TELEMIRACLE 40 CHAIR – *TODD BEDORE*

Hello Family of Kin

We are well under way in the planning for Telemiracle 40 and the excitement is already starting to build. We have a very dedicated team working diligently to make this anniversary year one to remember. Our goal in each area is to challenge the status quo, think outside the box to set us up for Telemiracle 40 and beyond.

A couple noteworthy changes for this year are that we are going online for Kin registration and hotels. Also we have moved to a first come first serve basis for the On Air Presentations. Please contact Debra Haubrich at kin.debra@sasktel.net to book your clubs spot so you will not be disappointed. We have seen a marked decrease in Kin On Air presentations over the last couple of shows. I think it is a great showcase for you club and community to get some camera time to promote Kin, share the unique fundraisers and say thank to the people that support us year after year.

As many of you know we have rolled out the "My Telemiracle Stories" campaign. This has been a collaborative effort with the office staff, producers and committee. I encourage all of you to visit the site and promote it in your clubs, communities and families. Over the last 40 years we have changed a lot of lives and impacted many communities. I invite you to share your story, it does not have to be about funding, can be a special story, a moment or experience. Please take a few minutes out of your day to make this happen. www.mYTElemiracleStory.com

Our team of producers have put together a great lineup of entertainment for the most Saskatchewan show ever. Almost all our national cast is from Saskatchewan and we have increased our Sask Talent from an average of 50 acts to 61 for this year. It will also be the longest show ever to as we have extended it to 21 hours to pack in all this great entertainment.

Given the opportunity I would like to make myself available to come to your fundraisers, speak if needed or just lend a helping hand. I feel so blessed to be a part of the great team and we promise not to disappoint

"Volunteers do not have more time – they just have more heart"

Cheers,

Todd Bedore

SHADOW CHAIR – *DARCY WILDEMAN*

Greetings Fellow Kin,

I hope that everyone had a wonderful Christmas and a very Happy New Year. With the holidays over, it indicates that we are on the countdown to the biggest event on the Kin Year. Yes, Telemiracle 40 is just around the corner, I am sure that a lot of clubs are well into the planning of their fundraising efforts to make this a great success and for this I thank you. I know that the committee has been very busy with meetings, phone calls, and planning as well as spreading the word via My Telemiracle Story. I look forward to seeing each and every one of you at the show. It just warms my heart to see a huge group of volunteers together with the same goal, to help the people of Saskatchewan. With time progressing I am looking forward and getting more and more excited to be working with the committee that I have chosen to represent the family of Kin for Telemiracle 41.

I also want to thank my family of Kin for all the kind words, messages, virtual and real hugs when I lost my Grandfather in October and my Grandmother in December. There were many tears shed reading all the little notes from friends near and far, you don't know how much this meant to me to feel the Kin family support. Thanks and Hugs.

Stay Warm
Yours in Kin

STAGING CHAIR – *STEVE KIRWAN*

Hello fellow Kin, I hope the holiday season found you all happy and healthy, with plenty of memorable moments to look back on and enjoy.

As the new year is upon us, we now have the task of switching our attention to the very exciting 40th anniversary of Telemiracle. Our crew has been working tirelessly to achieve this goal, and we are always looking for great volunteers to assist us in this endeavour. If anyone is looking for a chance to help out during the setup or at the show, now is the time to contact us, we could always use a few more hands. The staging crew is starting to come together, but I could use a couple more people to help out, even if it's just for a few hours or all week.

Thank you Kin family for your devotion to Telemiracle, without you it couldn't happen. Now let's show the world what Kinsmen/Kinettes are all about, let's keep reaching higher and helping further.

Steve Kirwan

MANPOWER CHAIR –

SUSAN COLBOW

Hello District 3. My name is Susan Colbow and I am your manpower chair for TM40. For those of you who don't know me I am a member of the Estevan Kinette Club, married for 33 years, a grandma and mother of two beautiful daughters. My oldest (Chelsey) is also a member of the Estevan Kinette Club.

My first experience with Telemiracle was way back at TM26 where I attended as a Kinette prospect. I was hooked after about 5 min and have been attending ever since. I have done various jobs including toteboard supervisor, messenger, phones, treasury and my latest was as Education Chair for TM 38. To say that I am passionate about TM is an understatement. I served on the Kinsmen Foundation Board for two years and I have seen and experienced how much this telethon means to the people of SK.

This year as you are already aware as Manpower chair (with some help from life member Brian Wright) I am going to bring registration into the 21st century and the age of technology by doing online registration. If you have not already done so please visit the online registration form that was sent out to you via the District e-mail or on the District 3 Facebook page. Hotel registration will also be done online as well. This will be a separate on line registration and one person per room will be responsible to do this registration. Rules have not changed as to number of shifts that need to be worked to get a paid room or number of people who stay in the room.

If anyone has questions about this please do not hesitate to contact me via e-mail at manpower@telemiracle.com or by calling me at 306 421 4420. I am looking forward to seeing everyone at TM this year. It's gonna be great.

*Susan Colbow
TM40 Manpower Chair*

CORPORATE CHAIR –

LORRAINE DUXBURY

Fellow Kin,

As you are all aware, Telemiracle 40 is fast approaching. We are hoping that this will be a monumental year for the show, and we are asking for your help.

Stop and consider the smaller businesses in your area. Perhaps they cannot contribute to Telemiracle in the same capacity as other businesses. Or perhaps you, as a club, feel like they have been so generous in some of your other fundraisers that you hesitate to ask them again. These are the perfect businesses to ask to sell hands!

Selling hands does not cost a business any money. Rather it gives them the benefit of contributing to Saskatchewan's charity! They simply need to ask their customers to purchase a hand, and then display it proudly. It's easy, and both Telemiracle and the business win!

If every Kin club were to encourage a few extra businesses to sell hands, think of the extra money that would be generated from simply asking!

So, please take a few hours and canvas your community. The people of Saskatchewan will benefit from your time and effort.

If you have any questions, or would like to discuss this further, please feel free to contact myself, or Debra at the Kinsmen Foundation office.

Yours In Kin,

*Lorraine Duxbury

FOUNDATION CHAIR – *TRENT FEDORYCHKA*

Wow 40 years in the making!! Quite the mile stone. For this special edition I would like to extend a huge "Thank You" to all the staff, Board and the TeleMiracle Committees of years past and present for all the contributions and sacrifices that have been made to make this organization what it is today.

TeleMiracle had its first breath in 1977 but did you know that the Foundation got its start in 1971? A mere 5 years earlier. Funds raised back in those days were raised by all of you!! Kinsmen, Kinettes and Kin clubs from across this awesome province that we call home. It is truly amazing how things have changed over the past 40 years to arrive at where we are today. According to Wikipedia, to date we have raised and spent well over \$111,000,000! Absolutely amazing as this is from a province with a population of over 1.1 million people.

So far this year we have dealt with well over 600 applications from travel, accommodations and meals, to scooters lifts and van conversions, to name just a few. This year has gone by so fast. In October we saw the addition of a 10th Board Representative. This truly made a huge difference in the work load put on our Reps. In late January we started the search to hire a new Executive Director for the Foundation and hope to have the position filled by mid-April or May.

If you wish to attend a Board meeting to see what we are all about, I invite you contact myself or the office and we can get you in. Keep in mind that at Zones we will be having positions opening for Zone Representatives. Can't wait to see you all at the big show in March!!

Yours in Kin

VICE CHAIR – *ELI RIZK*

As we come up to our TeleMiracle 40 show in just a few weeks, it has me thinking about milestones. Milestones are important and they matter to us. They remind us not only of where we have been, what we have done – and where we've come from. If we were to talk to the originals in the beginning days of the Kinsmen Foundation, could they have envisioned what they were starting? I wonder if they truly knew and understood how many lives, how many millions of dollars their work, their energy and desire to help those in need in Saskatchewan would translate into. In hindsight, it seems obvious – but how normal would it have been to see a brand new fundraiser that raised one million dollars in its first year of production (A millions dollars in 1976 was an incredible accomplishment!) to now see over twenty-five million dollars raised since 2011. I think they would be very proud with how far we've come. Thank you to the visionaries who started this; none of this would have been possible without the courage and conviction of those leaders.

But milestones are more than just numbers. It's a celebration of the great things and the great memories we have of what's been done. Take a moment to appreciate your fellow club members and the families that support them – each of you has contributed to making the world a greater place through your sacrifices and contributions of time and energy. If you have club members who have been around a long time – ask them to share their stories. At your next club meeting, take a few minutes to talk about your TeleMiracle experiences and pause for a moment to reflect on the great things we have accomplished together. Individually we do incredible things; but together we have changed the lives of thousands of Saskatchewan families for the better since the show started in 1977.

See you all very soon for the big 40th TeleMiracle party!

Yours in Kin

FOUNDATION PAST CHAIR – *LEANNE WILDEMAN*

Dear Fellow Kin,

Hi Everyone! I can't believe that we are half way through February of another Kin year! The year has been a busy one for the Kinsmen Foundation with plenty of applications. I would like to send a huge thank you out to the tremendous work that the Zone Reps are doing to prepare for each meeting. It is a big job and they have really done well! We have put focus on learning this year and making sure we are spending time with tours, lunch and learns with our members at large, and other information sharing that creates a well-rounded board with greater understanding of all that is involved. I can see the difference all of these make!

Now it is the exciting time of year where fundraisers are happening all over the province! We will begin to see hand sales, and the committee is well on their way with planning. This year is going to be one to remember for years to come with great entertainment, an extra hour to pack in more Saskatchewan Talent and so many more great things happening. It is certainly an exciting time! I look forward to the excitement of the show, but I love to see all the events shared on social media that creates the ripple effect of excitement throughout the province!! 40 years is an incredible milestone! Imagine the first show, the anxiety, the excitement and the cheering when reaching the very first Million! We can all be so proud of the efforts it has taken over the last 40 years to build this show to what it is today and continue to make it better and better each year! That pride rings true with our board of directors when we are then able to provide the much needed funding back to the people of Saskatchewan. It is a complete circle and we can't do that without the success of the show!

I look forward to seeing you all in March! Happy Fundraising

Dear Fellow Kin,

Well, the Foundation year is over half done and the Kin world is gearing up for Telemiracle 40, which is looking like it will be the best yet. Thank you to all of the people on Telemiracle 40 committee. All of your hard work will come to fruition very soon.

It has been a very busy year at the Foundation table, with an increase of applications so far this year. The need is greater than ever and more people are asking for help.

See you all at Telemiracle and I wish each and every one a Happy and Healthy 2016.

ZONE C REP – *BRITTANY CORBETT*

My first few months with the Kinsmen Foundation have filled my heart with more joy than I ever thought possible. Hearing the cheer in an applicant's voice and the thanks that I get after good news is a feeling nothing could ever replicate, knowing the Foundation just changed a person's life for the better. Our board is filled with members that work as hard as possible and put their all into their applications. I gain knowledge in every phone call, sit down, and meeting I attend as a Zone Rep. Being a part of the Kinsmen Foundation Board is so fulfilling, I recommend that anyone and everyone take the chance to come to a meeting. I'm excited to see my fellow Kin in Regina for Telemiracle 40 and to see what numbers we can put up on the board this year! Ring those phones!!

ZONE D REP – *PAM MASSINE*

Hello Fellow Kin

Welcome to a brand new year! I hope everyone is as eager to be involved in Kin events as I am! As 2015 drew to a close I did a lot of reflecting on the past year and I have to admit that sitting on the Board of Directors of the Kinsmen Foundation has been one of my greatest experiences so far. We are leaving behind 2015 and welcoming 2016 and with that will come new experiences and memories. I would suggest anyone who has the chance to sit in on a meeting, by all means, take it! The work that the entire board does is wonderful. If you are in Zone D and are interested in attending a meeting, as my guest, to see what all of your hard work does for our province, please contact me at pamzonedtm@gmail.com and I would be happy to arrange it.

Wishing everyone a wonderful Kin year, I hope this year is more amazing than last!

Yours in KIN

Pam Massine

ZONE E REP – *NATASHA SHUTIAK*

The past few months on the Kinsmen Foundation Board has been very rewarding and I have been learning a lot from my fellow board members. All of our board members give 110% for their applicants! After our meetings, wphoning my applications is the best feeling in the world! I will admit I have teared up giving the good news and hearing how appreciative the applicant is. I encourage anyone who would like to attend a Kinsmen Foundation meeting to take the opportunity.

I'm also getting excited about Telemiracle coming up in Regina and seeing my fellow Kin! We have some great Saskatchewan talent lined up. I hope to see everyone in Regina.

ZONE H REP – *JACQUIE MVULA*

Hello from SE Saskatchewan, District 3!! I am extremely proud to be a newbie member of the Kinsmen Foundation Board of Directors as Zone H Rep! With our first few meetings under our belts, I have already met many outstanding Kin from across Saskatchewan. We have already approved hundreds of applications...and I already cried once...

To introduce myself, I have been a part of Kin Canada since January 2008 when I became a Stettler Kinetite in D4. I filled many club positions there including President. At a district level, I was DG (for 2 years), District secretary, and Governor in 2013-14. Nationally, I sat on the awards Committee for two years. I transferred to the Estevan Kinettes in 2014 and took that year to recharge. I am currently Membership Director and Bulletin Editor for my home club, just stepped down from the National Membership Committee, and am a very proud member of the Kinsmen Foundation Board.

On a personal level, I am married with two beautiful Kin Kids, aged 6 and 9. I am an audiologist by trade and own my own clinic in Estevan. For fun, I love to travel, golf, swim, and, apparently, sit on Boards.

YIK,

Jacquie Mvula

ZONE I REP – JODIE MOLSBERRY

Happy New Year Zone I! 2015 treated me very well and I am looking forward to seeing how 2016 will treat my family and I!!! The members on the Foundation board have been very busy representing Saskatchewan. Being on the board has been very rewarding, challenging, emotional and time consuming at times, but so worth it!!!! We like to have a few laughs at the board level, we also have been given the opportunity to go on tours which help us better understand the needs and wants for our applicants. I have made great friendships by getting to know the board members over the past two years!

Reading and reviewing all the applicants that are assigned to us each month and reading and keeping updated with all the other board members applications gives you a perspective on how you should accept life at its fullest and be thankful and cherish those loved ones around you near and far. This year is a great year for Telemiracle, we are celebrating 40 years!!!! Zone I, please let me know if you are doing something extra special for this grand year!

We have now lived in Humboldt for 7 months and we are loving it. I recently accepted a 50% teaching position, teaching grade 4 at the Humboldt School. Our kids are very busy with all school and winter activities. The Kinette Club of Humboldt welcomed me with open arms and I could not ask for a better bunch of ladies to sit around the table with every meeting and discuss how and where we will we give money too!

I encourage anyone from Zone I to reach out to me at jbmolsberry@sasktel.net if you are interested in being my guest at a Board meeting this year. I am wanting to attend club meetings this year alongside with Mel Rostie our DG and Dawn Lee our District 3 Awards Chair if you so desire our presence.

Zone I will be ready for a new rep at Zones Conference in spring so please keep this in mind and remember that this is a very rewarding job .

*Yours in Kin,
Jodie Molsberry*

KIN MEMBER AT LARGE – BRITTANY HUBER

Hello Fellow Kin!

This past September marked the first Foundation board meeting of the new Kin year and my first meeting as a board member. Alongside me there were 4 other new reps that dove feet first into our duties as Foundation reps. Mind-blowing is a huge understatement to this new and exciting experience. Advocating for someone in need and getting to personally know your applicants is a very humbling experience. Making the phone calls to the applicants that have been approved for funding, wraps the whole weekend up in such a powerful way. I am beyond words of appreciation for being given the opportunity to be sitting on this board with so many fantastic and dedicated individuals. With Telemiracle 40 just around the corner, I am thrilled to experience it in yet another way by being on the board.

YIK,

Brittany

It's A Treasury Balancing Act!

Things balance better when both sides are covered. We know you work hard to raise money in your communities and are excited to bring the funds to Telemiracle to present. **THANK YOU!**

BUT – that is only one side. All those donors want and need to receive a receipt. Until we get the temporary receipt forms you fill out when you get their donation, we don't balance. If we don't get them until the next fiscal year, we don't balance from one year to the next. And Canada Revenue Agency doesn't like that much....

Please help keep us balanced! When you bring your fundraised dollars to Telemiracle, please remember to bring your donor forms and backup with you. Thanks!

Extra! Extra! 21 HOUR TELETHON!

This year as we celebrate 40 years, we are thrilled to present the first-ever 21-hour Telemiracle!

The show will start at 8 p.m. on Saturday, and will wrap up at 5 p.m. on Sunday.

If you are working Shift 1, be prepared to be at the auditorium by 6:30 p.m.

It's going to be a great show!

How To Book Teddy

Telemiracle Teddy is available to come to your community to promote your fundraising event club, or just have some fun. If you would like to borrow Teddy, we would be pleased to hear from you!

1. *Call the Telemiracle Office at 244-6400 ext 4.*
2. *Let us know what day(s) you need him for and we will check the schedule to make sure that he is available.*
3. *Give us your contact information – a contact person and number plus a street address where we can send him to.*
4. *Let us know if you need any additional supplies with him – like balloons, stickers, etc.*
5. *We usually ship Teddy out by bus on our dime and ask that you ship him back to us on your dime. You can make arrangements to pick him up if you want.*

Sharing Kin

Sharing the family of Kin with your children has great benefits. They learn camaraderie and have an opportunity to join their parents in volunteering. It may also encourage them to join Kin when they reach 18.

Kin Kids 16 years old and over are encouraged to come to and experience Telemiracle. These Kin Kids can work in food services, souvenirs or as a messenger. Kin Kids however cannot volunteer for Security, Stage Right (except toteboard volunteers), Treasury and Phones.

Sharing and growing the Family of Kin is all our responsibility. Take this opportunity to share it with your kids!
