiniboia Kinettes. As they celebrate their 19th year, this club continues to grow and to flourish.
- The Coronach Kinettes have unfortunately decided to take a break this year. Hopefully, we will see them recharter soon.

Covid has made much of what we do difficult or impossible this past months. Many clubs have risen to the challenge and created pandemic-proof activities and projects. Great job, Zone G!

Yours in Kin

Corie

Zone H Deputy Governor Report

Hey D3 gang!

Another Kin year has started and I am excited!! I've had the honor of being DG for zone H this year. So far I've had the privilege to attend a couple of installations. I have a few clubs left to attend but will get there soon!! I have noticed several clubs doing several Chase the Ace raffles. They are a fantastic fundraiser! We have other clubs doing Christmas time raffles, Spring time steak suppers for the farmers etc.

My game plan is to get out to all my clubs in the new year! I'd love to plan a Zone Kin Club spring time bbq. We will have a poll for that idea!

YIK,

Ryan Goliboski

Zone H Deputy Governor

Fellow Kin, welcome to your 2021-2022 FLC!

As we build the momentum for this year, I wanted to take the opportunity to celebrate our accomplishments of the past 12 months. Kin Canada, together, we raised **\$22,940,726** for Canadian communities! As an organization, we **gave over 162,000 service hours!** These are truly reasons to celebrate!

I am sure we are all fatigued by COVID, but in a time where our neighbors, schools, programs, and communities needed us most, we continued to serve their greatest needs. I am **SO** proud, to begin this new Kin year knowing how creative, resilient, and determined this association has been throughout the past 19+ months!

This year we excitedly welcomed 4 new members to the board, along with our new National Vice President, Cameron Kemp. I want you to know that the National Board of Directors has also adapted and been creative in how we do our work. As we work together through the year, we look forward to continuing to innovate.

FLC is always a fun time where we are building the momentum of the new Kin year. Thankfully, we are able to continue to stay connected with technology in cases where we can't be together in person. Where we *can* be together as a team, I hope there are so many Kin hugs and high fives as we are finally reunited with the Kin family that we have so missed.

These past two years have taken a toll on Canadians and on members of this great association. I ask that you look to your left, and you look to your right, at your Kin sisters and brothers... these are the very same people that you have stood beside for years or in some cases decades... Please, continue to show your Kin spirit and be kind, understanding, and please know that *everyone* is dealing with *something*. We often only see the very tip of the iceberg and as Kin we can be the positive force, the family, that gets everyone through to the other side of this pandemic.

I hope to see you soon, fellow Kin. I truly look forward to our next virtual or in person gathering! No matter where or how I join a Kin meeting I always leave feeling rejuvenated. Fellow Kin, lets continue to be the positive force that serves these Canadian communities.

Until we meet again, be safe and be kind.

Yours in Kin,

Jennifer Burry
2021-2022 National President
Kin Canada

Kin Canada

DISTRICT 3 VIRTUAL FLC

November 7, 2020 11:00 am / login 10:45 am

Meeting Link

<https://us02web.zoom.us/join/91234567890?pwd=ZUJlcmVpZGpG9SNELu2cLA2Zu-50G2U07WV>

Call to Order: 11:06 am

Address to the Chair: Governor Corinne, fellow kin and honoured guests, may the tech be with us!

Moment of Silence for Founder Hal and Departed Kin

Objects of the Association – VG Michelle Miller

Roll Call – See Attached spreadsheet

Credentials chair: Lori Cosh

Credentials Report: Motion: Jessica Steadman Tisdale Kinettes, Second: Lorraine Duxbury Assiniboia Kinettes – Motion Carries

- 27/79 Total Clubs
- 15/34 Kinette Club
- 8/35 Kinsmen Club
- 3/8 Kin Clubs
- 1/2 Campus Clubs
- 26 Accredited Delegate Forms Submitted
- 26 Accredited Delegate Forms Picked Up
- 50%+1= 14 clubs
- 479 Members 2/3 Majority Vote= 18 clubs

Motion to accept agenda – Preston Majeran, Estevan Kinsmen Club, seconded Jordan Kammer, Rosetown Kinsmen Club – Motion Carries

Motion to accept FLC minutes October 2019 – Pam Massine, Saskatoon & District Kinette Club, seconded Elesha Chubak, St. Brieux Kin Club – Motion Carries

Governor's Report – Corinne Mathews – Focusing on the positives that are coming out of this year of change. Seeing all the creativity for new ways to fundraise and different types of non-contact events. Technology is on the Boom, and in some instances creating more opportunities with interaction that

wasn't there before. The ability to hold hybrid meetings (in person component and on zoom component) ensures that everyone has access to meetings.

National President Welcome – Terri Iredale – An overall message of adaptability, resilience and hard work of Kin during these times. She is honoured to be here and is excited to see what we have planned for this year and she wishes we could all be meeting in person.

HREF Report – Sheila Laverty D4 – Video & PowerPoint Presentation

Eli – They have a documentary that they'd like to get on CTV but they would like to recoup the cost of these viewings. Yorkton Kinsmen have pledged funds to this. They want to have 3 viewings. They will have 8 – 10 minutes for advertising and is looking for input. Clubs can purchase airtime to advertise projects, recruitment, etc. Looking to see if there would be any interest in this. Each broadcast will cost \$2500. Each 30 second commercial would cost us \$100 – 150. Will forward more information to go out to all of the clubs.

First Call for Nomination for District Convention 2021 host – Kindersley Kinsmen & Kinettes, Brian Angstadt, Tammy Allan Prince Albert Kinettes – Declined by Lisa Kirtzinger. Tracy Prang Nominates Rosetown Kinsmen Club, Tammy Allan Prince Albert Kinettes – Accepted by Jordan Kammer

First Call for Nomination for FLC 2021 host (Zone D) - Saskatoon & District Kinettes, Pam Massine, seconded by Shane Bailargeon, accepted by Chelsey Limay. KCOS has offered to help as well.

Vice Governor Report – Michelle Miller – Has most of her core exec team picked out and is excited to announce it. She does have some spots, Club support and of course the elected spots. If you're interested please contact her directly.

Foundation Report – Ted Moir – 2019-20 Annual Report – Slideshow \$3,768,891 approved grants after recalls. They have made adaptations on running the foundation to keep everyone safe during Covid and have moved at least 50% of their meetings to virtual.

TeleMiracle 45 Report – Brian Angstadt – Although TM is going to be a whole new show and things are going very smoothly. The kick off will be early and most of TM will be virtual. The date is February 27th & February 28th. The new venue will be Prairie Land as they didn't need all the staging and audience area, so they went with a less expensive option to save money. All the changes that were made were to remain compliant with the current Sask Public Health Orders. It will still be a 20 hour show and the pre-show will also be coming back. All the talent & national cast performances will be pre-recorded. We have 10 cast members who will be there in person as well. It will be a simpler, more streamlined show. #1 question they ask Brian: What will TM look like for a Kin Volunteer (normally 500 -600 Kin Volunteers). They will only be having TM45/TM46/TM Foundation/D3 Exec will be where the volunteers are coming from. If they need more they will be sourced from Saskatoon (No travel = reduction of costs). Some spots available for On Air Presentation. The rest will be video/Zoom presentations.

TeleMiracle 46 Report – Steve Kirwan – TM46 had sadly been left in limbo as nobody knows how long the pandemic will last. They will of course, learn from this year and adjust and adapt as needed and everyone is willing to put in the work necessary to ensure it is. A mix of new & old members

TM Shadow Chair – Elected in Spring

Corporate – Pam Massine & ??

Facilities – Sean Olson, Brett Strong

Education – Tracy Prang

Communications Report – Chelsey Limay – Please update your preferences in [mailchimp](#) (did a demo) so that we can communicate more effectively with our membership and be able to communicate with our members by zone.

Risk Managers Report – Tammy Allan – Slideshow Presentation on who needs to get there CRC and/or Vulnerable sectors search and how to upload it. No guests allowed at meetings at this time. Kin Canada is doing their best to adapt as each province has different requirements that are always changing. If you have any concerns, contact either Tammy Allan, District Risk Manager or Melanie Nielsen, National Risk Manager at HQ.

Awards Report – Tessa Halldorson – Kin Captain is a way to recognize those within our district who do great things all the time. Please see report for changes to District Awards. National Awards are not yet rolled out.

Second Call for Nomination for District Convention 2021 host - None

Second Call for Nomination for FLC 2021 host (Zone D) - None

-----lunch break-----

Awards Announcements – Steve Kirwan – See attached

Service Presentation – Paula Sundquist – Slideshow presentation with CF Guest Katerina. Demo on Service Projects database, our partnership with Canadian Blood Services and how it's vital. We are currently at 76 units donated in D3. Our pledge was 100. We still have 2 months to hit our goal and she is hoping to hit 120 and exceed it. National Day of Kindness – there will be no mail outs this year but there will be [printables](#) available in January in [iKin](#). There will be a project box as well with COVID safe projects. Please remember to wear masks when in public representing Kin, even if it's not mandatory in your area. Please get your numbers in. Although it's not a normal year we still want to be able to put up numbers.

Janice Daniels – CF North Saskatchewan Chapter – Started off by thanking us for being part of the CF family. Our contributions and passion for helping is always noticed and appreciated! The new drug [Trifacta](#) (not yet available in Canada) has the ability to help 90% of people living with CF. To know that just across the border the drug is available that could drastically change the quality of life for you and/or your children. The Saskatoon & District Kinettes (along with 13 other cities across Canada) were able to help in the first year of their second national project (Quest for CF). They can't wait to expand into more cities next year!! Their largest national fundraiser, walk to end CF, is in 70 communities around Canada and were still able to raise 2.2MM with the virtual event in 2020. They think 2021 will also be virtual.

[Lloydminster Kinettes](#) started their Glow Run (and the Bill Skelly award for this event). CF is presenting them with the Community Event Champion for this event!!!

[Katerina Nechveta](#) Guest CF Speaker – Mom of children with CF. – PowerPoint presentation. North SK

Volunteers for the last 11 years. Since 1964 and we have donated over 49MM for CF Canada. With this support, life is drastically different than before. Michelle & Shawn have 5 children. 3 of them were diagnosed with terminal illness. Dom was diagnosed with CF as 1 month old in 2008. July 2013, Jonathan was born without CF. In December of that year they ended up in hospital, he was diagnosed with a rare metabolic disorder that has no name, no treatment and no cure. At 6 months old Jonathan passed away. Benjamin was born in 2016. At 3 weeks of age he was diagnosed with CF. This requires a minimum of 4 hours of physical therapy a day between both of their kids. Our efforts to support CF are truly serving our Community's greatest need.

Social Media Guidelines – Corinne Mathews – Please see attached Memo

Education Session: Rules of Order – Preston [Majeran](#) – Slideshow presentation on the different rules of order. These rules can be found on [iKin](#).

KinU Walk through – Kim Peters – A walkthrough of how to navigate and find everything on KinU.

National Board and Operations Information

NVP Jen Burry – Slideshow presentation on National recruitment [project](#) (4 new directors will be elected)

Final Call for Nomination for District Convention 2021 host – None

Secretary casts 1 vote for [Rosetown](#) Kinsmen Club to host District Convention 2021

Final Call for Nomination for FLC 2021 host (Zone D) – None

Secretary casts 1 vote for Saskatoon & District Kinettes to host FLC 2021

DISTRICT PERSONAL AWARDS

Heart Of Kin Award - to recognize those Kin of District 3 that live and breathe Kin. These members go the extra mile.

KIN-Educate Club Award - A membership promotion award

Founding Members Speaking Award - to encourage members to develop and improve their public speaking skills and to promote self-development in Kin by means of public speaking.

Kinsmen/Kinette of the Year - (They will be awarded in each Zone) To qualify for this award, you must be nominated by a fellow Kin in District 3. The person doing the nominating is asked to write a letter outlining the nominee's Kin achievements and how the nominee has impacted their Club, Zone, and District.

Outstanding Kin of the Year - By written submission, the nominating party must outline why they feel one District 3 Kin member deserves the honor of being recognized as most exemplifying the Objects of our Association, taking into consideration how the nominee has impacted District 3.

Cystic Fibrosis Canada Awards
(National)

The Ian F. McClure Award - Introduced in 2014 to celebrate the 50th anniversary of the Kin-Cystic Fibrosis Canada partnership. It is awarded to a member in recognition of their exceptional skills coordinating and motivating groups of donors and volunteers for fundraising projects that benefit Cystic Fibrosis Canada and Canadians living with cystic fibrosis.

DISTRICT CLUB AWARDS

The Kin CommUnity Award - This award is to recognize two or more clubs that have an incredible working relationship. These clubs work together to make an impact in their communities.

Elmer Miller Visitation Award - The purpose of this award is to help stimulate more inter-club visitations within District 3.

District Social Media Award - To provide a guideline for clubs to follow in producing an effective means of club communication using the social media channel of Facebook and in particular, a public page (not a group) on Facebook.

Bulletin Award - To promote an effective Club communication and to recognize the effort of the Bulletin Editor and Club for an outstanding publication.

NATIONAL PERSONAL AWARDS

Maple Leaf Award of Distinction - To encourage new members in Kin to become familiar with all aspects of the Association.

Members Award of Excellence - The start date of this award must be after September 1, 2013. Objective: To continue to build upon the objectives of the Maple Leaf of Distinction Award and the Founders Award for Achievement.

GEM Award - To recognize those members who spread the joy of Kin by recruiting 3 or more new members within a 12-month period.

Kin Canada Lifetime Achievement Award - This Award is considered the highest Award in the Association. It is awarded to a member who has dedicated his or her Kin life to the betterment and the furthering of the Association and its goals.

Quill Award - To foster the development of written communication. Please note: entries must win at the District level in order to proceed to the National level. District Governors, District Awards Chair (or designate) must let HQ know the name(s) of the winner(s) no later than June 30. The winner(s) written submission must be sent along with a word count, short biography about the author, and the acknowledgement form.

Founder's Award for Achievement - To build upon the skills and knowledge gained while pursuing the Maple Leaf Award of Distinction.

Kin Excellence Program - To recognize the hard work and effort taken to achieve the Maple Leaf Award of Distinction, the Founders Award For Achievement, and the Members Award of Excellence.

NATIONAL CLUB AWARDS

Boake Efficiency & Outstanding Boake Efficiency Award - To recognize those Clubs which effectively meet the Zone, District and National requirements.

Outstanding Club Award - Note: Clubs must earn the Boake Efficiency Award to be eligible. To promote a standard of excellence for club activities and administration

Ken Pierce Membership Growth Award - No action required by the clubs. National Headquarters will review the June 30th year end membership numbers to determine the winning clubs

Milestone Recognition Program - To create a culture of pride and recognition for those active members reaching milestones at 5 years through to and including 50 years.

HREF Awards Ambassadors of Learning Award - The HREF Ambassadors of Learning Award recognizes clubs that are dedicated to supporting the Kin Canada Bursaries program.

Cystic Fibrosis Canada Awards

Bill Skelly Award - Bill Skelly is the Kinsman credited with launching the Kin-Cystic Fibrosis Canada partnership. In 1963, Mr. Skelly invited Dr. Doug Crozier to speak to the North York Kinsmen Club about cystic fibrosis (CF). The following year, District 8 adopted CF as its service project. Over the course of the next four decades, the Kin-CF connection developed into a vibrant and unique partnership.

The Bill Skelly Award recognizes outstanding Kinsmen, Kinette and Kin clubs across Canada. Clubs are awarded for their efforts in raising funds and public awareness in the fight against cystic fibrosis. One award is presented per District, per year.

TeleMiracle Community Shout Out Instructions:

Gather a group near a landmark in your community. (Preferable but not required) This could be the town sign "Welcome to _____", City hall, community centre, grandma's living room etc.

Please use **TWO** cellphones (or a camera with an external microphone)

Cellphone 1 will record the video of the group doing a shout out and can be placed on a tripod or held by a person not in the video.

Cellphone 2 will record the audio. Record just like you would a video but we will only use the audio. **This phone must be held by someone in the group.**

The reason for this is that when one camera is far enough away to record the video, then the audio is very poor. Using one camera for audio and one camera for video solves this problem.

******VERY IMPORTANT******

Please shoot the video HORIZONTALLY (Landscape, like the horizon)

Someone in the front row must CLAP THEIR HANDS ONCE, and then count the group into the start. This allows us to sync the audio and video together.

Sample script: "Yorkton supports TeleMiracle because we're rooted in Saskatchewan."

Keywords: TeleMiracle / Your town's (group, club) name / Rooted in Saskatchewan

We need to see the **CLAP** and counting but we will clean it up so that only the above script is seen/heard.

Send **BOTH** files to the TeleMiracle producers using this Google Drive link.

<https://drive.google.com/drive/folders/1UHhDBTLS6sgms1fee0pw3nCngdwTiTwy?usp=sharing>

Or, if you prefer, send them via DropBox, WeTransfer, One Drive, courier pigeon etc.
kin.norm@telemiracle.com

Show everyone in Saskatchewan your home town pride. It is our hope and desire to get several of these to play throughout the broadcast, and we've got 20 hours to show them!

It could also be a good way to get people thinking about fundraising.

Have some fun with it!

DON'T DELAY!! IT'LL BE FUN AND EASY!! DO IT NOW!!

Good luck and reach out with any questions. We're here to help.

Norm & Charlene Shuttleworth

CALLING CHAMPIONS FOR CHANGE!

To continue to make progress on Kin Canada's commitment to improving diversity and inclusivity, a "**Champions for Change**" working group has been formed. We are currently seeking Kin members who have knowledge of/interest in the following topic to serve as part of the working group:

Topics of interest include:

- Sexuality/sexual orientation/sexism
- Gender expression
- Race
- Ethnicity
- Religion
- Age/Ageism
- Immigration & refugees
- Indigenous relations
- Veterans affairs
- Differing abilities (physical, cognitive etc.)
- Differing relationship status
- Differing socio-economic status

Kin's Champions for Change will work together to advise Kin Canada Operations on how we can further learning opportunities in the above areas, provide resources for current and future members, and make our Association inclusive to all Canadians.

To join this group or learn more, please contact Club Support Coordinator Lindsay King at lking@kincanada.ca
