June 2019

Objects of the Association

To promote and direct service work through fellowship amongst its Clubs and their members, to the end that:

- members of the Clubs may enjoy personal development through the Association;
- they may be improved and educated in modern business and professional methods and ethics;
- the involvement of all in the enrichment of their community may be stimulated;
- a spirit of co-operation, tolerance, understanding and equality among all nations and peoples be fostered and that unity of thought and purpose throughout Canada be established toward this goal; and
- they shall serve their community's greatest need.

Kin Motto

Serving the Community's Greatest Need

Mission Statement

Volunteers enriching Canadian Communities through Community Service, Leadership and Partnership.

Vision

Strong, Healthy and Engaged Canadian Communities

Values

Excellence, Integrity, Accountability, Compassion, Pride, Fellowship and Inclusiveness

Kin Song

Here we are together once again
One and all a happy bunch of Kin,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Turn around; grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINETTES AND KIN!

Kinsmen Song

Here we are together once again
One and all a happy bunch of men,
Leave your cares and troubles for awhile,
Let your face break forth in smile.
Look around, grab someone by the hand,
They're your friends, the finest in the land,
Now all set, let's shout to beat the band,
KINSMEN, KINSMEN, KINSMEN!

Kin Grace

Happy to meet, Sorry to part,
Happy to meet again.
May the Lord make us true Kin,
In our thoughts and deeds,
And make us truly grateful,
For the food we receive.
Amen

Kinette Song

Here we are, together once again,
Happy in the Family of Kin.
We've forgotten cares and worries too,
Kinettes we've work to do!
Each of us will help to bind the tie,
So the heart of Kin will never die.
One and all let's raise our voices high,
KINETTES! KINETTES! KINETTES!

District 3

Family of KIN,

Wow, hard to believe we are a little under 2 months away from the end of this KIN Year. My year as Governor has gone by rather quickly, but it has been a huge highlight of my KIN Career to serve as Governor.

These past 8 months have given me the opportunity to travel to many of our clubs to visit, celebrate accomplishments and educate our new members here in D3. I have celebrated many Life Memberships, a new Charter and helped share KIN with some new communities to bring about new charters.

I have to thank the amazing District Council this year, everyone has worked incredibly hard to help our clubs fulfil their National and District obligations. With the addition of the criminal record check, the Deputy Governors along with the District Directors have worked diligently to ensure clubs are compliant.

With Zone Conferences wrapped up, now it is time to focus on District Convention in Tisdale. I am looking forward to seeing everyone in Tisdale at the end of May, to celebrate our many accomplishments from the past year and get ready for the next KIN year.

Vice Governor Steve has assembled a great team to continue to lead District 3 for years to come and I am very confident knowing District 3 will be sustainably and excel for many more years.

In closing I want to thank the members of District 3 for making this past year a highlight in life. I look forward to seeing everyone at District Convention.

Yours In Kin,

Jordan Kammer

District 3

Good Day Kin Family,

I would like to start off by saying thank you to all of District 3 Kin for all the efforts and hard work put in throughout this year. We have so very much in District 3 to be proud of, we are among the highest membership in the country and we host one of the largest fund-raising projects in the world, Telemiracle couldn't do it without the heart and souls of our amazing Kin family. As we turn our thoughts to the year end and some much-needed down time throughout the summer, I'd like to ask every member of District 3 to spend some time and reflect on what drew them to this amazing service organization. I feel if we can get back to our roots, where the heart leads the mind, we can bring back some of the fire and passion in this amazing family. We can use this passion and renewed excitement to incite growth and membership retention.

The District Leadership Seminar was hosted on May 3-5 in Saskatoon, we had a weekend of learning and bonding led by Past National President Melodie LeMoeligou and her husband JM. Through the guidance of these amazing individuals, we gained the knowledge and ideas needed to guide this District into the next century. This was the first year of a dedicated Deputy Governor's training session, and I for one am very glad the NETC has set fourth the guidance needed at zones level to assist in this position. The Deputy Governors are the eyes and ears of the clubs and an important part of the executive team, without these dedicated individuals we would take the chance at loosing the face to face connection with our valued membership.

Thank you for your support through the year and I look forward to seeing and reconnecting with you all at the district convention in Tisdale.

Yours in Kin

Steve Kirwan
Vice-Governor

Secretary/Coordinator's Report

Happy Spring Fellow Kin!!!

I'm sure I'm not the only one who is glad to see the snow disappear and welcoming the green grass!! Every year, when reading the Spring Saskin, many make mention of how fast the year has quickly flew by and what a rewarding experience their time on Districts has been. Well, I am no exception to the rule - I am unsure where the past 2 years has gone; however, I am so grateful for the opportunity to have served as the District 3 Secretary/Coordinator. I have learned a lot.

As District Convention draws near, I just want to remind everyone, the Accredited Delegate Form must be fully filled out with signatures and emailed to d3credentials@gmail.com by midnight, May 25th. I will be replying to all emails sent - so if you don't hear back from me - please get in touch with me! Also remember, if you are the Accredited Delegate for your club - it is your responsibility to obtain the voters card at Districts during the allotted time. If this isn't done - your club doesn't have a vote.

For anyone thinking about Districts in the future, please consider it! I still remember my first District Convention and remember the feeling of being overwhelmed - every year I learnt something new, and I can honestly say, if given the opportunity to do this position again, I would.

As I end my term on Districts, I want to take a moment to say a special Thank you for Past Governor Rob & Governor Jordan, for allowing me the opportunity to sit on your team the past two years- if it wasn't for you, this opportunity would have never happened - I will truly cherish our friendship forever! I also would like to wish Vice Governor Steve the best of luck and tell you to enjoy every minute. I know District 3 is in great hands!!

Have a wonderful summer everyone!

YIK,

Erin Lengyel

District 3

Hello District 3 Kin,

This is your District 3 Treasurer Report for 2018/19.

We started the year off with many clubs still owing for dues from prior years. The amount owing was \$16,650.00. I am happy to say that we have collected \$15,930.00 of the outstanding dues. We are just waiting for one club, who we are communicating with and they are looking into the past due amount. Thank you to everyone who helped out in getting this amount caught up.

I would also like to mention that all 2018/19 dues have been paid in full and we are on the right track going forward. I know that there have been some roster issues with National and I along with any member of the district executive are more than happy to help try and resolve these issues with you. Please be sure to reach out to any of us for assistance.

I hope you all have an amazing zone conference and hope to see everyone at District Convention in Tisdale!

Yours in Kin,

Tammy Allan

Risk Manager's Report

Hi Family of KIN!

I'm so sad that I won't be in attendance at District Convention in Tisdale but my baby is graduating that weekend ~ Bring on my empty nest!!

I'm staying on as Risk Manager for the District ~ I have some projects that I'm working on to hopefully make EVERYONE's lives easier when it comes to Incorporations, all your paper filing for Nov 15th, and your rosters!

I hope to be in touch with every club soon so we can start tackling the mess a lot of clubs are

having with their rosters and the inability for them to be ever be correct.

Have a great rest of the KIN year and to all our farmers have a safe seeding season!

Yours in KIN and then EVERYONE's lives will be easier!!

Club Support Report

Hello district 3.

This kin year has flown by hasn't it. It's been a great year for the district. Another amazing Telemiracle and membership is going strong. As I have figured out the club support role, it has to come to an end. The District will be searching for a new Club Support Director. If you are interested and have questions, feel free to ask myself or Marley Hanishewsky. Marley is on the National board. I'd like to update the district on what has happening with clubs this year.

- Kindersley is in the process and hopefully they will be joining the District this calendar year. Thanks to the Rosetown Kinsmen for helping them out.
- I have had some talks about a Kinette club in Carrot River. We have a former member of the Melfort Kinette club that is quarterbacking this charter. I've been told that Zone B is the place to Bee.
A charter kit has also been sent out for a Kinette club in Martensville. The Martensville Kinsmen are willing to sponsor this Kinette club.

Thanks for the great year. I have really enjoyed my time as your Club Support Director. I will see you at district convention.

YIK,

Brian Angstadt

Education Director's Report

Hello everyone!

Evan Haubrich, your District 3 Kin Education Director here. We just completed the 2019 spring term of Kin Kollege in Regina on March 29th-31st. Kin Kollege is a Club Leadership Seminar which helps the members of our association learn about Kin, develop personal skills, make new friends, and enjoy in a unique fellowship opportunity. Sixteen members from across the province attended the weekend, and all gained valuable insights that they can bring back to their club. We were treated to an excellent presentation by past Telemiracle Foundation chair Eli Rizk, and we also had some great information sessions facilitated by Service Director Michelle Jandl and past District Governor Byron Stepp. I really want to thank everyone who attended the weekend; because of your interest and engagement, it made teaching all the more enjoyable. Watch out District 3, there are some strong future leaders in this year's graduating class!

I would also like to kindly remind you to make use of the resources on the Kin Canada website (www.kincanada.ca). There are a lot of educational resources available through the website. If you have trouble accessing any information through the member access portion (www.ikin.ca), please let me know so I can help you get into it; there is a treasure trove of information available to kin members. Finally, there are also some great modules on Kin-U (www.kin-u.ca) that are available as well.

I'd also like everyone to consider what they want to accomplish in Kin next year, and if there is a way I can help you with your career path. Whether it be running for Zone Deputy Governor, or being part of the Telemiracle Foundation, if you have questions please feel free to contact me. I would be more than happy to assist you on your journey.

Service Director's Report

Hello D3!

First of all I want to thank all of you for all the hard work put into service and fundraising projects! I want to take this opportunity to provide you with a few updates and reminders.

National Day of KiNDness - Thank you to all the clubs that registered and participated. We had 163 clubs register for National Day of KiNDness. We may have had more clubs participate, but they were not registered with Kin Canada, so they would not be included in the numbers

Canadian Blood Services - Half of all Canadians will either need blood or know someone who will need blood at some point in their lives. Yet only four percent of Canadians donate.

As partners for life with Canadian Blood Services we hope to change that. Last year we donated 1323 units of blood, exceeding our goal of 740 units by 88 ! Kin Canada has pledged 1130 blood donations from our members, family and friends in 2019 with District 3 pledging 80 units of blood. As of March 31, 2019, we have had 18 donations. Help us reach our districts goal - it's easy to do. Register with Canadian Blood Services using our Kin District ID - KINC110247

Cystic Fibrosis - Don't forget to raise some money for CF! If you need a CF speaker, information about CF or fundraising ideas for your event contact me and I can help you out. To send in your CF funds, make the cheque payable to Cystic Fibrosis Canada and send to:

Attention: Jeff Beach
Cystic Fibrosis Canada
2323 Yonge Street, Suite 800
Toronto, ON M4P 2C9

CF Awards -The Ian F. McClure Award (one awarded nationally every year) & the Billy Skelly Award (one awarded per District every year) submission deadline is June 7th, 2019. You can find the eligibility criteria and the nomination forms on the Cystic Fibrosis Canada website at <http://www.cysticfibrosis.ca/partners/kin-canada>

CF Walk - Get your team registered for the Walk to Make Cystic Fibrosis History. The walks occur across Canada on May 26, 2019. Find a walk near you or do a virtual walk - Register today: <http://www.cysticfibrosis.ca/kincanada>

Service Reporting - The Service Reporting Form for 2018/2019 will be open in June 2019. Clubs can also submit their year-end totals directly to me. To help track your service hours and dollars,

Kin Canada has created some templates and forms. Check them out here: https://www.ikin.ca/imis20/iKin/Service/Service_Reporting/iKin/Service/Service_Reporting.com

Project database - Kin Canada has developed a project database and would like clubs to continue to contribute. If you have a successful project, let them know. You can submit your project and the details of it by going here: www.kincanada.ca/projects-database

Thanks to Governor Jordan for giving me this opportunity to be part of your executive team and thank you to the rest of the executive for all of your support, your dedication to Kin is amazing!

Congratulations District 3 for your passion, commitment and dedication to make a difference in the lives of so many! You have all affected your community in such positive ways - keep doing what you are doing. I would also like to congratulate the new Service Director for the incoming year, Jodi Martens! I know that Jodi will do an amazing job and I wish her all the best in her new role.

Have a great summer and see you all at District Convention in Tisdale.

YIK,

Michelle Jandl

Service Reporting: FAQ

Why is Reporting Important to Clubs?

Recording your service hours and funds as a club is very beneficial as you'll have a running total to share with potential sponsors and grantors, and your own community. This information is recorded at National headquarters for Clubs' future reference. You'll also be contributing your impact to a nation-wide total, which is very powerful and something your Club can take pride in.

Why is Reporting Important to Kin Canada?

Kin Canada's identity is very closely linked to exemplary community service. Being able to tell that story on your behalf is an honour. Representing the amazing work you do in your community on a national level strengthens the Kin brand across Canada, enabling new partnerships and drawing in new people.

When Should My Club Report?

We want your data in order to share your impact, but want to make it as easy as possible, so we are only requesting year-end reporting, and have removed the event report from our reporting requirements. Your club will be asked to report to HQ once a year, in June. Your club will be able to submit your totals online or through your District Service Director. The Kin Fiscal year is July 1 to June 30, so you'll report activities that occurred within that time period.

What Should Clubs Include For "Service Hours?"

Service Hours include any hours, per Member, your Club spends serving the community OR fundraising. Report service hours per person- Ex. 3 people working a volunteer booth for 2 hours would be 6 hours, not 2 hours. Whether fundraising or doing "community service," anything related to a Club's outreach into the community would be considered "service hours." This would include any time spent in the planning and preparation of your projects and service, such as committee planning meetings. However, service hours do not include your general club meetings.

What Should Clubs Include For "Service Dollars?"

We ask that Clubs report their **TOTAL amount of money raised (net*)** for the fiscal year, including all National and District projects totals. HQ will take care of searching out totals for Hal Rogers Endowment Fund, National Disaster Fund, Cystic Fibrosis Canada, and District projects through the Service Directors.

*Net- subtract expenses and funds deposited into your club's general account

Are there Templates and Resources Available to Help?

Yes, there are tools available. Don't leave your reporting until the last minute- track it all year with the templates available on iKin. This is a great way to keep track of stats throughout the year and will help keep your year-end reporting as accurate as possible.

Contact your District Service Director, or Christine Stahl, Projects Coordinator, at cstahl@kincanada.ca if you have any questions.

Give Life with our *Partners for Life* Team

Did you know that every minute of every day, someone in Canada needs blood?

Kin Canada

is proud to Give Life as a team with Canadian Blood Services. As a *Partner for Life* organization, we set an annual goal for the number of life-saving blood donations that we will contribute from our employees, family and friends. We commit to Give Life through donating blood, registering to be stem cell donors or donating our baby's cord blood where available. In many locations, we organize group donations for co-workers to donate together at the nearest blood donor clinic.

HERE'S HOW YOU CAN HELP

1. BOOK YOUR APPOINTMENT TODAY

Giving blood only takes about an hour and Canada needs 100,000 *new* blood donors this year to meet demand. Your donation can treat cancer patients, bring a car crash victim through surgery, even help a transplant patient's new heart beat for the first time.

Find your nearest blood donor clinic and book your appointment:

- Visit www.blood.ca
- Download the GiveBlood App (App Store & Google Play)

2. JOIN OUR PARTNERS FOR LIFE TEAM

If you donate, be sure to register so that your donations count towards our goal:

- Visit www.blood.ca/joinpartnersforlife
- Register using our Partner ID Number: **KINC110247**
- One-time registration. Once registered, your past and future donations will automatically count towards our goal

Thank you for giving life!

Throughout his life, Kin Canada founder Hal Rogers believed in the value of education. In his own words, "providing and promoting the finest and most effective education possible for our young people" was a noble endeavor. (HREF Press Release for Kin Canada Bursaries)

To celebrate the 100th anniversary of Kin Canada, the goal of the Hal Rogers Endowment Fund Board of Trustees is to present 100 bursaries in 2020. We are very proud to announce that we surpassed the \$100,000 mark in our aim to raise \$175,000 to ensure the success of the Kin Canada Bursaries 100 for 100 campaign. We could not have done this without the generous support of Kinsmen, Kinette, Kin and Kin Campus clubs from across the country.

As we come together for our District Conventions, we believe it is important to let our membership know how your district is doing compared to your donations from last year. District 3 all we can say is WOW! As of March 31, 2019, you have donated \$10,300.00 as compared to \$6380.0 for the 2017-2018 Kin year, which is up over 61%. We recognize that a number of clubs have projects to complete and donations to make prior to the end of the Kin year. With this in mind, we encourage you to make sure your donations are received by Kin Canada Headquarters no later than June 15 to ensure they are counted for this year and the 100 for 100 campaign.

With just a few months to go, please consider a project for Kin Canada Bursaries. Large or small, it does not matter. If you plan to or have already held a project for the bursary program, please submit your project for the Ambassador of Learning Award. The criteria for the award can be found in iKin under the Awards link.

We look forward to seeing everyone at Kinvention 2019 in Nanaimo so we can celebrate the success of the 100 for 100 campaign and continue Founder Hal's commitment to the education of Canadian students.

Awards Report

Happy Spring D3!

The submission deadline for District Awards has now passed - now the wait is on to find out at District Kinvention who the winners are!

The deadlines for National Award submissions are coming up in June. Club Awards such as the Boake Efficiency and Outstanding Boake Efficiency Awards, the Outstanding Club Award, the Hal & Elspeth Rogers National Service Award, and the HREF Ambassadors of Learning Award all have submission deadlines of June 30th. The Bill Skelly Award and Ian F. McClure Award are both due June 7, 2019. Also, don't forget that the National Personal Awards - Maple Leaf Award of Distinction, Founders Award for Achievement, and the Member's Award of Excellence - are ongoing awards that can be submitted upon completion within the time frame set out for each of the awards. Get those affidavits and applications in to be recognized for the work that you and your club do in our communities!

I hope to see you all at District Kinvention - until then, I will be going through what I'm sure will be a ton of award submissions for all of the deserving Kin of District 3!

Hi everyone!

B Hi everyone! This year in zone b we had an exciting year! We welcomed a new kin club to district 3. They are the new kin club of St. Brieux! They are so excited to be apart of this great organization! I have visited all my clubs and always enjoy visiting with everyone. This is my last year as being deputy governor after 3 years! I extremely enjoyed my time being your deputy governor. We held zone conference on April 13th and welcomed a dual deputy governorship. Your new dg's will be Brittany Lamb from Tisdale and Briana Raine from Tisdale! Congrats girls. Well I think that is it. I wish you all good health and much happiness! I look forward to seeing you all at district convention in Tisdale on May 31 and June 1!

Yours in Kin,

Shelby Wright
Zone B Deputy Governor

D Zone D aka the best zone! What a great year! I have loved the time I have got to spend with all of the clubs.

A huge Thank You to the Shellbrook Kinettes for throwing such a fun zone conference back on April 6th. Any conference that starts with margaritas is a great conference ARIABA.

There are still some great events coming up in our zone this year. POW cities anniversary party on June 22nd KCOS Kinsmen Home Lottery is in full swing. Saskatoon and District Kinettes 2nd Battle of the Bunnock is July 20th. Martensville and District Kinsmen is hosting a Comedy Crawl Friday May 31st. They have generously offered to cohost the event with the soon to be chartered Martensville and District Kinettes. If you miss the comedy crawl in martensville the same show will be held by the Shellbrook Kinettes June 1st.

Lastly I am very pleased to share that the Campus Club of Saskatoon has elected their executive for next year! Very exciting! I cannot wait to see what this new exec has in store for us. Please make sure to share with your family and friends this great club.

Thank you again for a fantastic year. I look forward to another great year!

Happy spring District 3!

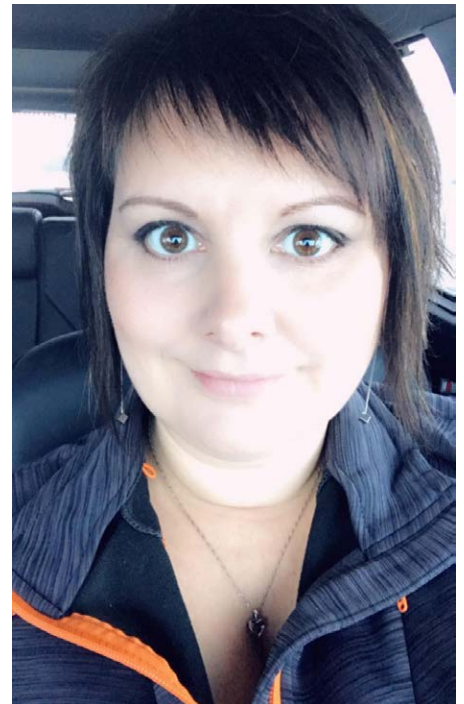

I hope that everyone is enjoying the beautiful weather!

Now that the excitement of Telemiracle and a very busy March has started to subside we have changed focus towards our zones and district convention.

Some of the clubs in zone E were able to make the trip up to Saskatoon for Telemiracle. Another successful year with \$5.6 million...great work District 3 and Saskatchewan!! Zone E has also been busy with The Kinsmen Club of Yorkton's annual perogy cup hockey tournament which was held mid March with Sturgis Kinsmen Club winning the tournament! On March 30th the Norquay Kin Club hosted their 2nd annual event - Taste of Highway 49 where they had several restaurants from along highway 49 out with food samples and then also had live entertainment by Odd Man Out. Also on March 30th the Melville Kinette Club honoured their 30th Anniversary of Incorporation by having a small gathering of current and past members as well as the K-Ette club to have some food, drinks and share memories. Some of the Zone E clubs continue on with their other projects such as trip of the months, radio bingo, play school sponsors and a golf tournament.

We also have the exciting news that the Sturgis Kinsmen Club and the Sturgis Kinette Club have decided to amalgamate into a Kin Club. I look forward to helping them in this process!

Zone E conference was held on April 28th. We had over 50 of our clubs represented which is a better turn out then we have had in a couple of years. Lots of good discussion was had. I am excited to report that Chris Fisher from the Kinette Club if Yorkton was voted in as Zone E TM Foundation representative!! And I get the honour of being deputy governor again for next year and look forward to continuing working with all the clubs in Zone E.

I look forward to seeing everyone at districts in Tisdale!!

This year has been busy! Gull Lake Kinettes had another successful year with their Ladies Night Out! They have so much support from their small community! They had a couple fundraisers. I have really enjoyed getting to know this club! There were two members from Gull Lake that attended FLC! They loved it! Two members also attended Telemiracle!

Swift Current Kinsman were busy as well, the Kinettes and the Kinsman partnered and sold travel tickets towards 3 draws! Who doesn't enjoy a trip to somewhere Hot!! (I never won)! Colin from the Kinsman presented the cheque for Telemiracle! For Kindness Day Kinsman helped clean up SPCA! The Kinsman as usual pick up Christmas trees after Christmas around town! They held a comedy night! Kept themselves busy!

Swift Current Kinettes were busy as well, they held a bake sale and raised money towards Telemiracle, they have also had two runs of selling tickets for a \$1500 travel voucher, did great with them. The Kinettes do a lot of bartending and volunteering! For Kindness Day Kinettes handed out flowers and packages of gum to people walking into Walmart! Kinettes always help out with CF walk, as one of our Kinsman and Kinettes, (Ben and Yvonne) have ran it for years!!

I am looking forward to next year to see what the year brings us!!
Take care everyone, and have a safe summer!!

Hello Family of Kin;

It has been a great year working with the clubs and members of Zone G. These clubs have contributed to their communities, service projects and their clubs. Most clubs in this zone have increased membership this year. We have worked together to keep up with the asks of the District and Kin Canada. The clubs of this zone are now working to finish up projects, put new executive in place and take a look at what next year will bring. I would like to take this opportunity to thank the clubs of Zone G for making my first time as Deputy Governor so rewarding. We have grown together as a family of Kin and have learned a lot along the way. This year I have met new Kin from around the province and have enjoyed getting to know the clubs within this zone. Hope everyone enjoys their upcoming summer holidays. See you all at Districts.

Greetings to all of my Fellow Kin,

Wow it is hard to believe that this is the last Saskin of the Kin year. It is even harder to believe that this Foundation year is almost over! Our board will be busy preparing for our May and June meetings, which always prove to be extremely busy with lots of applications. At our most recent meeting in April we processed 139 applications and spent just over \$500,000!! AMAZING!

I want to take this opportunity to thank everyone in District 3 for all that they do! Without the wonderful people in District 3 that volunteer their time to make Telemiracle such a huge success year after year, I would never have had this amazing opportunity. Being the Chair of the Kinsmen Foundation has been truly inspirational and has taught me so many valuable lessons. If you have not had the chance to come and visit the board, I encourage you to do it. Feel free to contact me at pamzoned@gmail.com if you have any questions at all!

Greetings D3!!!

Wow, what a show that was!!!!!! Congratulations to the TM Committee, the production team and our amazing staff for yet another successful event, everyone pulled together and did a great job! This was a year of new ideas, new faces and although there was challenges along the way (there always is), it truly was a TEAM effort.

Of course, “the show” wouldn’t be what it is, without you D3, you bring your A game, year in and year out, you answer phones, run messages, work security, serve food, count pennies and soooo many more jobs to make the show successful.

Without your efforts to raise money, and the effort you put toward “the show”, many people of this province wouldn’t have the same quality of life yesterday, today or tomorrow. Because of YOUR actions D3, people all across this province are reaping the rewards, their lives are just a little better, and we’ve been able to purchase them a wheelchair, or pay for transportation costs for appointments. We’ve done that together, everyone plays a part in it, and it’s something that we all should be proud of.

Congratulations to the new Foundation Board Reps who have chosen to step forward and represent the applicants from your respective zones as well as throughout this entire province, you will be in for an incredible journey the next two years.

As of writing date, there is at least one Zone Foundation Rep position that is vacant, so we are taking applications!!!! If this interests you, please don’t hesitate to reach out to anyone of us to discuss this in more depth, come along with us on an incredible journey!

I am incredibly excited and humbled to be working with incoming Governor Steve, and incoming Telemiracle Chair Jesse and the strong, dynamic teams you have chosen to help celebrate this organization’s 100th year, and lead us into the future.

Last but not least, a couple of short months after this last edition of SasKin comes out, I will officially become Chair of the Foundation, I can’t believe where the time has gone the past 3 years, first as Zone G Foundation Rep and a year as Vice Chair. There’s been ups and downs along the way, but there’s been one thing that has been common and that has been the support, guidance and encouragement from so many people. For those who were there before me, it’s because of your passion, dedication and leadership that I stepped forward. Pam, Scott, Eli and Trent, thank you for showing me the path firsthand.

Thanks for all that you do!

Past Chair

Hello fellow Kin!

This will be my last Saskin report as Past Chair. The past 5 years have gone by so fast! I first off want to thank my family for having my back while I have been on this journey. Some others need thanking as well, Chance and Dawnn Kantrud, Chad and Lisa Salter, Glen and Christy Griffin, and David and Leanne Cote and family. These families have ran both Coolee's Excavating and Box L Cattle Co while I was engaged with The Kinsmen Foundation. I would not have been able to dedicate the time I did without having family and friends at home taking care of things. I am truly blessed to have these people support me.

The past two years has also been the hardest in my kin career. I had some moments where I was ready to toss in the towel with this organization. But thankfully this family of Kin is very hard to leave. I am sure glad I stuck with things! The people we help in this province is what makes every little hiccup worth it! District 3 Kin you all are amazing people and the people we help truly do appreciate it. Thank you all for all your hard work.

As I am sad and excited to be done in June, I am looking forward to just being Scott Lamb from the Swift Current Kinsmen Club. I also look forward to what ever else in Kin that may come my way!

Thank you all for the most amazing past 5 years! It has been the experience of my life!

Hello Kin of D3!

What a year this is shaping up to be!! I can't believe we are already into May!

The Foundation is gearing up for another busy meeting where we have the privilege of spending funds to help Saskatchewan residents get the medical assistance they most desperately need. My two-year term on the Foundation is nearly over and I will be sad to see this happen. I have learned so much in my two years here, it truly was an amazing experience - quite honestly, one of the best experiences ever. I will miss the comradery of our group, the laughs and even the tears that we shed each meeting.

I am excited to welcome Glenda McTavish to my role as Zone D Rep on the Foundation for the coming two years. Not only is Glenda an awesome Kinette from my home club of Saskatoon, she is also a good friend who I know will bring a lot of compassion and empathy to the board table. As always, I encourage any and all Kin across Saskatchewan to come to the Kinsmen Foundation office for one of our meetings - see where the miracles are made. You won't be disappointed!

It's hard to believe that two years have already flown by. It feels like just yesterday that I was walking into the boardroom, shy, nervous and scared as hell! Now when I walk in, it feels like home- it's where I want to be. It has been an incredible journey, with many long hours and late nights, but I wouldn't change it for anything. I have learned so much, improved my public speaking skills and made new friendships that will last a lifetime.

Over the past two years, I have had the opportunity to get to know many grateful applicants, who are overwhelmed by the generosity of the Saskatchewan people. It is amazing how one phone call can change their entire outlook and they cannot thank YOU enough for helping them out during their time of need. Reading over the thank you letters that come in from applicants- you realize just how important Telemiracle is to the people who receive the funding. It is hard to explain the feeling one gets when you hear the sound of joy and relief in an applicant's voice, hearing they don't have to worry about the next trip or how they are going to get by without a piece of equipment.

When I was first interested in becoming a Zone Rep, I spoke with many past board members and they all indicated that their involvement in the Kinsmen Foundation was one of the highlights of their KIN career. After two years, I have to agree. It truly is a lot of hard work and a huge time commitment, but gratifying at the same time.

Don't forget, you are always welcome to attend Foundation Meetings, just let myself or any board member know in advance.

Fellow Kin,

I can't believe how quickly this year flew by. Telemiracle has already come and gone and it was a great success. Shout out to all our hard-working Kin on the Telemiracle Committee who put in the effort, and it shows!

I've said it before and I'll say it again, the Telemiracle Foundation is one of the greatest charity organizations. So many lives have been impacted by this amazing organization, and I am honored to be able to see it first hand. There are countless applicants that turn to Telemiracle and Kin when it seems they have no where else to go. Thanks to Kin all across the province of Saskatchewan, we are able to provide support to our neighbors who need it most.

I look forward to being part of this magic for at least one more year!

Hello Kinsmen and Kinettes of Saskatchewan.

It has been an amazing year representing Zone G as a Telemiracle Foundation Rep. It is so incredible sitting around a board room table with some amazing Kin member putting in long hours to help the wonderful people of Saskatchewan. It is so rewarding to meet all the applicant to hear their stories and then reward them with funding that changes their life forever. We have been dealing with an average of 130 application every meeting, but has been worth every minute. My first year is almost over but can't wait to see what next year brings. I encourage everyone in Kin to sit on the Foundation Board at some time in their Kin career because it is an amazing experience and will change your life for the good.

Hello D3!

It has been an honour to be the Zone H Board Rep for the past two years on the Foundation Board. People always say it is a lot of work, but it will be the best experience of your Kin life. And I could not agree more. Words cannot describe the feelings I have leading up to, during, and after the meeting. Making the phone calls and hearing the shouts of joy, the many words of thanks, and tears of relief and gratitude is very overwhelming, yet rewarding.

After my two years on the Board, it has inspired me to run for Vice Chair of the Board. I would love to have your support as I further my experience with Kin and run for Vice Chair. It would be a privilege to serve our clubs, district, and the people of Saskatchewan!

Another Telemiracle in the books....wow D3 you are truly are all amazing! TM 43 Chair Adam Logue did a fantastic job, and he had a great committee supporting him - congratulations to all involved! And of course it was great to see so many familiar faces, and meet many more faces this year at TM as well.

This year, I stepped out of my comfort zone (that is, the phones) and worked alongside Geneen and some other great Kinettes in the On-Air presentation room. It was so great to see Telemiracle from another new angle, and I really encourage other members to try something new!

As this year begins to wind down, it gives us an opportunity to look forward and consider other new things to try. I really encourage anyone who has been considering trying out a new role to check out a Foundation Board meeting. The people that sit around the table are all so amazing, and the things that happen at the table are so special. It may be hard work at times, but with hard work comes great rewards. And it really is a lot of fun, a great experience all around. For any Kin members in Zone I, please reach out to me if you would like to attend our May 11th or June 22nd meeting. I would love to get to know you, and show you what the Foundation does!

Executive Director

Greetings District 3 Kin,

It has been a great privilege in my first year as the Kinsmen Foundation Executive Director to work and meet so many dedicated Kin from all parts of the province. I've been so impressed by the commitment and passion that all of you bring to Kin and I want to personally thank you for making me feel so welcome.

We are still basking in the success of the recent Telemiracle 43. Over \$5.6 million raised by the people of Saskatchewan, for the people of Saskatchewan! Once again, the generosity of this province is truly inspiring. All of it made possible by you, D3 Kin. Kudos to you!

This will translate into hundreds of gifts from the Kinsmen Foundation over the next year to Saskatchewan people needing specialized mobility equipment or medically-necessary travel, as well as new and innovative equipment for health care facilities across the province. Literally thousands of Saskatchewan citizens will be directly and positively impacted.

On behalf of the entire Foundation staff team, I wish you continued success in all your future Kin endeavours. If you are ever in Saskatoon, please don't hesitate to stop by the Foundation office to say hello!

Yours truly,

Richard Kies

Telemiracle 43 Chair

Hola, District 3!

Well, this is it, my final report. As I sit here I'm struggling to find the words to fully summarize my incredible experience over the last two years. Aside from having children, it was the most rewarding experience of my life. It had its challenges at times, of course, but we had such an amazing team that brought it all together. From the incredible, committee to the wonderful staff and producers, I was just so pleased and absolutely honored to work with them all and I'm saddened that it has to come to an end.

The thing I'm the proudest of is not the \$5.6 Million, although that's pretty cool. No, what I'm proudest of is the people on my committee. Not only did they knock this one out of the park, but I know we have a very deep talent pool of future leaders who can step up and put their names forward to chair Telemiracle themselves one day. I can't wait to see what they can do.

Jesse, you were a great addition to the team and I know Telemiracle 44 is in very capable hands with you and your committee. Have a wonderful summer everyone and hope to see you soon.

Cheers,

Shadow Chair

Hello District 3 Kin,

As you know, Telemiracle 43 was a great success. Once again, many wonderful people came together for this amazing District 3 project. Saskatchewan residents put their faith in us and gave us their support to help us raise over \$5.6 million! The staff at the foundation office overcame the challenge of employee turnover and worked their magic to ensure donors, recipients and all involved with the show were taken care of. The production team and cast did an excellent job creating a show that kept our viewers entertained for 20 hours. The TM 43 committee worked hard organizing details to help everything run smoothly. Kudos to Adam for your unwavering leadership. The shadow committee stepped up to help out wherever they were needed and learned their role for next year. Kinsmen and Kinette volunteers generously contributed their

time and energy throughout the weekend as well as year round to ensure the Kinsmen Foundation will be always be there for those in need. It is remarkable and heart warming to see how many people are willing to rally behind our cause.

Now that Telemiracle 43 has wrapped, my thoughts are on next year's show. The Telemiracle 44 committee will be meeting May 26th to work on plans for 2020. Since it will be Kin Canada's 100th anniversary, I would like to recognize this great association. The maple leaf on the TM 44 logo is the same as on the Kin logo. I am confident my talented committee, backed by all involved in Telemiracle, will put together another successful show. Those looking to the foundation for assistance are counting on us.

If you have any suggestions for Telemiracle 44, please contact me at jesseshku@gmail.com.

Hope to see you all in Tisdale at District Convention!

Corporate Chair

Hello Saskatchewan! I now understand what it means to truly see the fruits of your labor come to fruition. Telemiracle 43 was nothing if not spectacular and left with me a feeling of pride, contentment, excitement and awe. Being this years Corporate Chair was a true honor and I thank all of our Kin members across the province for their connections and support in finding some new corporate donors this year. We were able to successfully bring on 10 new businesses for TM 43 and started talking with many prospective future donors, but with this foot in the door I am confident these will grow into long term relationships. We also forged deeper relationships with our gift-in-kind sponsors, including our exclusive donation of beer from Great Western Brewery. Please remember to keep your receipts for any Great Western product purchased for your local club events and forward them to your local GW representative to help us grow the TM 44 donation from Great Western. With \$3 from each case being donated back there is a lot to be gained for the recipients of Telemiracle's funding, through this new partnership. I thank you all for your efforts, time and commitment to this great organization. It's the people, and the passion, that make Telemiracle the successful event it is year after year. Cheers to all of you and many more TM's to come!

I cannot believe that Telemiracle 43 was two months ago already! As I write my last report as the TM 43 Food Services chair, I would like to take this opportunity to thank everyone who volunteered to work in Food Services at TM - without your help, there would have been some very hangry people in areas of TCU that could not easily leave their location! This year, we had 70 different business donate to Food Services; 22 of those were new donors! A list of all of the donors will be up shortly on the Telemiracle website - please check them out and offer your support to their businesses. Make them smile by thanking them for their donation to Telemiracle - a little recognition goes a long way! Lastly, I would like to thank Adam Logue - thank you, Adam, for choosing me to be on your team. I had a great time and the experience is one that I will never forget. Preparations for TM 44 are already underway, and Steph Waldbauer from Regina will be the Food Services chair. Steph, I know you will rock it! See you next year in Regina!

Well done Saskatchewan!!! I can't tell you how proud I am of being from Saskatchewan and having the opportunity of watching Telemiracle come together because of countless hours of Kin. A special thank you to my Tote board Volunteers for hanging out with the schools and organizing the totals! I hope you enjoyed yourself! Being the Education Chair this year, was a lot less stressful than Food Services IN 41, but definitely a year of learning and brainstorming on how to better engage students. The future of Kin depends on students stepping up and being excited about being a part of this amazing organization. Since Telemiracle, a committee has been struck to look at brainstorming ideas on how to best reach students. If you have any school contacts that can be contacted, please email them to education@telemiracle.com. As well, if you have any ideas or contacts in your area of who we can reach out to engage fundraising activities or hype up the excitement of Telemiracle for schools, please let us know! It's hard to believe that 2019 is here. That means telemiracle is only a few months/weeks away. Things are really moving along on the public relations side of things. Telemiracle auditions went over with out no major problems. As you can see, telemiracle is starting to post on all social media outlets. Like and share those post. Exposer is always a good thing. The kickoff events are only a few days away as I write this report. Craig Wilson and Darrell Romuld of CTV will be hosting this years kickoff events. After this week I will be starting to plan telemiracle week and the tours that I'll be taking Adam and the national cast on. Hello District 3. I'm writing this report a couple days after Telemiracle as it's still fresh on my mind. I just want to say Thank You to all of the District for the great year. We have \$5.6 million reasons to be happy. It was an absolute honour to be on Adam Logues committee. It was a great time from start to finish. As PR chair, I got to plan and spend the week leading up TM with the National Cast. We had a lot of laughs and a lot of great moments. Here are some of my favorite moments.

- Lisa Moen almost hitting the roof of the bus as Rob didn't see a speed bump. Almost took out a National cast member in the first 10 minutes.
- Getting to sit in the drivers seat of a helicopter at Stars Air Ambulance.
- Adam revealing his custom Telemiracle Saskatchewan Rush Jersey.
- Jeffery Straker singing to the seniors at Oliver Place.
- Beverley singing a duet with a lady at Cosmo.
- The whole Rush experience

There are many more. Like I said, was one of my best experiences of my kin Career. Thanks again Adam Logue for choosing me to be your Public Relations chair.

Well, It is done. 5,619,194.31. I know, the official amount was really 5,619,214.00 but I wanted to be precise and also note a couple things:

1. We Round the number

2. Someone on the stage wrote down a donation wrong and shorted us 20 bucks. So, don't tell anyone that the actual amount is \$19.69 short of the official total. As for who did it, YOU know who you are. If you want to make things right, just give me the 20 dollars at district convention. The secret will be just between you and me. Just to show you that there are no ill feelings, I'll even buy you a drink.

Other than that minor snafu above, I had an incredible time and journey with my co-chairs. Best team Ever! Thank you Team!

Adam Logue (Best Chair Ever) was amazing with his organization, dedication and passion towards Kin and Telemiracle. Thank you Adam!

A personal thank you to everyone that helped out in Finance and the event in general. It is so cliché to say, but we could not have done it without you and the help of all the Kin clubs and volunteers from across the province. Another great thank you to everyone at the Telemiracle office. Being it was the first year for many of you, you performed exceptionally.

I am looking forward to Telemiracle 44 and the capable team Jesse, their fearless leader, has put together! Good luck and don't forget to have fun with your new friends!

Meeting Dates and Deadlines

The **Kinsmen Foundation Board of Directors** meets every four to six weeks during the Kin season to review funding applications and distribute the proceeds from Telemiracle.

KIN ARE WELCOME TO JOIN US! If you would like to attend a meeting and see how we make miracles for people, please call and let us know when you would like to come.

If you know or hear of someone in your community that needs special needs equipment or funds to travel away from home for medical treatment, please help them by getting them in touch with our office! Applications must be in by our deadline to be heard at the next meeting.

Upcoming meeting dates and application deadlines are as follows:

APPLICATION SUBMISSION DEADLINES	BOARD OF DIRECTORS MEETING DATES
April 26, 2019	May 11, 2019
June 7, 2019	June 22, 2019

Contact: Geneen Guinan, 306-244-6400, ext. 1 or kin.geneen@telemiracle.com

How to Book Teddy

Telemiracle Teddy at Your Event!

Would you like Telemiracle Teddy at one of your events? If so, just call the Foundation Office in Saskatoon to make the arrangements.

The Kinsmen Foundation has four mascot suits that can be lent to clubs, groups and communities for events and to promote Telemiracle.

To schedule a delivery or pick-up with the Office please call Gail at 306-244-6400 Ext. 4 or kin.gail@telemiracle.com to check availability and make the arrangements.

If you need any additional supplies – balloons, stickers, etc. – please let the office know when booking Teddy.

Thank you again for your support!

Are you interested in being on the Telemiracle 45 Committee in 2021?

Many Kinsmen and Kinettes that have had the opportunity to be on a Telemiracle Committee will tell you it was one of the most rewarding experiences of their Kin career. It can be a lot of work along with a lot of fun and fellowship while raising millions of dollars to help people across Saskatchewan.

The Telemiracle Chair is selected, on application, by the Executive Committee of the Kinsmen Foundation in May of each year. The Chair then forms his/her committee from among Saskatchewan Kin. The Telemiracle 45 Chair will be selected this year.

If you are interested in being on the Committee, please let us know. This is not an application process, but an opportunity for Kin to express interest to be passed on to the next Telemiracle Chair.

Committee positions are:

Corporate Sponsorship	Education	Facilities
Finance	Food	Manpower
Public Relations	Security	Kin Coordinator
Staging	Transportation	

Please e-mail your expression of interest by June 30 to the Kinsmen Foundation Executive Director at kin.richard@telemiracle.com or at 306-244-6400 ext.5. Please indicate what area you would be able to assist in, why you have selected that area and how you may be contacted.

If you have any questions about being on a Committee, please contact any member of the Kinsmen Foundation Executive or the Office.
