Family of Kin,

Amazingly enough, I'm sitting writing this with a smile on my face. It's been hectic since National Convention in Halifax, with no end in the foreseeable future. My work year-end is around the corner, and my calendar is full of Kin events too: life memberships, installations and club visitations where I am able to meet so many of our dedicated Kin family.

I am so grateful to my incredible team for making Pre-Terms this year an amazing weekend of learning and fellowship, and for getting a great start to the FLC agenda. We plan to make FLC an amazing weekend for everyone who attends.

In alignment with my mission, we are putting education out front and center. We will be conducting at least one Kin education camp, and are diligently working the forum for that. We have planned a couple breakout sessions for FLC, along with an open forum and discussion on service and service project ideas.

See everyone at FLC.
YIK, Rob Bateman

Objects of the Association

To promote and direct service work through fellowship amongst its Clubs and their members, to the end that:

- members of the Clubs may enjoy personal development through the Association;
- they may be improved and educated in modern business and professional methods and ethics;
- the involvement of all in the enrichment of their community may be stimulated;

- a spirit of co-operation, tolerance, understanding and equality among all nations and peoples be fostered and that unity of thought and purpose throughout Canada be established toward this goal; and
- they shall serve their community's greatest need.

Kin Motto

Serving the Community's Greatest Need

Mission Statement

Volunteers enriching Canadian Communities through Community Service, Leadership and Partnership

Vision

Strong, Healthy and Engaged Canadian Communities

Values

Excellence, Integrity, Accountability, Compassion, Pride, Fellowship and Inclusiveness

Kin Song

Here we are together once again
One and all a happy bunch of Kin,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Turn around; grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINETTES AND KIN!

Kin Grace

Happy to meet, Sorry to part,
Happy to meet again.
May the Lord make us true Kin,
In our thoughts and deeds,
And make us truly grateful,
For the food we receive.
Amen

Kinsmen Song

Here we are together once again
One and all a happy bunch of men,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Look around, grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINSMEN, KINSMEN!

Kinette Song

Here we are, together once again,
Happy in the Family of Kin.
We've forgotten cares and worries too,
Kinettes we've work to do!
Each of us will help to bind the tie,
So the heart of Kin will never die.
One and all let's raise our voices high,
KINETTES! KINETTES! KINETTES!

District III KIN,

I would like to first welcome everyone back and hope everyone had a fun filled summer. Since the beginning of September, I have had the privilege of attending Pre-term Meetings for the District III Council, my very first TeleMiracle Foundation Meeting and Governor Training in Cambridge, Ontario.

I am currently developing my team for next year, and look forward to working with some outstanding KIN moving forward. I look forward to seeing everyone again at FLC in Yorkton and getting out to visit some of your clubs this year.

SERVICE DIRECTOR

Hello District 3!

I am looking forward to working with you and your club on service this year.

While planning your events this year, don't forget about our partnerships with Cystic Fibrosis. Let me know if a Club is having a CF event so that I can get any materials or support that may aid in the event's success. Club donations help Cystic Fibrosis Canada to continue to work on a future where a diagnosis of Cystic Fibrosis does not have to mean losing a loved one.

Canadian Blood Services (CBS) & Kin Canada's partnership focuses on encouraging members to give blood and recruit other blood donors. Our current goal for District 3 is 50 donations, we are at 43 right now. We have until December 31/17 to make that happen. Find your nearest clinic and book an appointment to donate by visiting www.blood.ca. Our District ID Number is KINC110247. Together we can reach our goal!

I also want to remind clubs about National Day of KINDness, which is on February 24, 2018. I encourage you to make this a line item on your budget or spend some time thinking of some possible creative ways to get involved in your community! I'd love to see more clubs involved!

Service reporting by Clubs is no longer required after each event. There will be a form sent to clubs by email in June 2018 to complete. Tools are available in the member centre so that you can track your hours and dollars.

Are you are looking for project ideas to kickoff your year, to help bring the club together, recruit new members, have fun and help your community? National has released the Projects database. It already has many awesome projects to review, and will continue to grow. <http://www.kincanada.ca/projects>

Some very impressive numbers were revealed at National Convention this year. Highlights include raising \$1,186,583 for Cystic Fibrosis, bringing our total to over \$45 million throughout our 53 year partnership, and another \$47,000 for the students of Canada through the Hal Rogers Endowment Fund. And, of course, all Kin must be recognized for raising a truly astounding \$18,679,622 for the people of Canada.

Congratulations District 3 for your passion, commitment and dedication to make a difference in the lives of so many!

If you ever need anything, feel free to contact me at anytime.

KIN EDUCATION DIRECTOR

It's been a busy September. We started things off by holding a club information expo at the University of Saskatchewan & Regina campuses on September 5th. There was a lot of interest at both campuses, with over 100 potential recruits interested in joining the club. The campus clubs still need your support, especially at the start of the season, so if you're available to help guide these young minds and be a mentor, please stop by to help them, or mentor through the Kin Canada website.

We also went out to the Student Leadership Conference in Tisdale on September 21st. We were able to talk to several future leaders about Kin clubs and Telemiracle, and

Telemiracle Teddy even made a visit (apparently Teddy selfies are all the rage with kids these days).

Keep an eye out this fall for the unveiling of a new Kin Kollege program that we are just starting to plan out - an awesome opportunity to learn more about Kin and spend time meeting other Kin members with the passion to grow.

I hope to see you all at FLC in Yorkton, and if you have any ideas on how to make Kin Education better, I'd love to hear them; some of the suggestions I've been receiving this summer have been really great!

CLUB SUPPORT DIRECTOR

Hello District 3 Kin!

The summer has come and gone and that means a new Kin year is here. To all new members, welcome to the Kin family. I look forward to meeting and talking to all new members this year. To all existing members, welcome back. This is my 6th year being a member in Kin. I attended my first meeting not knowing anything about Kin. Since then, I've been secretary, president, past president and deputy governor. I also got the honour of being on Telemiracle 41 committee.

I'm excited and nervous to start on a new adventure as membership director/club support. It's an honour that district 3 has trusted me in this role.

I do have a few goals that I'd like to share with the district. I believe we can grow membership to new heights. I'd like to grow the district and add 3 new clubs in the next two years. With the help of our great members and fellow Deputy Governors, I think this goal is very achievable.

As of September 1st, we have 1,127 members in District 3.

My role is to also assist in club issues and conflicts. If there are any concerns in your club or just want to discuss Kin, by all means get ahold of me.

YIK, Brian "Magpie" Angstadt

Welcome back Zone D for another exciting year!

My name is Deanna Charbonneau and I am your D3 Awards Chair. I am encouraging all clubs to look at the many District and National Awards that are offered to us. D3 does so much great work for our communities and we should be recognized for it! Nominate everyone in your club who represents spirit of Kin.

There are many awards for individuals, clubs and zones at the district and national levels. As well, take a look

at the personal awards that are available at the national level. To get information on the national awards, visit www.kincanada.ca, under the membership center and then awards. There you will find a listing of all the national awards available to you.

If you have any questions please feel free to contact me at dlchoney@yahoo.com.

TREASURER

Hello District 3,

My name is Shantel Prentice. This year I have stepped up to fill the treasurer role on the district level. As some of you may recall from last year I was previously on the district as Deputy Governor of zone I. While I enjoyed my time as a DG last year I am excited, and a little nervous, for the new challenges and learning experience that will come with holding the treasurer position. With every new role there is a learning curve and this position is no different.

There are some large shoes to fill from last year as Rick did an Excellent job as our district treasurer, so I ask that you please be patient with me while I orientate myself to this new learning curve. As with any of the members on the district board I am here to answer any questions, concerns or any constructive feedback you may have. I am available by email at seprentice@hotmail.com or by phone at 306-859-7749. I look forward to another successful Kin year.

Hey D3!

I'm Kim, and if you haven't met me yet, well, I'm a bit of an energetic loud goofball... (yet people love me). This year I'll be taking on the double roll of Communications AND Saskin Editor... aka, you're never going to hear the last of me! *cue the menacing laughter*.

This year I will be cutting some things out of the Saskin to keep it shorter than last time, however, if you want to submit something, please feel free to do so! Content is great, and remember, it is YOUR magazine, so let me know what you want in it.

Thanks to all who submitted their write-ups and a special shout-out goes to Pam at TM HQ for wrangling up the TM ones every time! Super great helper for me! Submissions for the next edition of SasKin are due mid January, with the publish date of hopefully being the end of month January (give or take).

If you need anything sent out to the district via email for Communications, or need help finding something on the website, or just need some help with social media in general, feel free to ask me!

RISK MANAGEMENT

Happy fall to District 3 Kin!

Welcome back to all returning members and welcome to all new members in our District. As we start a new year, I look back to when I joined Kin in 2003. It seems like yesterday, but it has been an amazing experience. I have met so many fantastic people along the journey, all while serving the community and having lots of fun. District 3 has a great team in place and I am proud to be part of it as the D3 Risk Manager.

As Risk Manager, it is important to ensure all clubs send in their incorporation papers to ISC (Information Services). Secondly, you need to fill out insurance forms. The deadline is November 15. It is important to be in good standing as your club will be running events within the community.

A few other things for clubs are to use the Kin Canada website for resources. There is a Risk management Guide with forms related to mitigating risk. Secondly, I recommend that if your club holds activities where you serve alcohol to take the Serve It Right Course. For a small cost, it can be invaluable. Also, be extremely diligent when dealing with money and financial matters. It is important to have systems for proper management of funds within your club, and for money when raising funds. It is best to be proactive than reactive.

If you want help related to any events and risk, I can be reached at 306-921-4819. You can also email with any questions to trevismcconaghy@gmail.com. Hope to see you out at FLC in Yorkton. Have a great Kin year!

YIK, Trevis McConaghy

National President

Terri.MacCannell@cenovus.com
(Stampede City Kinettes)

NATIONAL PRESIDENT

Welcome to another new year in Kin! I am very excited to be your National President and I look forward to sharing and supporting all the amazing accomplishments you will achieve this year.

A new Kin year creates excitement amongst members. Reuniting with Kin friends, the anticipation of achieving successful projects and an overall amazing feeling that you are making a difference in your community is a positive way to kick off a year of greatness! A new year also creates a little apprehension for members taking on new roles. Strong clubs are built from strong members that feel supported, are confident and competent in their roles. It is every members responsibility to work together to ensure all members are successful in their roles

As I travel around this year I will be promoting my slogan "You've Got Something We Need". We often talk about what Kin has given us as members but it also essential to identify what it is that each of us contribute to Kin. Passion, leadership, inspiration, reliability and commitment are just a few of the qualities that members contribute. What qualities do you bring to your club? Do you use your qualities to promote a positive and encouraging environment? Appreciating and understanding what each of us contributes to Kin will strengthen our relationships and in turn create a strong healthy club.

Looking forward to seeing many of you at D3 FLC and TeleMiricale 42. Wishing all of you an outstanding Kin Year!

Zone A

All of our clubs are back into the swing of things, and there are some newly elected presidents out there with some great ideas on how to make our clubs even stronger. A lot of our clubs are welcoming new members to their first meetings and things are going great. We celebrated Macklin Kinettes 45 year anniversary of their Charter on September 30th, and it was a blast. Three Macklin Kinettes (Lori Cosh, Carry Bast, and Wendy Weinkauff) were awarded a life membership for their years of service to the club, and all were surprised and very ecstatic to join this prestigious group. We had in attendance many kin from other clubs, including

President Terri MacCannell, Governor Rob Bateman, and Vice Governor Jordan Kammer, and some original charter members from 1972.

We have a couple of events going on in October. Lloydminster Kinsmen are hosting Kin Karaoke on Saturday October 14th. The Meadow Lake Kinsmen are hosting a Video Game Tournament on October 22nd. Several of our clubs in our zone are going to FLC on October 27th-28th. We are also planning a club information meeting for Unity, SK - if you know of any friends who might be interested, please let us know!

Hello Zone D!

Another Kin year has begun. We have 2 Zone DG's, and our names are Deanna Charbonneau and Tessa Halldorson. We are both extremely excited to be your DG's. We are both members of the Saskatoon & District Kinettes. This is my third year as a knette and Tessa's 2nd year as a knette. We can't wait to meet all of you.

We have already installed one Zone D club and are looking forward to meeting all the other clubs for installation, as well as, for visitations. We just need you to inform us of when your clubs meet. If there are any special events that your clubs are having that you would like us to attend just give us a shout!

We want to encourage all our clubs to remember to apply for awards. We believe everyone should get recognition for all that their clubs do!

This year FLC is being held in Yorkton, Yup the shitter's full!!!! The dates for FLC are October 27-29th, 2017. Remember to have your clubs fill out and send in their accredited delegate forms so your clubs can vote! You can find the accredited delegate form at this website (insert here lol).

If you need to contact us or just want to shout out a hello, you can contact us at *thalldorson@sasktel.net* (Tessa) or *dlchoney@yahoo.com* (for Deanna).

Zone G

Hello everyone!

I am so thrilled to be the DG for zone G this year! Since Governor Rob's main goal is education this year, I hope to do my part to educate, coach, and be a resource to the clubs in zone G.

So far, I have installed the Assiniboia Kinsmen in June, and then, the Assiniboia Kinettes on Sept 18. Both of these clubs are fired up for the new Kin year. The Kinsmen have started their year with a Chase the Ace at 121 Steakhouse every Friday. If you are in Assiniboia on a Friday, stop by! Maybe you'll be the one to draw the ace! Stayed tuned for happenings with the Assiniboia Kinettes. Lots of exciting things are on their way.

September 26 was the evening of the Moose Jaw kinettes first general

meeting.. I was honoured to be able to join them. They have many new members, who are excited to be a part of this club. Their installation will be a joint one with the Moose Jaw kinsmen on October 23. Watch for pictures to follow!

The Thunder Creek Kinsmen will be hosting their annual casino night on October 7. Join them if you can! It should be a great night!

Please keep me informed of events in your club. I'll do my best to attend. Also, feel free to share on the District and Zone G pages. And of course, if you have any questions regarding all things Kin, please reach out. I'll do my best to get you the answers.

Fellow Kin, let me start by introducing myself. I am Brett Strong and I have been a member of the Queen City Kinsmen club since January 2016.

The new Kin year has been a exciting one for members of Zone H. There has been 2 life memberships awarded. Margaret Manz from the Queen City Kinette club was awarded her life time membership on September 14th. Darryl "Buzz" Shirley from the Estevan Kinsmen club was awarded his life time membership on September 23rd. It was an honour to be part of both of their celebrations and I would like to thank them both one more time for their countless hours of dedication and commitment, not only to their club but their communities as well.

My year as DG actually started in June with the Pilot Butte Kinettes. I was lucky enough to join them in the town's annual parade as Teddy. (I apologize to whoever got the costume after me, even though it was raining it was still hot out). It was a fun morning interacting with the community and watching the ladies not only promote their own club, but promote the Kin association.

Installations and club visits have started. Estevan Kinsmen and Kinettes along with Broadview Kin Club have had their 2017/2018 executive installed. Congratulations to all of the executive members. I know you will do a great job for your club. I will be visiting the rest of the clubs soon and look forward to meeting all of you.

YIK, Brett Strong

Zone I

Greetings Fellow Kin,

For those of you who do not already know me my name is Nathan Reiter and I work in the IT department for Horizon School Division. This year I also have the pleasure of being the Deputy Governor for Zone I. I joined the Watrous Kinsmen back in 2014 because I was new to town, wanted to meet new people, and wanted to give back to such a welcoming community.

Now that harvest is coming to a close the clubs in my zone are all starting to have their first meetings of the year. I have gotten ahold of most of my club presidents to find out meeting dates and to schedule visitations/installations.

My first installation is booked with the Humboldt Kinetite Club on October 16th. My goals for the year are to help make struggling clubs aware that they can reach out to the rest of the District for support, as well as bring clubs that have been absent at district events in recent years back.

I am extremely excited for this Kin Year and I cannot wait to see what it and my clubs have to offer!

YIK,
Nathan Reiter

Shantel and Brett managed to "Magpie the Magpie" at Pre-Terms... but revenge is a dish best served cold. Enjoy the suspense and the payback, folks!!

Pro AV
Professional Audio Visual Ltd.

OMG, There's an ad in my Kin Magazine.

Yes there is. *Who is ProAV? Why are they advertising in our magazine?*

ProAV is Saskatchewan based company that has been operational in the province for over 30 years. Our business is focused on all things Professional Audio/Visual. We are advertising in your magazine because we believe a partnership with the District 3 Kin Organization would be mutually beneficial.

What we offer are professional solutions to challenges you may have faced in the past. For example, if you need a guitar, you go to a music store. If you need a new TV, you go to a retail store. If you want to build a smart home, you go to a residential builder. But, who do you call when you need a professional sound system for your band? Who do you call when you need to set up a boardroom for your business? Who do you call when the local community center/school/church/arena needs some professional audio/visual work done?

What are we looking for from Kin? We believe, in your daily efforts to serve the communities greatest needs, you already run into challenges of not knowing who to call when you need to make AV improvements to anything in your community. What we are offering is a partnership with you. If you need audio visual for an event, gives us a call, and an opportunity to show you what we can do for you. If you are in need of design, sales or service for AV Systems (sounds systems, LED walls, Projectors, Screens, CCTV, Boardroom, Commercial building control, Digital signage), give us a call 306-565-0100, or email babrams@proavltd.com

Check us out here for more information: <http://www.proavltd.com/>

Also, we're always looking to expand our brand, and would be happy to have more brand ambassadors in this province. If you'd like to become a brand ambassador, ask what that entails.

FOUNDATION REPORTS

Foundation Board Chair

Good day Fellow Kin!

What a great start to the Kin year we have had here at the Kinsmen Foundation. I am beyond proud of this amazing team. We had our first meeting in September and it was once again a big one! 138 applications for funding were reviewed by the Board in a massive two day meeting. By Sunday afternoon, when our meeting wrapped up, we helped the people of this province to the tune of \$439,536.00! I would also like to take this time to acknowledge the hard work the Zone Reps put in. The hours upon hours it takes for a zone rep to prepare for

a meeting is extremely large. These Kinsmen and Kinettes take time away from family, friends, kin, and work to read files and gather information for a meeting. Thank you to all the Zone Reps and their families for the hard work you all do! If anyone is interested in attending a meeting you are more than welcome! You can contact myself or anyone on the board.

In closing, thanks goes out to the entire district for the hard work and dedication you all give to the Kinsmen Foundation and Telemiracle!

YIK, Scott Lamb
Foundation Board Chair

Foundation Board Vice-Chair

Hi Everyone!

I hope everyone enjoyed their summer and are ready for the busy year ahead. I had the privilege taking my Vice Chair seat at our first Foundation meeting in September. I won't lie, it feels weird sitting at the head of the table when you have sat around it for two years prior. I am thankful for the leaders that have held this seat ahead of me and grateful for their shared wisdom. I do have to say thank you one more time to the people that voted for me and gave me this incredible opportunity in my Kin career.

As usual, the September meeting is very large due to our break over the

summer. I do have to give a shout out to all of our first year reps on the board! They did a fantastic job representing their applicants and being their advocates. I look forward to an amazing year ahead!! Please remember that the boardroom door is always open and you are always welcome to join us as a guest so that you can get a good look at what happens. Each year there are vacated rep positions and we are always looking to educate and create more interest! Reach out and contact me at pamzonedtm@gmail.com if you are interested! Wishing everyone a wonderful Kin year!!!

FOUNDATION REPORTS

Eli Rizk - Past Foundation Chair

Greetings District 3,

As I write this note in early fall, it amazes me how quickly this incredible experience as part of the Kinsmen Foundation has gone. Summer was a great break and now the busy-ness of the fall taken hold. There are work commitments, family commitments and of course the hard work that is done by the Kinsmen Foundation.

Our new and returning zone reps came together once again in September to talk through the long list of applications. To paraphrase our song, they are a happy (and hard-working) bunch of kin. Our reps work very hard to help the people in our communities. It's not just

sitting in a meeting room for a weekend each month going through the applications. It's all the work each and every rep does in the days beforehand to get ready. The calls to the applicant. To the office or the executive to get some help or advice. Calls to our members at large to get help understanding farm income or a company's financial statement or to understand why a particular piece of equipment is suitable. Reps are self-driven and work hard on their own, but they don't work alone as they have a lot of support around them. It's a huge responsibility with a huge time commitment – but with an incredible impact to the lives of the people in need who need our help the most.

Talk to any one of the zone reps current or past and they can tell you first hand the feeling you get from doing the work and contacting the individuals afterwards with the news that will literally change their lives for the better. Martin Luther King Jr said 'Take the first step in faith. You don't have to see the whole staircase, just take the first step' If you're ready to take that next step to be part of this incredible team, come see for yourself what we do! Call the office (306)244-6400 and they will make arrangements to have you come and join us to watch us do our happy and sometimes hard work for our community's greatest need.

Respectfully Yours in Kin, Eli Rizk
Past Chairman, Kinsmen Foundation

Cindy Xavier - Foundation Executive Director

Welcome back, Saskin!

And a huge welcome to our new Kinsmen Foundation Vice Chair, Pam Massine, our Telemiracle 42 Chair, Susan Colbow, the TM 42 Committee and the Foundation Board members. With all the talent in the room it is going to be an incredible year!

I guess the change in the color of the leaves is proof that summer is on the way out and fall is settling in. Along with that, comes a new season of Telemiracle Fundraising! The Telemiracle 42 committee work is already well underway with the very capable guidance of Susan. It is going to be another exciting year for Telemiracle! Debra and Pa-

mela have been coordinating the work between the Office and the Committee. There is a lot going on already. Souvenirs are here and we are really happy with the selection this year. It is fun and new and I know they aren't going to last long! Producer Ian is already well into planning for the upcoming Telemiracle show, Sask Talent auditions are open for registration and we are ready to make the magic happen for another year!

There is a new crop of Board Representatives who have already sat in on their first full board meeting to present their applications. They completed their training with the Executive and office staff and worked on emergency applications over the sum-

mer. Our first board meeting was jam-packed and took a full day and a half! Our new board reps did a terrific job and are going to be great advocates for their applicants as well as fantastic stewards of the monies raised at Telemiracle.

I am looking forward to the year ahead, to seeing what new and fun (sometimes even a little crazy) fundraisers that Kinsmen and Kinette clubs will be planning. Your creativity and competitiveness are unmatched. And for your days of volunteering ahead - Thank you for all that you do in your communities and for the Kinsmen Foundation and Telemiracle!

Cindy Xavier,
Kinsmen Foundation Executive Director

FOUNDATION REP REPORTS

Zone A Rep

Hi everyone!

Hope everyone had a great summer. I am back for my second term as Zone Rep for Telemiracle Foundation. I really enjoyed the last two years on the Foundation Board learning so much about the people of Saskatchewan and all the great work the Kinsmen and Kinettes do for Saskatchewan.

I am so excited to be back and work alongside some great board members from different zones and get to know the new members. It is a lot of time

commitment to this Board but it is so worthwhile knowing you are helping people and organizations have a better life.

I am looking forward to what the year

will bring and meeting many more kin across Saskatchewan.

YIK, Louise Slater

Zone C Rep

Hello Fellow Kin!

My name is Judy Grimard and I am the Zone C Representative on the Kinsmen Foundation Board of Directors. I am a member of the Saskatoon and District Kinettes and currently sit on the Executive as the Vice President.

On September 16 I took part in my first Foundation meeting where 138 applicants received funding for a total of \$439,536.30. It was an awesome feeling making the phone calls after the meeting to let applicants know that their application had been approved,

and to hear the relief in their voice knowing that they can purchase that piece of equipment or that their travel expenses would be covered. What an amazing impact Telemiracle makes, not only on Kin, but on the residents of Saskatchewan as well.

If you are looking to enhance your Kin experience, call the office and come sit and watch the miracle of Telemiracle at a Foundation meeting.

Hello Zone B! I am so happy to be serving you for one more year on the Kinsman Foundation Board.

YIK, Sarah Sunderland

Zone D Rep

Hello from Zone D!

My name is Terri Troupe-Logue, and this is my first year as a Zone Rep on the Kinsmen Foundation Board. I am loving it! We had our first meeting of the year on Sept. 16th, where we handled 138 applications and funded \$439,536.30 to Saskatchewan residents in need. I can't begin to explain the emotions that you feel when you call an applicant and tell them that Kinsmen is able to help them! Whether it is a necessary piece of equipment that makes their daily life easier to manage, or funds to help them travel to another city to receive a

specialized medical procedure, it truly is an honour to be able to help! It's been an amazing start to the year with the other Zone Reps, the District members, and of course the incredible office staff! I am happy to be a part of it!

Kin plays a big role in my family! Many of you know my husband Adam, who is a member of POW City Kinsmen and is the Chair of Telemiracle 43. We have three Kin Kids: Carina, who is in her first year of university (and proud new member of the UofS Kin Club), and twin boys Alex and Adrian who are 13 and in Grade 8. I can't forget the furry

ones too, our dogs Lucy and Piper! I spend the majority of my weekdays teaching a very busy classroom of Grade 3 children at Borden School, where I have been working for 5 years now. In my spare time, I enjoy reading, birding, being in the outdoors, and spending time at our cabin at Whiteswan Lake.

Please let me know if you would like to attend a Board Meeting! Trust me, it will be an amazing and rewarding experience! Looking forward to the year!

YIK, Terri Troupe-Logue

Zone E Rep

Hello Zone E!

My name is Amanda Whyte and I am very proud to call myself a Kinette. I am the secretary of the Macklin Kinette Club, an awesome group of hard-working, dedicated ladies, celebrating 45 years in the community. September was a busy month with meetings getting underway and I can tell it is going to be an exciting year working with so many great Kin. I would like to say "Thank You" to all the board members for their support and mentorship in helping the new board members learn the ropes and for getting us through a busy September meeting. It takes a lot of work to prepare for a Foundation meeting, but the reward of letting applicants know they have been approved is very gratifying.

Outside of Kin, I am married to Shawn, have two high-energy children, Ronan (age 6) and Adria (age 2) who are very busy and keep me out of trouble. I run a day home, teach senior's fitness and run in my spare time.

Have a great year everyone, and I hope to see you at Telemiracle 42!

YIK, Amanda Whyte

Zone F Rep

Fellow Kin,

Those who know me, know that I keep my volunteer activities pretty close to the chest and am not much for public praise.

However, I feel like the work of the Telemiracle Foundation deserves a shout-out. My fellow board members and I have spent countless hours in meetings, talking to hopeful applicants, and helping those who cannot help themselves. None of this would have been possible without the financial support of the people of Saskatchewan, the hundreds of Kinsmen and Kinettes who fundraise for Telemiracle, and the dedicated office staff who keep the wheels turning and the lights on.

I'm extremely humbled to be a part of this incredible organization and am proud of the time I've spent on the board so far.

I'm thankful for the opportunity I've been given to represent Zone F, and am excited to see what my second year on the board brings.

Hello Zone H!

I am so honoured to be able represent our zone on the Foundation Board! We had our first meeting in September, which lasted a day and a half, and words cannot describe the feelings I had leading up to, during, and after the meeting. It was a lot of work getting ready for that meeting, but as everyone who has ever been on the Board will tell you, it's so worth it. I couldn't wait to get to get home from the meeting to start calling everyone. To hear the shouts of joy, the many words of thanks, the tears of relief and gratitude was very overwhelming. I was so proud to be their representative. And now I cannot wait for the next meeting!

I know we wouldn't be able to do all this great work without all of you and your fundraising for Telemiracle. So thank you! If you are ever interested in being my guest at a Board meeting this year, please let me know. You can contact me at kimirva@hotmail.com.

FOUNDATION REP REPORTS

Zone G Rep

Greetings from Zone G!

I hope everyone had a great summer break and is eager and ready for the upcoming year, it's going to be another exciting year! Truthfully, I couldn't wait to get back to the board room table this year. Even though the last meeting in June was a HUGE meeting (record number of applications), I missed the people that I've gotten to know so well over the course of last year. There were some new faces at the board table in September, and WOW, did they impress not only me but everyone at the table. These ladies are going to be a HUGE asset to the Foundation for at least the next two years! I was honored to be asked to sit on the Policy Committee for the upcoming year, which has only intensified the passion I have for the Foundation and the amazing work that we do as a team. The September

meeting was a day and a half meeting, and I loved every minute of it, and also the opportunity to get to know some of the new Reps a little better, and catch up with the Reps who are also joining me in their second year.

I have to tell you a story. I'm addicted to the phone calls after the meeting to let the applicants know that the Foundation has approved their request. It's a feeling like no other, it changes people's lives for the better, and the raw emotion you hear over the phone is so heartwarming. As I was driving home, filled with the good vibes from the first meeting this year, I decided to do something a little different. I stopped at one of my applicant's place and told her the good news in person. Now the joy and excitement that you get over the phone is incredible, but giving the news to someone in person

that the Foundation has approved their request, the emotion and joy that I saw firsthand will live with me for a long time. She hugged me so tight (the bruising has just subsided), thanked us all over and over a gain, she wiped tears of joy and that smile was pure joy and excitement. Even though her worldly possessions are very limited, she made me promise that if there was EVER anything she could do for the Foundation or Telemiracle that all we had to do was ask. That is why I do what I do, that is why I love my volunteer job, to know that you've made a difference in someone's life is worth anything else that comes along with this position. Thank you Zone G, for giving me this opportunity to represent you on the Foundation. I am and will be forever grateful for the opportunity that was bestowed upon me.

FOUNDATION REP REPORTS

Zone 1 Rep

Hello Zone I!

It is I, Jodie, returning for my last fall edition Saskin report. I am currently the president of my Humboldt Kinetite club. My family and I had an amazing summer at the lake; enjoying the sun, water, and sand.

Our first meeting of the year occurred September 16th and 17th. We dealt with

138 applicants and gifted just under \$440,000. We were able to socialize and build on our kin relationships during this weekend and looking forward to every month to come!

I encourage anyone from Zone I to reach out to me at jbmolsberry@sasktel.net. Sadly, this is my last year on the foundation board. I have enjoyed my last two terms as Zone I rep, but the

position is needing to be filled at our Zone conference in the spring. So please let me know if you have an interest in being my guest at a Board meeting this year. You can see where those funds go. I am still making a great effort to attend club meetings this year alongside with Nathan Reiter our DG.

Well, the Kinsmen TeleMiracle Foundation meetings have started with their usual excitement of being at the Board Table and feeling overwhelmed, wondering what you got yourself into! After 13 hours of meeting over 2 days, the feeling started to ease and everyone walked away tired, but feeling very grateful. Grateful for the time spent with friends, both new and old and grateful that we have the opportunity to

give back. Thank you to Cindy, Geneen, Debra, Ian, Wendi, Lori and Pam at the office for making sure all of the miracles happen every day. Thank you to the TeleMiracle Committee for working so hard to make the show a success years before it airs. Thank you to the Foundation Board for your work ethic and dedication to get the job done. But, most of all, thank you to all of the Kinsmen and Kinettes in Saskatchewan

that make all of this happen. It starts with supporting your members that fill these positions, and carries on to creating and organizing fundraisers for TeleMiracle and working at the show itself. Thank you and have a safe and enjoyable Thanksgiving.

Did You Know? (TeleMiracle Fundraising Awards)

There are TWO awards given out annually for TeleMiracle Fundraising?

- One award goes to the club that raises the most money in any given year.

- The second award goes to the most innovative and creative fundraiser.

Be sure to let the office know what your total is and how you did it so the staff can let the Kin judges know! The award for TeleMiracle 42 will be presented at District Convention in June.

TM 42 COMMITTEE REPORTS

Telemiracle 42 Chair

Hello District 3!!!

I hope everyone had a safe and happy summer filled with lots of laughs and memories made with family and friends. We have now started another KIN year and hopefully it too will be filled with lots of laughs and memories made with KIN family and friends.

For those of you who don't know me, I am from the Estevan Kinette Club and have been for about 17 years now. My fellow Kinettes refer to me respectfully as "their elder" due to my years in KIN and not my age - haha. I am very excited to have been chosen as your TM42 chair

and look forward to meeting new KIN in this role. Part of my duties as chair is to sit on the Board of the Kinsmen Foundation and attend their monthly meetings. I was a zone rep for 2 years so I understand the time and passion put into this position and I was very happy to be back at the table with new Board members. I have already met new KIN from around the province.

As chair I would like to have representation at as many fundraisers as possible. This is a very big province and, unfortunately, I will not be able to be at every one, but if you give me a heads up, I will do my best to be

there or, at the very least, try and have someone from my committee attend your event. I am also open to any ideas that you as KIN may have to make TM42 great. Please do not be afraid to contact me with any concerns from previous years or ideas for this year.

Thanks to each and every one of you who put in so much passion, effort and time to raising money for Telemiracle "Saskatchewan's Charity"!

YIK, Susan Colbow
Telemiracle 42 Chair

Shadow Chair

Greetings District 3!

I am extremely honoured to be writing this report in my new position as Shadow Chair for Telemiracle 42. We just had our September committee meeting and I had the opportunity to meet the rest of the team. I've been told that the hardest and most important part about being TM Chair is selecting your team. It looks like Susan has done a fantastic job here because they're a pretty amazing group of people and I look forward to working with them over the coming months.

Not to be outdone, I think I've selected a pretty amazing team for Telemiracle 43 and I'd like to introduce them. In no particular order, they are:

Public Relations – Brian Angstadt
Finance – David Kolody
Manpower – Allan Sklapsky
Corporate – Tiffany Wadden
Kin Coordinator – Shantel Prentice
Food Services – Tessa Halldorson
Facilities – Dan Holmes & Jason Lengyel
Security – Chris Rutherford
Staging – Jeff Keeler
Education – Erin Lengyel
Transportation – Roger Ireland

Thank you to all who put their names forward; it was a very tough decision.

I'm looking forward to auditions in November. Last year brought out a lot of incredible talent from around the province so I can't wait to see this year's crop! If you have family or friends that have a special talent, be sure to encourage them to come out and audition.

Hope to see many friends in Yorkton (AKA Walley World) for FLC!

Education Chair

My name is Jacinda Drew and I have been a member of the Estevan Kinette Club for 12 years. I have attended Telemiracle 11 times and have enjoyed the excitement and visiting with everyone. In my early years, I liked being a messenger until one year I had the opportunity to work with the toteboard kids and thoroughly enjoyed the experience. I have signed up for toteboard ever since because it is fun and the schools send some amazing students.

By the time you read this, I will have attended SSLC in Tisdale. Hopefully I can get the students excited about raising money for Telemiracle 42 and thinking about applying to be one of those great schools we work with every year. I am looking forward to seeing you all in March.

Corporate Chairs

Welcome back to Kin and a special welcome to all new Kin! We hope you all had a fabulous summer.

Three years ago, I asked Brittany how I could get involved in that Kinettes thing she was in and now we are corporate chairs for Telemiracle 42!

We have been brainstorming new corporate sponsors since TM41 ended! If any of you have "inside" connections to any company looking to increase or start a corporate giving or fundraising program, please pass them along by contacting one of us or by sending an email to corporate@telemiracle.com. Consistent corporate giving is a key to long term success for Telemiracle!

Cheers to a great Kin year!

Public Relations Chair

Hello District 3 Kin,

I am so happy to be on the Telemiracle 42 committee as Public Relations Chair. I am a member of the Assiniboia Kinette club and have been a Kinette since 2001. I was on the Telemiracle 36 and 38 committees and I feel very fortunate to be on Susan's team this year.

Basically, my job as PR Chair is to raise public interest in Telemiracle and promote the show. We know the Kinsmen Foundation is a very worthy cause, we just need to make sure everyone else knows that too so we can continue to help the people of Saskatchewan. I would really appreciate your assistance sharing events on social media and by word of mouth to make every Telemiracle fundraiser a success. Thank you!

Food Services Chairs

Hello D3!

There are two of us co-chairing food services for TeleMiracle 42!

I am Rebecca Bonokoski and have been a member of Kin for six years now. Currently I am a member of the Saskatoon & District Kinettes. I am very thankful to be a part of this year's Telemiracle committee and I look forward to everything this job entails.

I am Alicia Menke and have been a member of Kin for five years. I am currently a member of the Assiniboia Kinette Club. I am very thankful to be a member of this year's Telemiracle committee and I am looking forward to working with Rebecca and the rest of the committee in the upcoming months.

We are currently working on soliciting potential donors. If you have any contacts or know of any businesses who

would be willing to donate to Telemiracle, please email us at foodservices@telemiracle.com.

TM 42 COMMITTEE REPORTS

Finance Chair

Good Day Fellow Kin,

My name is Jake Porter and I am proud to be the finance chair for the Telemiracle 42 Committee. I am a member of the Weyburn Kin Club and am currently the past president of our club. I have been on several past Telemiracle committees and really treasure being a part of these groups. To sit around a table with old friends and interact with new ones to plan this event we call Telemiracle is a truly rewarding experience. I would like to encourage anybody who is thinking of joining the planning committee to go ahead and make the leap. You will never regret it. Our Kin organization has so much to offer outside of your local club...it is up to you to take advantage of it.

Jake Porter
TM 42 Finance Chair

Facilities Chair

With the new Kin year underway, so comes the planning for Telemiracle 42. Sean Olson and I are working together as facilities chairpersons. Susan has assembled a great team of people and we feel blessed to be a part of what will be another fun and rewarding experience on the committee. As there is much work involved with seeing the show through so is there great rewards and overwhelming feelings of triumph.

We would like to thank everyone who has been involved in the past and are looking forward to working with you all again this year. Have a safe and happy year as Kin and we will see you in March. There are phones to ring and totals to raise.

Security Chair

Hello District 3 Kin,

My name is James Jones and I am from the Estevan Kinsmen Club. I am very excited to be part of the Telemiracle 42 committee and I am eager to build on the positive success from previous years! I am relatively new to Kin and Telemiracle 42 will be my third TM that I have attended. I look forward to meeting some new individuals along this journey and reconnecting with friends from previous shows. I have been amazed by the annual success of this event and truly feel blessed to live in such an amazing province!

I am eager to take on this new challenge as Security Chair and I want this to be a safe and prosperous event. I want all people in attendance to feel welcome and safe. I will be continuing Jason Bacon's goal of Mission Zero- no alcohol related problems at this incredible event. In the coming weeks, I will be looking for security volunteers and security captains. Please consider joining my team as we strive to make TM 42 an incredible event!

Staging Chair

Greetings D3!

In a few short months, Telemiracle 42 will be here!!!! I'm excited and honored to be putting together the stage for THE SHOW, with one of the newest clubs in the District. The actual event of TM is somewhat foreign to most of our club members, but I know each and every one out in the District

will welcome us all with open arms. That's what Saskatchewan is all about, that's what Kin is all about, and that's what Telemiracle is all about. We will do our absolute best to make our club, our surrounding communities, and our District proud! Although I haven't been able to attend many TM meetings yet, I'm excited about the team that our chair, Susan, has put together. We have

strong leadership, a strong sense to work together and we'll make this one of the best shows that we've ever seen! Stay tuned for more updates...it's going to be an exciting few months!

How To Book Teddy

Due to STC's closure, we are currently without a shipping option for Teddy. Until one is found, clubs are asked to arrange Teddy's pickup and return to the Foundation Office in Saskatoon. Thank you so much for your patience, understanding and assistance.

To schedule a pickup with the Office please call Pamela at 306-244-6400 Ext. 4 or kin.pamela@telemiracle.com and let her know:

1. What day(s) you need him so she can check the schedule to make sure that he is available;
2. Club requesting Teddy;
3. Contact information of the person who will be picking Teddy up (name and phone number); and
4. If you need any additional supplies – balloons, stickers, etc.

Thank you again for your help and patience!!

FOUNDATION MEETING DATES/DEADLINES

Employee Matching Donations

Many businesses offer matching programs for employees who want to donate to their favourite charity through their place of employment.

Matching programs are designed to support organizations which employees are passionate about, like Telemiracle!

How does it work?

An employee submits a matching gift request to their employer after making a donation. The employer will then make a similar donation to the nonprofit organization. Both the employee and

the employer will receive a tax receipt for their portion of the donation. It's a win-win!

Other entities such as United Way, will be the charity of choice for an employer to submit employee donations. United Way allows employees to designate a charity for their donations. Did we mention Telemiracle?

Ongoing donations add up!

One of the benefits of donating through your employment is that you are giving all year long to your favourite charity. One donor, who has been donating

to her charity through her employer for over 20 years, said that she keeps doing it this way because it is so easy. And she knows that her donation is going to a good cause!

Giving \$20 a month for one year, with an employer matching that amount, means \$480 to continue "Helping People Every Day"!

We want your club photos!

Our communications team is looking for photos of your club with your town sign or a town landmark...something with your town name visible. Get your club together, take a few photos, and have some fun! These photos will be used as part of our social media and marketing campaign for Telemiracle 42!

Please submit one or two photos by November 30, 2017, to kin.debra@telemiracle.com.

ASSINIBOIA KINETTES

Books for Bikes

For three years the Knette Club of Assiniboia has sponsored a Books for Bikes program. In a nutshell, the program promotes literacy by supporting the literacy initiatives put forth by the schools in Assiniboia. At the Pre-K to Grade 4 school, the students must receive a blackout on a monthly bingo card full of reading activities to receive an entry, while at the Grade 5 to Grade 8 school, students must complete a little write-up about a book they've read which is then posted in the school's library for an entry. At the end of the school year, one lucky student from each school is chosen as the winner and can select any bike from Harvey's Home Hardware in Assiniboia, who sells the bikes to the Assiniboia Kinettes at cost. The winner also receives a bike helmet from Safe Communities Assiniboia. The Saskatoon Kinettes run a similar

program, which served as the basis for the Assiniboia project. Working directly with the schools, the club's primary focus is to get kids to read and to provide a reward for positive actions. The program has been well received by the schools and last year there were over 300 entries in the Pre-K to Grade 4 school.

On September 27, Assiniboia 7th Avenue School, which has students from pre-kindergarten through Grade 4, welcomed Lisa Martin, the project chair, into the gym for the 2017-2018 Books for Bikes Kick-off. In front of almost 250 students and faculty, Lisa talked about the club, the program, the requirements and when the draw will be held. The presentation ended with the reading of a fun children's book titled Skippy Jon

Jones and the Great Bean Caper, with help from the kids through the use of a giant flash card! (When the flash card was held up the students had to yell "Skippy Jon Jones!" and they did a great job!)

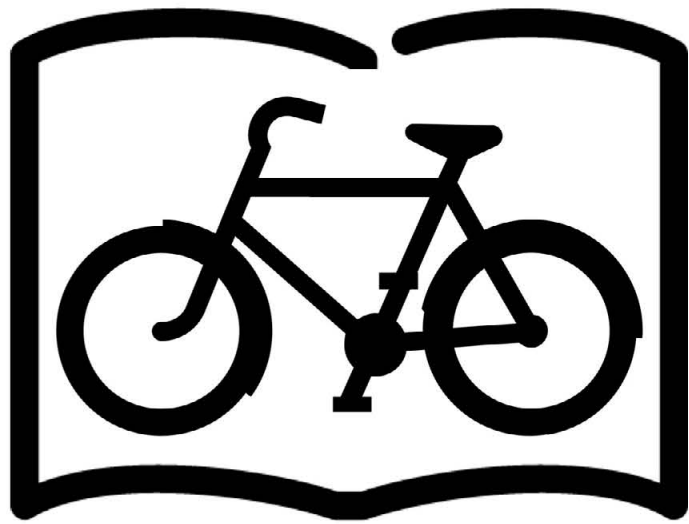

The program will be launched at Assiniboia Elementary School, Grades 5 to 8, after Christmas.

The Assiniboia Kinettes are pleased to work with community members and businesses to have such a successful and rewarding project. For more information about this project, please email assiniboia_kinettes@gmail.com or contact us through Facebook (@assiniboia_kinettes) or Twitter (@assiniboia_kin).

PRINCE ALBERT KINSMEN

2017 Sports Celebrity Banquet

The Kinsmen Club of Prince Albert is proud to announce hockey legend Doug Gilmour as the featured guest speaker for the tenth annual Kinsmen Sportsman Dinner.

Doug Gilmour is a Stanley Cup winner and a two-time NHL All-Star. He was inducted into the Hockey Hall of Fame, and his uniform, number 93, is retired by the Toronto Maple Leafs.

This year's Kinsmen Sportsman Dinner will take place on Saturday, October 28th in the Ches Leach Lounge at the Art Hauser Centre where the P.A. Kinsmen Male and Female Athletes of the Year and Sportsperson of the Year will be honoured.

The evening will include an open free bar, live and silent auctions, and games and opportunities for great prizes to be

won. Tickets for the tenth Annual Kinsmen Sportsman Dinner can be purchased at both the Raider Office at the Art Hauser Centre and the Kinsmen Club of Prince Albert. Call 306.764.5348 for more info.
