

NATIONAL SERVICE COMMITTEE NEWSLETTER

November/ December 2018

The Kin Fab Four

Kin CF-Liaison, Tammie Corbett; National Projects Coordinator, Christine Stahl; Alice Awweh, Cystic Fibrosis Canada; and Penny Lees-Smith, National Service Director.

The Fab Four worked hard last month to come up with an interactive, facilitated workshop rather than a boring old PowerPoint presentation for the Fall Leadership Conventions. We hope that you liked the new approach and it started you thinking about service in a new way. We are currently working on compiling all the remarks, comments and great ideas

that you came up with. We will be using the information to help us chart a course for the future of our service committee and to help us decide what you need to make your life in Kin easier. We look forward to moving into the future with your guidance!

2018 is almost over. This year Kin have done an amazing job exceeding our pledge yet again. Stay tuned in January for our final 2018 numbers.

The holidays are often a time where donations go down for CBS, so those that can, please make a point of donating in December or encourage others to donate for the first time and save a life this Christmas.

Spotlight on District 8's Fall Leadership Convention 2018

Reported by District Service Directors Kathy McFarlane and Gil Boissonneault

The Timmins Kinettes held a great conference with a lot of the time based on Kin Education.

The members present were pleasantly surprised on the effort of the District Team and Governor Amanda showed great Leadership. The Amazing Race portion was very Educational and Fun for all participants. 51 Participants were registered (which is good for the distance to travel), over \$3000 was raised for the Good Samaritan Inn and HREF through the fundraising campaign and a truck load of goods were collected again for the Good Samaritan Inn which burnt down a day prior to the conference.

It was a super FLC and it renewed everyone's faith in Kin.

Spotlight on District 1's Fall Leadership Convention 2018

Port Dover Kinsmen's donation from their Friday the 13th project. Wow! If you haven't heard they host a bike rally

every Friday the 13th, rain or shine. If you are in the area next Friday the 13th I know that they would love some help. Great job Port Dover!
