November 1, 2024

Fellow Kin,

With 30+ clubs across Canada already using [Rafflebox](#) to hold online raffles, generate bigger fundraising results, and reduce admin time, I am pleased to announce that Kin Canada has partnered with this platform, effective November 1, 2024.

You can learn more on the [Kin Canada x Rafflebox website](#) and [slide deck](#).

If interested, you can contact Rafflebox directly and they will connect you with an Account Manager who will support you throughout the process.

I am excited about this opportunity for clubs and our Association. I hope to see more clubs utilizing Rafflebox to amplify their fundraising efforts through online raffles.

If you have any questions, please contact me at rsidhu@kincanada.ca. Yours in Kin,

Randy Sidhu
