2022**

QUARTERLY NEWSLETTER

MARCH 2022 EDITION

A Message from the Governor...

Family of Kin,

As I reflect on the past eight months as Governor, I cannot help but feel inspired and thrilled to be a member of Kin and District 3. Our Covid world is changing as we walk out of the mandates that have been in place for over 20 months; I would like to believe that we are stronger because of it. We have made many new discoveries over this time that have helped us grow and evolve; our clubs can function utilizing a hybrid of in person and virtual resources, we have found new ways to help our communities through fundraisers and service projects, and gotten pretty creative in the ways we connect with each other. It brings me great joy to know that I am a part of this amazing group of people out there in our communities making a difference and “serving our communities’ greatest needs”.

There will be many events happening over the next four months. Zone Conferences are in the planning stages and dates will be communicated once finalized. Planning for District Convention in Rosetown is well underway, and it looks like it is going to be a great time.

TeleMiracle 46 is being held, March 5th, in Regina. Steve Kirwan and his Committee have been working very hard over the past several months to organize and put on this annual fundraiser that helps so many individuals from Saskatchewan. I often find that our sparks are rejuvenated after being involved in the buzz of TeleMiracle.

We get to spend 20 hours with our friends from all over the province answering phones, walking countless steps, counting money, feeding the volunteers, setting up the facility, transporting the National Cast, keeping the facility secure, dancing around as TM Teddy, and selling souvenirs all to help the show happen.

There is an incredible amount of knowledge in our district. How much can you learn from the experiences of others right here? Educate, engage, empower; the three pillars of my platform this year represent just this. We can learn a lot from each other, but we can also share our experiences, everyone is unique and brings something different to the organization. By engaging in the conversation, we create the “family of kin” that we love so much. And this empowers us to evolve with new ideas, to help our clubs and communities, and to grow as individuals; to expand our personal strengths as well as see the best in others. What better way to gain knowledge than by attending either Kin Kollege or Kin Masters on March 26th in Saskatoon?

I want to thank the members of District 3 for what is the highlight of my Kin Career. I look forward to seeing everyone at TeleMiracle. RING THOSE PHONES!!!!

**Yours In Kin,
Michelle Miller**

OBJECTS OF THE ASSOCIATION

To promote and direct Service work through fellowship among its Clubs and their members, to the end that:

- Members of the Clubs may enjoy personal development through the association;
- they may be improved and educated in modern business and professional methods and ethics;
- the involvement of all in the enrichment of their community may be stimulated;
- a spirit of co-operation, tolerance, understanding, and equality among all nations and peoples be fostered and that unity of thought and purpose throughout Canada be established toward this goal; and
- they shall serve their community's greatest need.

KIN SONG

Here we are together once again
One and all a happy bunch of Kin,
Leave your cares and troubles for a while,
Let your face break forth in smile.
Turn around; grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINETTES, AND KIN!!

KINSMEN SONG

Here we are together onces again
One and all a happy bunch of men,
Leave your cares and troubles for awhile,
Let your face break forth in smile,
Look around, grabe someone by the hand,
They're your friends, the finest in the land.
Now all set, let's shout to beat the band,
KINSMEN, KINSMEN, KINSMEN!

KIN MOTTO

Serving the Community's Greatest Need

MISSION STATEMENT

Volunteer members impacting Canadian communities through service, leardership, fellowship, and personal development.

VISION

To be Canada's National Service Organization

VALUES

Excellence, Pride, Integrity, Inclusiveness, Compassion

KIN GRACE

Happy to mee, Sorry to part,
Happy to meet again.
May the Lord make us true Kin,
In our thoughts and deeds,
And make us truly grateful,
For the food we receive.
Amen.

KINETTE SONG

Here we are together onces again
Happy in the Family of Kin.
We've forgotten cares and worries too,
Kinettes we've work to do!
Each of us will help to bind the tie,
So the heart of Kin will never die,
One and all let's raise our voices high,
KINETTES! KINETTES! KINETTES!

A Message from the Executive...

Hello District 3 Kin!

It's hard to believe that this year is already $\frac{3}{4}$ done and we are heading into the month of March, the year has been going by so quickly. It has been an exciting year as the district team has been able to make some in person meetings, such as club visitations, projects and preterm/midterm meetings. This has made for a more normal year of treasury as I have had some expenses to pay out this year.

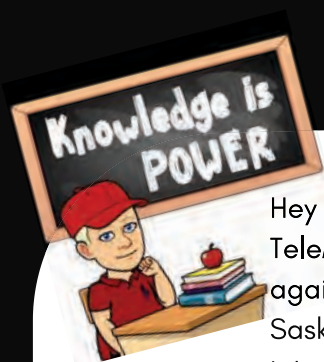

All club dues have been accounted for, unfortunately we have had a few clubs fold leading into this year which has lowered our amount of revenue collected. Even with this unfortunate news I am still able to report that we are running a balanced budget.

Following the vote at the Fall Leadership Conference in Warman in November the district's investments have been removed from the IG Wealth Account we had and will be reinvested into the Credit Union account in the form of GICs and mutual funds.

I want to wish everyone a healthy and successful spring as you all continue in your projects and move into your zone conferences.

See you all at TeleMiracle! Ring those phones! #RootedInSK

Melissa Kirwan
-Treasurer

Hey D3, I hope all is well and you are staying warm during yet another cold snap. With TeleMiracle coming up soon I know we are all getting excited to see everyone in person again. March 25-27th we are pleased to offer Kin Kollege & Kin Masters in person, in Saskatoon. Tuition will be \$50 which will cover your meals, snacks, and lodging. If you are interested or have any questions please email me and I will be happy to help you out! If any person/ Club is wanting a club leadership seminar, please let myself or your DG know. We are more than happy to put on one for anyone that is interested. I hope to see many of you in Regina for TeleMiracle!

Brett Strong
- Education Director

Happy March D3, One of the most exciting weeks of the year is upon us! It's exciting to see us getting back to something that somewhat resembles what used to be normal. As we pass the midway point in the Kin year, it may be helpful to send out the Club Health Assessment to your members. The Club Health Assessment is a great tool to use, no matter the time of year. Whether you have been active in the pandemic or have been struggling to get out, it's important to know if your membership is comfortable with how the club is running. Little things can easily become big things if you aren't proactive in addressing minor issues. There are many ways of doing a Club Health Assessment. There is an online fillable form that will be sent to myself, this will can be completely anonymous if you would like. There is also a fillable PDF that can be emailed out to your club, this can also be filled in anonymously, then emailed to anyone of your choice: district executive, club executive or an unbiased non-member. This form can also be printed out to be filled out during a meeting then submitted to the club electives. Any and all ways of proceeding with a Club Health Assessment is a great way to have an open and honest dialogue about potential club issues, as well as being a great member check-in even if no concerns are voiced. It's a great way to track your club's strengths and weaknesses in order to keep a happy, healthy membership. Online Club Health Assessment

www.ikin.ca/imis20/iKin/Club_Support/Club_Health_Assessment/D3_CHA.aspx Fillable Club Health Assessment PDF www.ikin.ca/imis20/iKin/Club_Support/Club_Health_Assessment/CHA_Home.aspx

If you need any help with anything at all please feel free to contact me.

Britt Lamb
- Club Support

Greetings from the Awards Director. I would like to thank everyone who has used the new online nomination process. I feel this is a great time to reflect on the Kin year so far. Who stands out? Who has gone above and beyond? Let's nominate these people for Zone or District Kin of the year awards. This is done through the online nomination form at www.district3kin.com/awards.html. Let's keep the Heart Of Kin & Kin CommUnity nominations coming in. I have really enjoyed reading all the great things award winners have done. I am so proud of all of you and work you have done in your communities. I look forward to seeing all of you at TeleMiracle and LET'S RING THOSE PHONES!

Brett Beal
- Awards Director

Cystic Fibrosis

The Walk to Make CF History is on
May 29!

Join the in person or virtual Walk to
Make Cystic Fibrosis History today to
help change the cystic fibrosis story!

You can either join your local in
person walk in Saskatoon, Regina,
Estevan or Swift Current

OR

join the virtual walk D3 Kinsmen &
Kinettes Kin Challenge Team, where
you can register as a club or
individually to take part.

This May, go #FurtherTogether with
friends, families and communities
uniting from coast to coast to
celebrate, remember and support
people living with cystic fibrosis (CF).

Register at

<https://walk.cysticfibrosis.ca/>.

Call for volunteers! Each of our in-
person Walks need volunteer
committee members and day-of
assistance. Please email Janice
Daniels at saskinfo@cysticfibrosis.ca
for more information.

!!THANK YOU!!

A huge thank you from our National Partners for your continued support during the past few years. Your dedication to causes outside your local community during the past couple of challenging years has not gone unnoticed! Kudos to each and everyone of you who continue to *Serve the Communities Greatest Need*.

Family of Kin, The Kinsmen, Kinette, and Kin clubs in Zone A have been very busy over the past several months. Each of the clubs in this Zone have found unique ways to adapt to restrictions all while maintaining their membership numbers. Now that there seems to be an end to the pandemic, membership growth has begun. This, coupled with the excitement of TeleMiracle, are creating quite the buzz. As we head towards the final third of our kin year, we begin planning for our zone conference and those last few projects. I would like to get out to as many of these projects as I can.

Please continue to share your upcoming events with the zone A Facebook page. This years Zone conference will be held in Macklin on April 10th and it promises to be a good time. My year has been amazing so far, from chartering a new club, hosting a zone leadership seminar, and watching our clubs thrive. Thank you to each member of Zone A, for all that you do.

Byron Stepp
- Zone A DG

Clubs held successful TeleMiracle fundraisers. Our spring Zones are scheduled for March 27 at St. Brieux.

Nancy Hamilton
- Zone B DG

Happy TM week everyone! The Rosetown Kinsmen have their annual TeleMiracle luncheon on Wednesday, March 2nd and are also raising funds for their inclusive playground right now. Kindersley Kinsmen & Kinettes are busy gathering donations for TeleMiracle and looking forward to TeleMiracle Teddy arriving to visit schools and businesses in town this week. They are also planning their next "Booze Survivor" and the local rodeo dance and beer gardens for the first weekend in June. Zone C Spring Conference is tentatively scheduled for April 30th in Kindersley. Looking forward to seeing everyone at TM!

Pam Lyons
- Zone C DG

Zone D clubs are busy gearing up for TeleMiracle with all kinds of community fundraisers. To mention a few: Shellbrook Kinettes have had a very successful online auction for TM, raising over \$16,000. Great Work Kinettes! Saskatoon Kinettes have just held their TM Steak Night, and Martensville Kinettes have just finished their Day of Kindness and delivered care packages to first responders and medical clinics in the area. There are certainly more great projects! Don't forget, we will be holding Zone Conference on April 9, hosted by the Martinsville Kinettes. I hope to visit more clubs this spring, beginning with KCOS next Monday.

Happy TeleMiracle Week Everyone!

Terri Troupe- Logue
- Zone D DG

Hello Fellow Kin,

The Kin year is flying by so fast and like the last 2 years for many it's been an uphill battle but in true Kin spirit we push on. We are already heading into March and of course Telemiracle weekend. Clubs are busy with their fundraisers and are finishing up their Telemiracle fundraising as the weekend approaches. Some had to think of new fundraising ideas and others are sticking with tradition. The Kinette Club of Yorkton's "Where's the Beef?" draw was a success and Sturgis Kin were able to switch up their Trip of The Month draw to a Kin Cash draw. But yes, Sturgis is still planning to push the bed for Telemiracle! Glad to see somethings are normal. The Kinsmen Club of Yorkton will get to partake in their annual Telemiracle Trek as they attempt to drive their Kin Go-Cart to Regina. They will be rerouting their Trek this year and stopping in Indian Head along the way to make a \$10,000.00 cheque presentation to the Constable Shelby Patton Memorial Park in honor of the late R.C.M.P. officer and former Yorkton resident. As Covid restrictions begin to lift let's hope things will slowly get back to normal. The Melville Kin Club plan to move forward with their annual golf tournament this summer. No date has been set yet but I do know that Past-Governor Steve will not be giving and massages to sore hamstrings. At least he didn't last year. And I am happy to announce that after 2 years of waiting the 45th Perogy Cup will be taking place in Yorkton March 18-20. For more information on Perogy Cup you can send an email to kinsmenclubofyorkton@sasktel.net

Chad Grodzinski

- Zone E DG

Hello District 3,

Here is a little news from Zone F. The Gull Lake and District Kinette club have been busy working on fundraisers for Telemiracle, the most recent was a basket of booze that they sold tickets for and one lucky winner took home lots of goodies. The club has had a healthy growth and they are now at 18 members. COVID did not stop this club from persevering and getting the job done. Gull Lake Kinettes have a strong presence within their community and are always there to help whenever needed. Before Christmas the club held their annual Ladies Night Out, this is an event that they hold at the Towns theatre and show a movie. Wine, drinks and fellowship for those who attend is something the community looks forward to. Hayrides, Santa movie, Sleigh rides and working the gate at a senior hockey game is just some of the activities that the club runs/helps with. Swift Current Kinsmen felt the hit due to Covid and they were not sure if the club would survive. However, a few of the long-time members put their heads together and rallied to help the club pass through the changes the world has seen in the last two years. Standing strong, the club held a Christmas function with a comedian and supper; this event was a success and those who attended had a great time! Swift Current Kinettes have remained steady at 11 members. During Covid the club turned their attention to smaller raffles and found success in fundraising "Covid style". This club had to adapt to the times and they did this most excellently. Through these fundraisers the club was able to adopt 5 seniors in their community at Christmas. They also provided food and presents for a family that was part of the Salvation Army program. They sponsored the SPCA for the adopt a feline program that helped pay for food and adoption fees. They met in person until the world shut down and then continued to meet through zoom meetings. This took its toll on some of the newer members, and it was up to the seasoned members to keep the spirits up with stories of fellowship and fun times. This club has a strong tie within the district, one member is on the District Executive, one member is on foundations and one member is on the current TM committee. The club is sending 6 members to TM this year, an event they look forward to every year. They will be holding their Ladies Night Out on April 30, 2022, which will be the first in person event since 2020. They invite all ladies to this event and can reach out for information if interested in attending. As restrictions and mandates lift, the club has big plans on resuming their presence in the community and continue to Serve the Community's Greatest Need. Zone F Conference will be held on

Sunday May 1st, at 11:00 am. More details to follow

Paula Sundquist

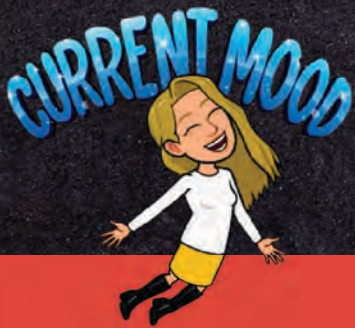

- Zone F DG

The Assiniboia Kinettes are celebrating the 20th anniversary of their club's recharter and as well as many new and enthusiastic members, a good number of the original charter members remain. Congratulations to them!! They are hosting their 4th annual Stride Spin-a-Thon in support of TeleMiracle on Friday-February 27th and they will be hosting their annual Easter Egg Hunt, open to all children on April 16. The Assiniboia Kinsmen continue to host their weekly Chase the Ace draw.

The jackpot is at about \$24000 and continues to grow. Their last effort gave away \$100,000 so send your e-transfer to assiniboiakinsmen@gmail.com to get in on the action! They also hosted a Beef on a Bun fundraiser for TeleMiracle on February 25. The Moose Jaw Kinettes celebrated National Day of KINdness by challenging their community to do a random act of kindness. Great initiative AND they made the local news! The Moose Jaw Kinsmen continue to run their very successful Chase the Ace as well. Their Celebrity Sports Banquet is set for April 2, 2022 and will feature NHL stars Shane Corson and Darcy Tucker. The Thunder Creek Kinsmen hosted an ice fishing derby on February 20th and had 92 holes registered. On April 14, they will be hosting a casino night. The Parkland Kinsmen and Kinettes are hosting a Raffle Draw Night and Supper on March 19. Money raised will be donated to TeleMiracle in honour of Life Member Keith Hall in recognition of his commitment and service to the Kinsmen organization, the Kinsmen Foundation, TeleMiracle, and the community. The Coronach Kinsmen recently hosted a Super Bowl Pool, with proceeds going toward the Legion Hall. Zone Conference will be held on March 26, hosted by the Parkland Kinettes, details to follow.

Hey D3!

The last few months have been very busy with planning for TeleMiracle. My team has been working hard, especially with the challenges presented due to the continuous changes with Covid 19.

The show will be held in Regina this year on March 5-6 at a new venue – Everaz place. To limit risk with Covid 19 the decision was made to not have the show open to an audience this year with the hopes that next year it can be brought back. We were excited that the restrictions opened up allowing us to have the registration to work TeleMiracle open to all kin members. This year will be a hybrid of last year's show and past shows with some pre-recorded performances as well as live performances.

Check out the TeleMiracle FaceBook page and website to find details on the 50/50. Make sure to purchase your tickets by March 2nd at 4:00pm. The draw for the 50/50 will be made March 2nd and announced at the TeleMiracle preshow which will be live streamed just prior to the start of TeleMiracle on March 5th.

I can't wait to see you at the show!

Steve Kirwan
- TeleMiracle 46 Chair

Foundation Report for District (Feb 26, 2022)

- It is a time of growth in the Foundation Office! We have now added two new employees to our staff. At the beginning of January we welcomed Amanda Whyte into the role of Grants Assistant. Amanda stepped into this role seamlessly, having three years of volunteer experience with the Foundation Board as Zone Rep and Treasurer. We are also excited to have Carman Praski join the office team in the new role of Fund Development Manager. Carman began his new position February 1st. Now that these two roles are filled, the office has implemented the new organizational chart which was created through an HR Alignment project completed earlier this board year. This was a key area for development identified in our Strategic Plan (2019). It is very rewarding to see the "fruits of our labor", as much effort has gone into this process.
- With the changes to the public health mandates, it was required that the Foundation Executive Committee update the Vaccination and Masking policies for both the office/Foundation as well as TeleMiracle. The policies have been updated to align with the current public health measures (including the upcoming change to masking requirements). Masks will not be required at TeleMiracle, but we still highly encourage wearing your mask as much as you are able. We are "serving the community's greatest need", and with TeleMiracle it is respectful to those we are serving if we do our best to preserve their health.
- Our most recent board meeting was on February 26. At this meeting the board reviewed 66 applications and granted \$229,816.98.
- Being on the Foundation Board is such an amazingly rewarding experience, and is the highlight of Kin careers for many. If this is something you might be interested in, reach out to the current rep for your Zone, your DG, or myself. We would be happy to have you as a guest for all or part of a meeting so you can get a better feel for what we do. Zone Rep positions are filled by election at Zone Conferences.

Saskatchewan Crime Stoppers

Saskatchewan Crime Stoppers is a non-profit organization that combines the efforts of the public, media, and police to assist in solving crime in our communities. Founded in 1987, Saskatchewan Crime Stoppers receives anonymous tips of criminal activity in Saskatchewan's rural municipalities, cities, towns, villages, and First Nations communities and works with the RCMP to provide this information.

The program, along with four others in the province (Regina, Saskatoon, Moose Jaw, Prince Albert) receive tips through a call center and online reporting system to collect detailed information which is forwarded to the respective law enforcement agency to complete an investigation. Saskatchewan Crime Stoppers protects the safety of those reporting the tip information by ensuring all contact remains anonymous and anyone providing information that results in an arrest or charge may be eligible for cash rewards of up to \$2000.

Program Results

<u>Statistics</u>	<u>2021</u>	<u>2020</u>
Tips	2326	2630
Calls Received	7505	7051
Arrests	42	49
Charges	117	105
Rewards Approved	41	49
Reward \$ Approved	\$12,800	\$14,175
Property/Cash/Drugs Recovered	\$592,107	\$72,375

Highlights

The face of program operations, RCMP Coordinator Sgt. Rob Cozine met with 9 detachments to review program activities and 8 rural, urban and/or First Nations representatives to promote our program and answers questions. SARM and SUMA Virtual Tradeshows were attended in 2021 and Sgt. Cozine held a webinar with stakeholders in May to present and field questions about the program. We hope to continue our public outreach in 2022 as restrictions continue to lift.

Other highlights include a digital billboard campaign in August that featured missing and wanted individuals along with a general awareness theme covering 18 communities with 375,000 plays and an estimated 6.5 million views. Our Facebook page continues to grow with now over 34,000 followers and an impressive 46% of all cases featured on the page being solved.

Thank You

Saskatchewan Crime Stoppers acknowledges the tremendous financial support from SARM and SUMA contributors, corporate and individual sponsors, and the successful partnership with the RCMP to operate the program.

The program would not be able to exist without this ongoing support and we look forward to continuing to work together with all our partners to ensure the security and safety of our communities.

GORD BAMFORD LIVES D3 KIN!!

He has already signed on to work with a couple of our clubs and is having a GREAT time! He is open to working with more of us! If this interests you, please review the link below that contains the template and all the info for a Small Town Tour. The #1 listed is the small town template which can be downloaded and all the other info listed is what can be provided for the Kin groups that are looking to partner with Gord to make it an easy process and so they have a full understanding of the event from start to finish.

"Happy To Meet, Sorry to Part..."

Remembering Life Member Bill Skelly

***It is with very heavy hearts that we share the news of
Life Member Bill Skelly's passing.***

***Bill passed away surrounded by loved ones on
Saturday, February 19th, 2022.***

***Bill was cherished by all who knew him and will be remembered for his
kindness, humility, and dedication to helping others.***

***Bill also leaves behind a legacy that is very significant for
Kin Canada and Cystic Fibrosis Canada.***

It is because of Bill that our partnership exists today.

***To read Kin Canada's full tribute to
Life Member Bill, please visit facebook.com/kincanada.***
