District 3

Fall Edition 2022

**Grow your Club,
Grow your Potential**

Objects of the Association

To promote and direct service work through fellowship amongst its Clubs and their members, to the end that:

- members of the Clubs may enjoy personal development through the Association;
- they may be improved and educated in modern business and professional methods and ethics;
- the involvement of all in the enrichment of their community may be stimulated;
- a spirit of co-operation, tolerance, understanding and equality among all nations and peoples be fostered and that unity of thought and purpose throughout Canada be established toward this goal; and
- they shall serve their community's greatest need.

Kin Song

Here we are together once again
One and all a happy bunch of Kin,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Turn around; grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINETTES, AND KIN!

Kinsmen Song

Here we are together once again
One and all a happy bunch of men,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Look around; grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN! KINSMEN! KINSMEN!

Kin Motto

Serving the Community's Greatest Need

Mission Statement

Volunteers enriching Canadian Communities through Community Service, Leadership and Partnership

Vision

Strong, Healthy, and Engaged Canadian Communities

Values

Excellence, Integrity, Accountability, Compassion, Pride, Fellowship, and Inclusiveness

Kin Grace

Happy to meet, Sorry to part,
Happy to meet again.
May the Lord make us true Kin,
In our thoughts and deeds,
And make us truly grateful,
For the food we receive.
Amen

Kinette Song

Here we are together once again
Happy in the Family of Kin,
We've forgotten cares and worries too,
Kinettes we've work to do!
Each of us will help to bind the tie,
So the heart of Kin will never die.
One and all let's raise our voices high,
KINETTES! KINETTES! KINETTES!

District 3

Greetings District 3 Kin!

Welcome to the 2022/23 Kin year. This year as we come out of Covid restrictions and get back to normal operations, I'd like to acknowledge the struggles we have all had both personally and within our clubs. The last 2 years have been difficult on many and I'd like you all to know that if there is anything you are struggling with, the District Team is here to lend a hand. Need some manpower, just ask. Need a shoulder to lean on, just ask. This is a team of passionate, caring people who are ready and willing to lend a hand in whatever capacity you need.

This year we are focusing on growing clubs and growing the potential in our members. We are always looking for up and coming leaders and we know there are many great leaders within our clubs. The year has started off strong with many new and exciting events planned in our communities as well as bringing in some amazing new members to our clubs. Let's see your potential D3!

This year we will be doing some "How To" videos and posting to our newly created YouTube channel. Things like "How to do Insurance Reporting" and "How to Complete Your Annual Incorporations Reporting" etc. We will also be showcasing clubs and members in our District 3 community so please let us know what is happening in your area and we would love to report on your events and special milestones.

As always, my door is open for any comments or feedback you may have, or even just to say hello. I look forward to connecting with our members and clubs in the coming year.

YIK,

Tammy Allan
Governor
tallan@kincanada.ca

GROW YOUR CLUB, GROW YOUR POTENTIAL

2022 – 2023

Assiniboia • Coronach • Davidson • Dinsmore • Eastend • Estevan • Gull Lake • Humboldt • Jansen • Kerrobert • Kindersley • Kinistino • Lashburn • Lloydminster • Lucky Lake • Macklin • Maidstone • Martensville • Meadow Lake • Melfort • Melville • Moose Jaw • Moosmin • Nipawin • Norquay • North Battleford • Outlook • Parkland • Prince Albert • Regina • Rosetown • Saskatoon • Shellbrook • St. Brieux • St. Walburg • Sturgis • Swift Current • Tisdale • Thunder Creek • Unity • U of S • Wadena • Watrous • Weyburn • Wynyard • Yorkton

Hello District 3!

My name is Paula Sundquist and I am excited to be your Vice Governor this KIN year. I have been a member for almost 20 years with the Swift Current Kinettes and have enjoyed every moment.

My husband and I have lived in Swift Current for 25 years and raised three daughters there. Our eldest Caitlin lives in Regina (with our grandson Cashton), Kylana lives in Swift (with her 2 dogs) and our baby Kendra lives in Kelowna and is attending school.

Serving on the District team has been a passion of mine since the first year I was involved with Kin. I have been in the roles of: Service Director, Risk Manager, DG, and Coordinator. However, the position I consider to be the best I've had was one very few know of: Rick's Manager (there is a story to this, please ask it is quite funny). After my three-year commitment as Vice Governor, Governor, and Past Governor my goal for the future in KIN is to pursue and be a part the National Education and Training Committee. Until that time comes, I will learn everything I can to become your Governor next year.

I am still currently looking for individuals fill to my team. While the roles of Awards and Service Director have been filled, the following are positions that are still open:

- Communications
- Treasurer
- Risk Manager
- Secretary/Coordinator
- Education

One position that is a part of the Executive that I will outline is Club Support, this position is a 2-year term and will be voted on by the membership at District Convention 2023. If this is something that intrigues you, please reach out and I will try my best to answer all of your questions. I am attending FLC and will take the time to talk to you during the weekend. Brittany Lamb is currently in this position and is also available to answer anything you might want to know. If you are on the fence and are unsure if the District Team is for you, please reach out and ask questions - ask the person who is or has been in that position.

DG's are a vital and important part of the team. When in this role, you act as the liaison between the club/membership and the District Team. If this role is something you might like to try, feel free to attend your Spring Zones and put your name forward. DG is a position that is voted on by your peers during the spring meeting.

There will be a QR code posted on the District FB page and website, that will link you to information about the Executive along with job descriptions. The code will also include a form you can fill out; this form is to give me an idea of who within our membership might be interested in joining my team next year. I ask that you please use your real names. This is not an application form; this is a way for me to try to communicate to our members within D3, as I can not get to all the clubs. Please share it with your members that are not able to attend FLC.

NOTE: The code will only be available after FLC.

One last thing I wanted to leave you with is my motto for next year. It will focus on the Past/Present/Future.

Explore the past.... bring back some traditions
Nourish the present.... take care of the members we have at present
Inspire the future.... become stronger to grow our District one member at a time

YIK,

Paula Sundquist
District 3 Vice Governor
psundquist@kincanada.ca

Past Governor's Report

Hello District 3 Kin!

Welcome back to all returning members and welcome to all new members in our District. A new Kin year creates excitement amongst members. Reuniting with Kin friends, the anticipation of achieving successful projects, and an overall amazing feeling that you are making a difference in your community in a positive way! As we start a new year, I look back to when I joined Kin in 2013. It seems like yesterday, but it has been an amazing experience. I have met so many fantastic people along the journey, all while serving the community and having lots of fun. District 3 has a great team in place, and I am proud to be part of it as Past Governor. We have attended DLS (District Leadership Seminar) and Pre-Terms this year; and have learned many things that will help the members in the year ahead. Please don't hesitate to contact one of us if you need anything.

There is an incredible amount of knowledge in our District. Look around you, who do you see? Are they a Past Governor? A Life Member? A Past President? Past District Executive? TeleMiracle Board Member? Foundation Board Member? How much can you learn from the experiences of others RIGHT HERE? We can learn a lot from each other, but we can also share our experiences, everyone is unique and brings something different to the organization. By having the conversation, we create the "Family of Kin" that we love so much. And this helps us to evolve with new ideas, to help our clubs and communities, and to grow as individuals; to expand our personal strengths as well as see the best in others.

I am looking forward to spending time with our Kin Family at our Fall Leadership Seminar in Melfort. I often find that our sparks are rejuvenated after a conversation, club visit, phone call, event, service project, TeleMiracle, or meeting.

YIK,

Michelle Stepp
District 3 Past Governor
mmiller@kincanada.ca

Communication Director's Report

Hey District 3!

I'm sure you are all sick of hearing from me whether it be via email or on social media, so I will keep it short. For those of you who don't know me I have been a proud member of Kin since 2014. I joined Kin in 2014 right out of high school as I grew up a "Kin Kid" and have been a part of numerous different clubs over the years, with the Moose Jaw Kinettes being my current club. I am a Commercial and Agricultural Business Advisor at Conexus and when I'm not working or busy with all the MANY great ideas the team (Corinne) has come up with for me, you can find me and my partner out with our dogs, horses, and cows.

Our team has hit the ground running and I have tried to share as many of your posts as possible on all forms of socials media. If you have an event that you would like shared, send them to me via email, or even just tag the district page in the comments so I see it. Although you may not think of me when you reach out to the executive for help, there are many things I can help with.

Feel free to reach out to me at any time for help with these things:

- Emails to the district, a committee, zone, or even clubs,
- Share your posts on our public [social media pages](#),
- Add new members to the email list, or update existing ones,
- Advice on how to best run your social media accounts,
- How to make eye catching posters, pictures, and videos,
- Pretty much anything tech related (microsoft programs, google drive, teams, google forms, etc.)
- Anything else you can think of. I am here it help in any way I can!

If your email isn't full of emails from District 3 Kin every week, you may not be signed up for our email list. You can sign up for it [here](#) to ensure that you are kept up to date with everything going on throughout the year. I look forward to continue working with you all this year!

YIK,

Michelle Duckworth
District 3 Communications Director
mduckworth2@kincanada.ca

Risk Manager's Report

Hello District 3!!

I am excited to be working on the district team again and I am excited to be in a new challenge as District Risk Manager!

As most of you know, the November 15th deadline date is just around the corner! Please make sure that your club has completed all the requirements (as noted above).

There is a new policy change to report this year - National dues will be billed to clubs in two parts. The first half of National dues was sent out. This dues billing was based off the roster numbers for each club as of September 30, 2022 and the deadline for payment is November 15th, 2022. The 2nd dues invoice will be based on roster numbers as of January 31st, 2023 and the deadline for this invoicing will be March 15, 2023. Please make sure to have your rosters up to date! It was also noted in an email sent out from national that all dues paid via credit card will be charged a 3% convenience fee.

As always, please ensure that you are applying for insurance for EVERY project your club is doing. If your club does not request insurance for a project, you not only put your club and its members at risk, but the entire organization at risk as well.

Incorporations can be a struggle for some clubs. And many questions involve the financials of the club and how to report them to incorporations. Our National President Cameron Kemp made a great suggestion to reach out to the lawyer & accounting firms in your community and see if they will assist your club with your financial and incorporation needs as a donation of time. Many of these firms are suggested to donate time back to their community and this may be a way for clubs to get assistance...it never hurts to ask.

The Deputy Governors and I are working hard to make sure that all the requirements are completed on time by November 15, 2022. So please make sure to reach out if you have any questions or struggles regarding the November 15th deadline items or if you require assistance at anytime throughout the year. You can reach out to me via email at: mkirwan@kincanada.ca or text me at 306-730-7733.

Yours In Kin,

Melissa Kirwan
District 3 Risk Manager
mkirwan@kincanada.ca

Important Dates to Remember

Don't forget! Each year in November, clubs have some important administrative to-do items in order to remain in good standing with Kin Canada, including:

- First Dues Billing
- Annual Good Character and Community Good Standing Declarations
- Insurance Reporting Form
- Proof of 2021 Incorporation Filing
- Criminal Record Checks for Club President and Club Treasurer
- Authorization and Consent Form for Presidents and Treasurers who have never submitted one previously

There will be an extension on District Dues this year. Watch out for more information about this.

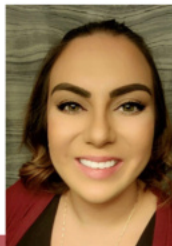

Club Support Report

Hello District 3 Clubs!

I'm Brit Lamb, your District 3 Club Support Director. I have been a member of the Kinette Club of Tisdale for 6 year and have been in kin since 2012. This is my second year as your Club Support Director, I'm very excited to see what 2022/2023 has in store for us as we get back to what seems like a normal life. I have held the position of president, treasurer and secretary at the club level, I was also a Foundation representative for 2 years and the Zone B Deputy Governor for 2 terms. It's safe to say that Kin has been a big part of my life. As District Club Support Director it is my role to support the clubs in creating a healthy environment, strengthening club cohesion as well as help with setting goals for clubs to recruit and retain members. I am here to provide education to all clubs whether you are struggling, wanting to form a new club or just want to learn more about the association. I am excited to be able to sit down and help a few clubs sign up new members this year as they have already reached out for some guidance. National communication, Club Health Assessments, or marketing are all things that I can assist you in.

If there is anything I can help you or your club with please feel free to contact me. I am always here to help and support you throughout your Kin year for anything you might need.

YIK,
Brit Lamb
District 3 Club Support Director
blambekinCanada.ca
(306) 921-3015

Education Director's Report

Good day from your Education Director... or ED if you will.

Please know that my whole job is to help you know as much as you want or need to know! So how can I help?

- Request a club leadership seminar - to help you learn the roles and responsibilities of the executive
- Request a Kin Kindergarten - teaching the building blocks of Kin
- Attend a Kin College or Kin Masters
- Check out the upcoming new YouTube channel for "Real Stories" and "How-Tos"
 - Bookmark this [link](#) for easy access to the page
- Call or email at any time 306-280-1727 or cmathews@kinCanada.ca

If you have ideas or suggestions, comments, or concerns I am all ears... Kin Kindergarten is not my idea ... All the best ideas are stolen or are generated from great questions, and I am grateful for all of them.

Thank you!

YIK,

Corinne Mathews
District 3 Education Director
cmathews@kinCanada.ca

How To Videos to Come:

- Insurance Reporting
- Filing your incorporation
- Filing your T2 taxes
- Amalgamations
- Membership changes in iKin

If there is something you would like to see that's not on this list, reach out!

Service Director's Report

Good day family of Kin,

I would like to introduce myself; I am Steve Kirwan of the Melville Kin Club, I will be your 2022/23 District Service Director. Service is the Heart of Kin, we do so much within our communities and service partnerships, we are forever giving our time and energy with the goal of making something better for someone else, or just to pick up the slack where needed to effect change in others' lives. This year I will be focusing on pushing the partnerships with the Canadian Blood services and CF Canada. I will help you and your club find new and exciting ways to promote your service projects, by getting the excitement out to the masses. We as a service organization have always done great things, we just need to share our accomplishments. When you have completed a project, send me some pictures, a description of the project so we can celebrate your success together. Below you will see a few QR codes that will link you to some helpful links, I have put together a Service reporting Google Doc, this will allow you to submit for every project, giving me the information to track and taking it off you to track.

DISTRICT 3 SERVICE REPORTING QR CODE

KIN CANADA SERVICE PROJECT DATABASE

I hope to meet with you at FLC, over the phone or through email.

Yours in Kin,
Steve Kirwan
District 3 Service Director
skirwan@kincanada.ca

Awards Director's Report

Hello D3 Kin!

I am so excited that another year of Kin is here. I am Stephanie Bailey, your Awards Director for the year. I have been a member of Kin since 2013, mainly with the Regina Queen City Kinettes (I did spend 2 years in D4 while in school). I have been on the executive a number of times, and am currently our club President. I am also on the Foundation as a Kin Member at Large and was previously DG for Zone H. I decided to expand outside my club once I finished school in order to learn more about the Association and our District as well as push myself into roles I never thought I would do. This is definitely one of those roles. As your Awards Director, my job is to help us recognize our amazing Kin throughout our province through our District awards as well as National Awards. I encourage you to think about members you know throughout our District - whether in your club, your zone or on the other side of the province, that you see do amazing things and help us recognize each other. This year I am continuing on with the Heart of Kin and Kin CommUnity Awards throughout the year. I am also working on continuing the work of online application for awards. The Awards Package will be available soon with all this information included!

Yours in Kin,

Stephanie Bailey
District 3 Awards Director
sbailey@kincanada.ca

Foundation Chair's Report

Good day D3,

I hope everyone's year has started out as good as the Foundations year has. We have had two in person meetings and just finished our AGM. We have the highest total ever for the board to grant and have already successfully granted \$1.6 million to-date and will be announcing some exciting things as the year rolls along. Our next meeting for November is a zoom meeting and back in person for the December meeting and our annual joint Christmas party. We have added another board rep, Kin Member at large and this will be a two-year position as the other on alternating years. We have had a few changes on the board some familiar faces are back to fill in where needed and all in all have an amazing board as usual.

We are always looking for new faces to sit at the table and if you are at all interested, please reach out to any of the board members and discuss a position.

YIK,

Rob Bateman
Kinsmen Foundation Chair
robbateman@sasktel.net

TeleMiracle 47 Chair's Report

Family of District 3 Kin,

I hope the start to your Kin year has been good! It is great seeing all the fundraisers already taking place for #TM_47.

The TM47 committee's year started off with the announcement of the TeleMiracle producers Norm and Charlene retiring. Norm and Charlene had produced the show for four years in four different venues and Covid! That is no small task! We wish them the very best, and have already got confirmation we will be seeing them working production this year at 47!

The week after TM 46 the hunt for new producers began. With lots of trips to Saskatoon, emails and zoom calls we had found the replacements. On May 2nd we announced our new producers! Welcome to Kin! Jody Polowich, Adrienne Fedorowich and Josh Fedorowich! Jody, Adrienne and Josh have been contracted to produce the show for the next 4 years.

TeleMiracle 47 will be February 25th and 26th Live from Prairie Land Park in Saskatoon. We are happy announce that we will be bringing back what was formally known as "Kin Hall" that will be renamed "TeleMiracle hall." Here you will find Manpower Desk, Food Services, Production desk and a place to gather with fellow Kin and production Volunteers. This will also be where we hold our post show social and supper with all of our amazing volunteers!

The other new item you will be seeing at the show this year will be a new stage! So stay tuned for updates on that!

I look forward to seeing all of you at TeleMiracle 47! Ring those phones!

9 fingers 9 million!

Scott Lamb
TeleMiracle 47 Chair

Zone DG Reports

Zone A

Hello D3,

Well Zone A is off to another busy year, I have been able to visit about half my clubs already doing installations, and visiting with some great members. I've been soaking in all the knowledge trying to learn as much as possible off of these clubs. And I thank you for being patient and for all your guidance.

I attended Lloydminster Kinmens Hoedown, and what a night that kept us dancing into the wee hours of the morning. Lloydminster Kinettes had us out to bartend their Ladies night. So many smiles and laughs filled the hall. You could tell the ladies needed a great night out, and The Kinettes provided a fantastic night for them. St. Walburg was able to help their local school out with some well needed appliances within the Home Ec room. Helping kids with these building blocks goes along ways in helping make successful relationships with our organizations, and our communities. Unity Kin will be hosting Quick Dick McDick in the near future, plans are under the way. If it's anything like their Gord Bamford concert, they are sure to impress with a wild night. Macklin Kinettes are coming off a high on another successful bones tournament and Telemiracle fundraisers are being executed. But what tops that off for this club you ask, well it's the Macklin Kinettes 50th Anniversary. I'm excited to see what's planned for their celebration, stay tuned. Meadow Lake Kinsmen are busy getting ready for their upcoming Gord Bamford concert, which will see a fun packed night for this group. Small but Mighty, The Meadow Lake Kinettes have been quiet for the last little bit. Mom's pantryfundraiser is happening as we speak, once over, plans are definitely underway for this group for an upcoming event, stay tuned with more info to come. Lashburn Kinettes are eagerly looking forward to the Christmas Craft fair held in Lloyd, where they run the information booth and sell 50/50's. They were busy running wedding bars, and working with Lashburn School to put together "Meals for Students". Great job!! Maidstone, Maidstone, Maidstone Kin Club, what more can I say, Flock off fundraiser done for another year, CF run done, and a Town Christmas Party upcoming. The team is busy planning upcoming events. All groups are looking forward to Telemiracle and helping out, I know I can wait.

As I've been out and about, and on the phone with my clubs, you can hear excitement in their voices when they chat about new members and potential members, which has been these groups focus this year. Such a contagious atmosphere. But I'd like to strongly remind groups, that we are all a team, look down the road to your fellow Kin groups and extend your hand to them, exchange hours or collaborate together. More hands, make lite work. Some groups struggle putting on big events do to manpower. Help is always next door, you just have to reach out and ask. Here's to another successful year D3.

Yours in Kin,

Chris Zerr
District 3 Zone A Deputy Governor
czerr@kincanada.ca

Zone B

Hello from Zone B, and FLC 2022, hope you have fun and enjoy your stay with us in Melfort, District 3 Kin.

This year I been a real bug to my clubs. I have a WhatsApp group for the presidents, Facebook group, a group email and I also text. I'm sure they want to call me another B word! I've been fortunate, as 4 of these clubs, have returning presidents and another club, the president is a past president. Anyway here is what's happening in Zone B.

Nipawin Kinsmen

I was able to attend their October meeting for executive installations. They are planning selling raffle tickets for some great prizes. Their TeleMiracle fundraiser will be a very successful toilet drop. President is Spencer

Nipawin Kinettes

we have been slowly working to get this club back to active status, with 4 new members registrations have been completed, just waiting on their CRC's. There are another 3 new members in process as well. We will be seeing great things from these ladies. Presidents are, Kacey & Rachel.

Tisdale Kinettes

Fall Mini photos were held in October. Also on October 25, meals for Miracles. They have a paint night and social on November 3. I'm sure that will be fun! Also their annual craft show is on November 19. Always something to do with those Tisdale honey bees. Hopefully I can get over there soon for their executive installations. I know spring is a few months away, but Tisdale will be hosting our spring zone's meeting. President is Alicia

Tisdale kinsmen

They are planning an upcoming poker night. Also at their next meeting, they will be signing up 7 new members. Good of kin for Dan, as he has joined another awesome club, congratulations on becoming a grandfather. President is Dan

Melfort Kinettes

I have installed a couple of executive members, yikes! I need to at least install my own club. We held a bring a friend night, we dressed in our thrift store attire. It was a fun evening. October 18 a successful Steak night fundraiser in support of our fellow Kin Eric Zabos. We have our successful Flock of flamingos, flocking around town. But they will be flocking off soon, to a warmer place for the winter. FLC hosting with Kinsmen. President is Shannon

Melfort kinsmen

FLC hosting with Kinettes. Of course you know this, as you are here! LOL Also hosted the steak night fundraiser for kinsmen Eric Zabos, with Kinettes. Next up, November 4 & 5, and is the 41 Robert Henning annual Roosters Hockey tournament. Should be 43, but well You all know, the last 2 years. President is Mike

St. Brieux Kin

It's been an exciting fall for the St.Brieux Kin Club so far. In October they received a Gazebo and garden shed for their new green space. They have a paving stone campaign going on right now where people can order a paving stone to be placed on on the walkway. This will be a great way to honour a loved one or have your family name on a stone. They will be having a wiener roast with hot chocolate towards the end of November to celebrate with the community. They have a Christmas in a box raffle that they are about to get started on as well as a Telemiracle Day fundraiser in the works. October 20 was their social night, during their regular meeting which was a great success with new potential members. On Halloween they are hosting their first family dance. I'm sure that will be a great success. President is Eleisha

Kinistino Kinsmen

Completed their playground upgrades in the summer. They've just had their first meeting of the fall, I know they will be hosting some great events. President is Steve

Yours in Kin,

Nancy Hamilton
District 3 Zone B Deputy Governor
nhamilton@kincanada.ca

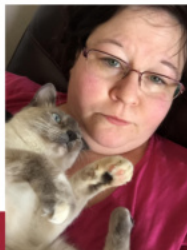

Zone C

Welcome to FLC fellow Kin!

It's been an exciting start to our year here in Zone C. Clubs are busy planning their year, hosting events and of course working on the Nov 15th requirements. Kerrobert Kinsmen recently held a community BBQ and are selling trip of the month tickets. Kindersley Kin held their second successful Duck Derby. Rosetown Kinsmen are busy raising funds for an all inclusive playground. The Dinsmore Kinettes also recently hosted their annual Extravaganza. I'm looking forward to getting out to some events and meetings with the fellow Kin in our zone. Have a great weekend everyone!

Yours in Kin,

Pam Lyons
District 3 Zone C Deputy Governor
plyonse@kincanada.ca

Zone D

Hello Fellow Kin,

I am Nicole Baker, your Zone D Deputy Governor, from the Saskatoon & District Kinettes. I hope everyone is having a great start to the Kin year. I am arranging exec instalations for the clubs in Zone D which has been great and I look forward to doing some more in the coming months. My plans for this year are to have some education for the members of Zone D and to connect in person with as many clubs in my zone as possible. A goal I have for this year is to get the Saskatoon (U of S) Campus club running again which is going very well as there is a small group of students eager to start participating! I am currently working to ensure our zone meets the Nov 15th requirements by the deadline so please ensure to work with your club if they may have outstanding requirements. This includes exec reporting, paying the first membership dues billing, declarations of good character from all members, proof of 2021 incorporation filing, the insurance reporting form, and criminal record checks for Presidents and Treasurers. More information and the forms to submit these requirements can be found on KIN. Please let me know if you have any questions about any of this and I will be happy to help you.

We have lots happening in our zone. The Saskatoon Kinettes have been helping in their community in support of Cystic Fibrosis fundraisers, are currently doing a winter clothing drive, and have a Christmas ticket raffle happening soon! The Martensville Kinettes have their Gord Bamford fundraiser on Nov. 26th and are currently accepting applications for Adopt a Family to support community members this holiday season. The Pow City Kinsmen have lots of fun fundraisers in the works for the coming year and are excited to be able to bring back some of their annual fundraisers so stay tuned since Chase the Ace might even be returning again! The Shellbrook Kinsmen and Kinettes just had a very successful Surf and Turf Fundraiser in support of a family in need in their community. The Shellbrook Kinettes have been working hard in their community providing support and activities for families and have their winter market on Nov 19th to support local vendors, so check that out if you are in the area! The Kinsmen Club of Saskatoon had an exciting summer with a successful Car Lottery Fundraiser and the recognition of their member Curtis Kimpton with the Hal Rogers Fellow Award which is highest honour bestowed by the Kin Canada Foundation. The Kinsmen Club of Saskatoon recently were proud to sponsor the Quest4CF fundraiser in support of Cystic Fibrosis and have been working closely with Elmwood Manor and organizing various fun events for the residents such as a movie matinee. The Prince Albert Kinsmen were excited to bring back their successful Sportsman of the Year Fundraiser Banquet this month.

Over the next few months, I plan to watch for what is happening in the zone now that clubs are actively working in their communities. I plan to get the Zone D Facebook group a bit more active again as it could be a great resource for communication and sharing events/ideas so look out for that! I look forward to getting out to some of the clubs in Zone D and attending a meeting, helping with a service project or fundraiser, and sharing in some fellowship. See you in person at FLC 2022!

YIK,

Nicole Baker
District 3 Zone D Deputy Governor
nbaker@kincanada.ca

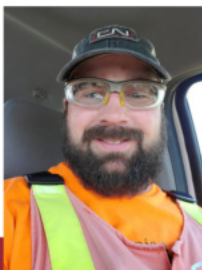

Zone E

Hello District 3 FLC,

We are back at it for another Kin year. Harvest is finishing up in the Zone E part of the map and the cold weather as always is knocking on the door. Like it or not winter is coming. Yes that's a Game of Thrones reference or at least I think it is as I have never seen the show. Anyways the clubs in Zone E are always busy this time of year. Sturgis Kin have already hosted their Annual Fall Market and are getting ready for their Winter Wonderland Craft Sale on December 3rd as well as they are doing a Cash of the Month Lottery again this year. In Wadena they continued to support their community throughout the summer and fall and have a Comedy Night being held on November 12th. In Melville Kin Club started the year off with a 50/50 draw and Hockey Draft and are getting ready to host a Community Christmas Party on December 10th with dinner, a comedian, and live music. And as always in Yorkton, Radio Bingo has kicked off another season, plans are in the works for Perogy Cup and Operation Red Nose is back again in Yorkton after a 2-year hiatus due to Covid. We are just getting going here in Zone E with more big things to come.

YIK,

Chad Gradzinski
District 3 Zone E Deputy Governor
cgradzinski@kincanada.ca

Zone F/G

Hello District 3 and Welcome to FLC 2022!!

My name is Meagan Utke and I have the pleasure of being the Deputy Governor for Zone F and Co Deputy Governor for Zone G!! I am a single mom of twinadoes, Ben and Owen who are 10 years old. I'll apologise in advance if you ever meet them and I am sorry for what they've said to those that have met them. They take after their father, I swear! I have been a Kinettes since 2019 when I started with the Lloydminster Kinettes. I moved to Swift Current in 2021 and transferred to the Swift Current Kinettes. This is my first time on the district team and I am loving it so far! I am excited to learn more and to meet more people! So far this year, I have been able to do my first installations for the Moose Jaw Kinsmen and Kinettes Clubs and meet more of my family in the process! It was a great experience and I am excited to be able to meet more of the clubs over this kin year! My goal for this Kin year is to visit as many of the clubs in my two zones as possible while attending a meeting or an event that they are putting on! I would also love to be able to encourage my clubs to take part in more district events like FLC, Districts and of course, Telemiracle!

Zone F Events - The Swift Current Kinettes have quite a bit going on already! We have done a travel voucher raffle already and are excitedly planning our Ladies Night Event which will be May 6, 2023! Swift Current Kinsmen are planning their Christmas Party for November 25 which should be a great time as well! The Gull Lake Kinettes have been busy with their Street Bingo at the end of August as well as planning for their Ladies Night on November 9 which is always a fantastic event!

Zone G Events - Moose Jaw Kinettes had a Haunted House on October 23 and are planning for their ladies night on February 11, 2023! Moose Jaw Kinsmen will be hosting their Santa Claus Parade on Dec 4, 2022 and they are currently doing a Chase the Ace pot which is over \$25,000!! The Assiniboia Kinettes had two life memberships in September for Lorraine Duxbury and Raelynn Nicholson. Lorraine was also welcomed onto the Kin Canada Foundation Board of Directors! Corie Ruzicka-Olson was also recently presented with a Platinum Jubilee Medal for her volunteer services! Congratulations to you all and what amazing members of Kin we have! Assiniboia Kinettes have also just celebrated their 20th Anniversary! The Kinsmen Club of Assiniboia is also doing a Chase the Ace and had their first draw on October 26! Tickets are available by e-transfer to assiniboiakinsmen@gmail.com and you have until Tuesdays at midnight to purchase! Please touch base with the Assiniboia Kinsmen to purchase your ticket! Parkland Kinsmen are hosting The Last Spike Volleyball Tournament this weekend. This is an indoor mixed beach volleyball tournament! Too bad it's this weekend or I'm sure that would be a blast!!

I hope you all enjoy FLC and if you are a member of a club in Zone F or Zone G and I haven't met you yet, please come find me and say hello!!

YIK,
Meagan Utke
District 3 Zone F & G Deputy Governor
mutke@kincanada.ca

Zone I

Greetings from Zone !!!

My name is Terri Hamilton, President of the Jansen and District Kinette club and new to being a DG. Still trying to get this all figured out, but I have an amazing group to work with who answer all my silly questions!

I am a mother of two teenage boys, soon to be 15 and 16 but for the month of November they are the same age. Irish twins I believe they are called. I run two fairly different businesses but they kind of complement each other in the fact that when I am busy with one the other is slow and visa versa. In my consulting business I am an independent auditor for AWSA and Fertilizer Canada which means I go into agricultural sites and do audits on their chemical sheds, anhydrous ammonia and seed treater sites to make sure they are up to code. My other business is Property Management. I manage a building in Lanigan called the Carlton which is a beautiful 55 plus or professional building. This keeps me on my toes and busy when my auditing is quiet.

I served on the foundation board for two years which ended in June. It was the most amazing and humbling experience and absolutely life changing. I highly recommend anyone doing it but keep in mind that it is a big commitment.

I finally got to do my first installment for my own club and the Jansen Kinsmen. I was supposed to do it for the Watrous Kinettes the beginning of October but the meeting was cancelled because way too many were sick! Have plans to go visit them next month and Watrous Kinettes soon as well.

My goals this year is to really connect with some of the clubs in my zone that haven't been to active outside their community. I'm finding this more of a challenge than I expected but that just means I have to work harder.

I'm really proud of my Wynyard Kinette group. They have gone from 4 members just a couple years ago to nearly 18 who are potentials and getting signed up as we speak! They are doing a lot of great things in their community and are toying with the idea of becoming a Kin club with the Kinsmen. They are putting on a Winter Trade show on November 26 and are working really hard to raise money for a dog park in Wynyard. I also believe there are 6 of them here this weekend!! Kudos to you girls!!

Our Jansen and District Kinsmen and Kinettes are working really hard again this year with our bi-annual steak fry which raises money for all of our different charities and works around town. Which is also the reason that I am the only one from our club because this all had to happen on the same weekend! We are gearing up for our Christmas cheer where we join forces with the Lanigan food bank and give gifts and hampers to people in need. I'm working at it but I still haven't convinced any of the Kinettes to shave their heads for Telemiracle but we have something from the Kin that might be just about as much fun! Can you say Telemiracle Teddy TATOO!!

Wynyard Kinsmen and Kinettes are very active in their community and are sounding like they will be willing to host FLC next year with the help of Jansen and possibly Wynyard. They would be one of the only clubs that would have enough hotel space.

I have been having a hard time reaching the rest of my Zone I people so if any are at FLC please come up and say hello!!

Here's to a great year of learning and Kin-ship!

Terri Hamilton

Kinsmen • Kinettes • Kin

District 3

District 3 Kin,

Please find attached, the 2021-2022 Financial Statements as prepared by the firm Laskowski & Wright – Chartered Professional Accountants on behalf of Past Governor Michelle (Miller) Stepp and Past District Treasurer Melissa Kirwan. The included audit will be in our FLC report, to be motioned and passed by the membership.

When the 2021 District dues invoices were sent out in October of 2021 the following information regarding the budget was included:

As proposed at the District Convention held virtually on June 12th 2021, the budget indicated a \$5 per member increase in dues to balance the budget, making district dues \$65 per member. This increase was declined by voting membership and instead it was approved to have the \$5 per member come out of our excess funds. Therefore, District dues remained at \$60 per member.

As of September 30, 2021 we had 894 members. At \$5 per member this amounted to using \$4470 of the excess funds. As this is money we have already received, and was already in the bank account, it is not counted as income and therefore is not shown on the audit.

I would like to bring your attention to page 5 of the audit. You will notice that listed under the “(Deficiency) excess of revenues over expenditures” line there is a deficit of \$3292. When you add the use of the \$4470, that was not included as income, the balance at the end of this year is not considered a deficiency and we are under budget by \$1178 (\$4470 Excess Funds - \$3292 Deficiency = \$1178 Under Budget).

If you have any question regarding the audit, please feel free to reach out to myself via email at mkirwan@kincanada.ca.

Yours In Kin,
Melissa Kirwan
Past District Treasurer

Kinsmen and Kinette Clubs of Canada

(District III Executive)

Financial Statements

June 30, 2022

Draft - September 21, 2022

Independent Auditor's Report

To the Members of
Kinsmen and Kinette Clubs of Canada

Opinion

We have audited the financial statements of Kinsmen and Kinette Clubs of Canada (District III Executive), which comprise the statement of financial position as at June 30, 2022, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at June 30, 2022, and the results of its operations and its cash flows for the year then ended in accordance with ASNPO.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Independent Auditor's Report, continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes

Kinsmen and Kinette Clubs of Canada

(District III Executive)

Notes to the Financial Statements

June 30, 2022

1. Nature of operations

Kinsmen and Kinette Clubs of Canada consists of eight districts in Canada, which are administered by an executive elected by the individual clubs in each district. These financial statements present the operations of the executive of District III, which encompasses clubs located within Saskatchewan, but do not include the operations, assets and liabilities of the Kinsmen Foundation Inc., Telemiracle or the District III Office.

Each of the clubs operates independently of the executive of District III and are responsible for their own records. The clubs are not consolidated under these financial statements.

2. Accounting policies

The organization applies the Canadian accounting standards for not-for-profit organizations.

(a) Cash and short term investments

Cash consists of balances with financial institutions as well as highly liquid short-term investments.

(b) Equipment

Equipment is recorded at cost. The organization provides for amortization using the declining balance method at rates designed to amortize the cost of the equipment over its estimated useful life. The annual amortization rate is as follows:

Computer equipment	55%
--------------------	-----

(c) Impairment of long-lived assets

The organization tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected undiscounted future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent carrying value exceeds its fair value.

(d) Revenue recognition

The organization follows the deferral method of accounting for contributions which includes grants and donations.

Restricted contributions are recognized as revenue in the year in which the related expenses are made. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(e) Contributed services

Volunteers contributed time to assist the organization in carrying out its activities. Contributed services are not recognized in the financial statements due to the difficulty in determining fair value.

Kinsmen and Kinette Clubs of Canada

(District III Executive)

Notes to the Financial Statements

June 30, 2022

2. Accounting policies, continued

(f) Financial instruments

The organization's financial instruments consist of cash, accounts receivable, and accounts payable which are initially recorded at their fair value and are subsequently measured at amortized cost, net of any provisions for impairment. Unless otherwise noted it is management's opinion that the organization is not exposed to significant interest, currency or credit risks.

(g) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty. The effect of changes in such estimates on the financial statements in future periods could be significant. Accounts specifically affected by estimates in these financial statements are useful lives of equipment and collection of accounts receivable.

3. Long term investments

Description	Maturity	Interest	2022	2021
Conexus Credit Union GIC	May 3, 2024	2.50%	\$ 8,000	\$ -
Conexus Credit Union GIC	May 3, 2025	3.00%	8,000	-
Conexus Credit Union GIC	May 3, 2026	3.35%	8,000	-
Conexus Credit Union GIC	May 3, 2027	3.40%	8,000	-
Conexus Credit Union GIC	June 28, 2027	3.65%	40,000	-
			<u>\$ 72,000</u>	<u>\$ -</u>

4. Equipment

	2022		2021	
	Cost	Accumulated amortization	Net	Net
Computer equipment	\$ 999	\$ 999	\$ -	\$ -

5. Related party transactions

The District III Executive is the parent club of all the Kinsmen and Kinette clubs in Saskatchewan. Dues, levies and other incomes have been assessed against these clubs at agreed rates. The directors have received reimbursements for expenditures at agreed rates.

These transactions are in the normal course of operations and have been valued in these financial statements at the exchange amount which is the amount of consideration established and agreed to by the related parties.

Kinsmen and Kinette Clubs of Canada

(District III Executive)

Notes to the Financial Statements

June 30, 2022

6. Financial instruments

(a) Liquidity risk

The organization does have a liquidity risk in the accounts payable and accrued liabilities. Liquidity risk is the risk that the organization cannot repay its obligations when they become due to its creditors. The organization reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due.

(b) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates. The organization is exposed to interest rate risk as it holds an interest bearing cash account..
