# Governor's Report

## **Kin Canada** Kinsmen • Kinettes • Kin **District 3**

### Family of Kin,

As we come to the end of another Kin year, I cannot help but reflect on what the District team has accomplished this year. We set out a goal to increase our membership and bring some new clubs into the family of Kin. I would like to extend a warm welcome to the newly formed Kerrobert Kin Club as well as the Nipawin Kinetite Club who are coming back from a year long break.

In my role as Governor, I have been able to get into the clubs and help celebrate their well-deserved milestones. Meeting the members across this great district has been such a highlight for me this year. Of course, a leader is only as successful as the team that surrounds them and what an amazing team we had leading the district this past year. We had a great mix of seasoned district leaders as well as new and emerging leaders in various roles this year. Thank you to each and every one of you for stepping up to lead District 3 as we have come out of the pandemic.

What I have learned over my years on the district team has transcended into career growth as well. The connections made and the personal development achieved has led to my own personal growth and that of the team as well. I encourage anyone who has given any thought to developing their leadership skills to take a chance and step outside of your club, you will not regret it. Whether taking a district leadership position, joining the TeleMiracle Committee or representing the people of Saskatchewan at the Foundation board table, all of these positions bring such joy and gratitude in belonging to the family of Kin.

I look forward to seeing each and every one of you at District Convention in Lloydminster on June 3<sup>rd</sup>, 2023.

YIK,

Tammy Allan  
Governor

## Vice Governor's Report

Hello District Three,

We are just a few weeks away from District Convention, I am looking forward to seeing everyone once again under the same roof. The weekend promises to be a great one. Golf, a service project and even a bit of business. My year as Vice Governor has been busy, frustrating and one of the best years yet. I have gained new skills, new friends and renewed friendships that had gone by the wayside.

I am excited to introduce your incoming team, we have a variety of experience within each member. You will see some newer members and members that have not been on the team for a while. I put a lot of thought into the members that I was able to appoint to the team. Now speaking of team members there are a few open positions still left to fill.

Vice Governor = 3-year commitment  
Club Support = 2-year commitment  
Deputy Governor for Zones C, G, I

If you are interested in learning more about any of the above positions. Please reach out, I am happy to answer any questions you might have. I can not promise that everything will run smoothly, what I can promise is that I and your co-team members will work with you to overcome any situation that might arise. You are never alone during your term on the Executive team.

As we get closer to the July 1st, 2023, change of the executive team, we will be sending out a list of important dates and things to mark on your calendar. There have been changes in how things have run in the past years, and this will be one of the focuses in my VG report during the business portion of District Convention. See you soon, Safe travels.... Lookout Llyod we are coming!

YIK,

Paula Sundquist  
District 3 Vice Governor  
psundquist@kincanada.ca

## Past Governor's Report

Fellow Kin,

Welcome to District Convention! Thank you for taking the time to join your fellow Kin in celebrating another year of service, fun, fellowship, and outstanding commitment to serving your communities.

If you are a first timer, you will have plenty of opportunity to expand your knowledge of Kin, participate in business meetings, and realize the impact that Kin makes across District 3. It seems like a lot for one weekend and it's likely that you won't remember everything, but the one thing I know you will remember, is how you will feel when it is all over! You will never forget!!

If you are part of the District Executive, thank you for making a difference. I know that each of you will walk away from this year with a new sense of belonging and achievement. This will lead you to the next step in Kin and or the appreciation for the difference you have created. All of you have left your District in a better place than when you began your year on the executive!

As another Kin year nears the end, we celebrate the successes of this year and set our sights on great new things next year. I would like to wish much success to Paula and her team as they lead us into the next Kin year.

Have a great weekend fellow Kin! Take some time to meet someone new, to learn something new, and step out of your box and do something new. This weekend is a great way to get rejuvenated and spend time with friends that we only see once a year!

Yours in Kin,

Michelle Stepp

# RISK MANAGEMENT

YOURS IN KIN,  
MELISSA KIRWAN

MKIRWAN@KINCANADA.CA  
TEXT: (306) 730-7733

HELLO DISTRICT 3 KIN!! I HOPE YOU HAVE BEEN ENJOYING THE SPRING WEATHER AND ARE EXCITED FOR SUMMER!  
I KNOW RISK MANAGEMENT IS NOT EVERYONE'S FAVOURITE TOPIC TO TALK ABOUT, BUT I DO HAVE 3 THINGS TO DISCUSS:  
1) CLUB REQUIREMENTS, 2) INSURANCE & 3) INCORPORATIONS

## CLUB REQUIREMENTS

As this district Kin year will soon come to a close please make sure the following requirements have been completed...

- 1) If you haven't already - make sure your 2nd National dues payment has been sent.
- 2) New Club Executive Reporting has to be done by June 15th, 2023. Even if your executive remains the same as this current year, you still must go and enter that info on iKin.
- 3) Declarations can be redone mid July, so please log in and complete this before the start of next year's Kin year.
- 4) Make sure to report your Service hours.

As of the beginning of May, 6 clubs within our district still have these items to complete:

- 1 club to do insurance reporting
- 1 club to pay district dues
- 1 club to report proof of incorporations
- 1 President & Treasurer's CRC to complete
- 1 declaration to fill out
- 4 Clubs are working to complete incorporations that have gone inactive

## INCORPORATIONS

Make sure to have your incorporations complete and your club members up to date on the incorporations. This is one of our club requirements for National and is also required by our insurance carrier. There are 3 notable benefits for being incorporated...

- 1) A not-for-profit may engage in activities that produce a "profit" for the club,
- 2) Generally exempts the club from paying income tax, and
- 3) Protects each's member's personal assets in the event of a lawsuit or bankruptcy by making the club a separate legal entity.

## INSURANCE

**Make sure that your club is applying for the certificate of insurance for EVERY project that your club does.**

If you don't request the certificate then you run the risk of your project not being covered under the national insurance policy. This can put yourself and your members at risk. You do not want to personally be affected by any legal costs should an incident occur. Even though clubs are incorporated, and your personal assets would be protected there is no guarantee that legal costs would not be incurred to you personally if your club's project is not covered under the national insurance policy. Reach out to me if you have any questions!

## Service Director's Report

Good Day Family of Kin,

I hope you all have had a great kin year to this point, safe, fun and bucket filling. Please don't forget to share your club projects on social media and get the fun and commitment shared loud and proud.

Just a reminder on the following few points,

1. Service reporting is due by the end of the Kin year (June 30/2023) but we would like you to start submitting your totals as soon as your club has wrapped up its last project, this helps to make sure we can account for every hour and dollar you worked so hard for. You can submit your service totals by following the link below,

<https://forms.office.com/r/jaZ7m0D4yE>

Also, here are some helpful club links for service reporting,  
[www.trackitforward.com](http://www.trackitforward.com)

On the Service tab in IKIN, you will find the following links to helpful tools,  
Service Tracker  
Service Tracker Example  
Service Tracking by Project Tool (Word version)  
Service Tracking by Project Tool (pdf version)  
Service Reporting Template  
Service Reporting Template Example

2. May was Cystic Fibrosis month, If you had any projects or pictures from your projects, please share them. The promotion of the cause is as good as the money, knowledge is power.

Macklin Kinetite and Provost Kin clubs held the 1st annual CF Polar Plunge, it was D3 vs D4 event, not to brag about our amazing District, but we kicked their asses.

D4 brought in approx.. \$8000  
D3 brought in approx.. \$20,000

Yes you read that right, we more than doubled them, thank you to all involved. The total raised was right around \$32,000 for the weekend event.

3. Canadian blood services, We have a goal of 110 units this year and we are currently sitting at 70, follow the below link to get your friends and family signed up with the Kin code for future donations, KIN110247 - [www.blood.ca](http://www.blood.ca)

Thank you all for an amazing year of FUNdraising, fellowship and supporting our Community's greatest need.

## Awards Director's Report

Hello fellow Kin!

This has been a busy year here in D3 , and while I may have slowed down with Heart of Kin and Kin CommUnity awards - we have had some amazing members recognized throughout the year and I am so happy to see all the great things our members have been doing throughout the year. As for our year end awards, I am happy to say I had at least one nomination for each Kinsmen and Kinette in each Zone! I also had so many nominations for Outstanding Kin which made all of the decisions so much harder, please know that you are all amazing and all deserve to be rewarded all the time! Keep being the amazing Kin we are here in D3. Don't forget - there are still many National Awards that are due June 30th. All awards details are available on iKin. I hope you all enjoy District Convention and I can't wait for the Awards ceremony to celebrate everyone!

Yours in Kin,

Stephanie Bailey  
District 3 Awards Director

## Education Director's Report

Before I began my year as education director my intent was to have a Kin College offered in the north and the south. During the trade show at FLC, I had a chance to talk to so many members and ask you what you needed. Lacking interest in attending another Kin College but excited about a Kin Kindergarten custom designed for individual clubs (great idea Moose Jaw Kinettes thank you!), I altered my course. Kin Kindergarten was so popular that I have had to plan a few into next fall. I am so delighted I was able to adapt and change my focus to fit your needs all while generating a buzz at National and amongst other districts. District 4 established Kin Masters and WE created Kin Kindergarten... Way to go D3!!!

Another fun innovation this year is tutorials on our YouTube channel. Our DGs frequently answer "How do we do that?" We gathered those questions and are working towards having "How To" tutorials available to all members by the end of the year (Thank you to Michelle Duckworth for being amazing at tech... and all other things). It is our hope that the number of YouTube tutorials will continue to grow as future members find themselves asking new questions.

I want to thank you all for a great year and if you have any questions, please know I am always for you, and if I don't know the answer... I can find it for you!

YIK,

Corinne Mathews

Hello Fellow Kin,

With another Kin year wrapping up and summer soon upon us, I'd like to say what a great year we had. All the clubs in zone A were busy bees and I was glad I had the opportunity to represent them as Deputy Governor. I've learnt so much off of the clubs in my Zone and have had alot of opportunities to go and help support their fundraisers. I'm still trying to make it out to a couple clubs meetings but there is still time left to accomplish this. I get another opportunity to DG again this coming year and can't wait to see what the clubs have in store. Clubs are always planning and looking at the next big, fun event, and I hope I can be a part of making these ideas come to life. I hope everyone has a safe, but fun summer. Yours in Kin,

It's hard to believe another Kin year is almost complete. I'm really not sure where the time has gone. I do hope you've all had a great year with positive Kin experiences that include service & fellowship with a little learning and self-growth thrown in.

Zone C has had a busy year in our communities and surrounding areas. Clubs have hosted big & small events along with many service projects with great success. We've also had representation on all of D3's main committees with 3 members on the TM team, 1 on Foundation and then myself of the District team.

Our zone is pleased to welcome the Kerrobert Kin Club with 19 members. Their charter night is June 15th when we look forward to officially welcoming them to the KIN Family!

As I finish off my second year as DG, I thank you all for the knowledge I've gained, the friendships made and forcing me a little out of my comfort zone. I look forward to all the next DG in Zone C will accomplish along with Paula and her entire District Team. I (when the time is right) hope to move on to another role in my Kin journey.

I hope you all have a great time in Lloydminster as we celebrate the successes of the year with our fellow Kin.

Tickets are 5\$ each if you are interested get a hold of one of the Davidson Kinsmen and tickets are also available at the local hardware store. Draw date to be determined in June. If you have a fellow kin who you are sure should have a goat make sure to get one of these tickets for them!

Not only this but they got to celebrate a life membership this year with Yvonne Chorney receiving her award on May 3rd. Yvonne is the "true definition of what it means to be Kin" She is a great part of the Wynyard Kinette club. Congratulations Yvonne!!

A good portion of Zone I Kin went to TeleMiracle this year and as always it was an amazing feeling being part of raising 5.5 million for our Saskatchewan residents who need a hand up. If you are at all interested in that process, please get a hold of me or any other Kin who has been on the board, go to a meeting and see first hand where the money goes. You will not regret your choice to be on the board.

Just a reminder that Zone I DG is still up for grabs next year. It is such a great learning experience and working with the clubs. The background of the entire page is a dark, almost black, space filled with various tropical plants. In the corners and scattered throughout, there are bright, glowing leaves in shades of cyan and magenta. These include palm fronds, monstera leaves with their characteristic holes, and other broad-leafed plants. The lighting is dramatic, highlighting the textures and shapes of the foliage against the dark background.
