

Hello District Three.

There are changes in the making within our Association that have been implemented by Nationals. This will impact how things will run in the coming years. The budget that we have provided for you to review will be impacted moving forward as we plan the incoming Kin year and its executive team.

There are new things to look forward to as well, as we all know that along with new ideas and visions, it always requires change. I know that many are not comfortable with some unfamiliar territory, and it is always hard to understand someone else's vision.

Below are some words of explanation from your incoming Treasurer Ron Hanishewsky:

With 2019-20, 2020-21, and 2021-22 being either partial or complete virtual years, there has been a surplus in revenues over expenses and only are we back to normal in the 2022-23 year. The current YTD financials are unavailable at this time. With no full recent year of expenses to reference, the budget is being presented as a worst-case scenario. Working to hold dues at a constant with no increase for the coming year. A further review for the future should be considered when financial actuals are able to be referenced. Any deficit for the coming year, July 1, 2023 – June 30, 2024, would come from the excessive surplus. In budget planning, we did not take into account the number of pending members that are outstanding that are potential revenue for the coming fiscal year.

We would encourage everyone to review and forward any questions or comments. We are open to any ideas of additional non-dues revenue through member club sponsorships and discussing opportunities.

YIK

There are some proposed changes to the By Laws for you to review, in preparation to District Convention. Resolutions have been brought forward by the Swift Current Kinettes Club.

Zone Conferences item #3

Section 5: Nomination of Candidates

This topic came out this year from our Deputy Governors, there are no guidelines as to whether or not a person can be nominated for the position of DG if they are not in attendance. Since this came up more than one time, it was something that we thought should be taken care of.

We have reviewed the House Rules and have suggested housekeeping items to bring forward.

Management Committee item #5

• To create a commonality for both the District House Rules and the Foundation, we are using their description of positions on the management committee.

The Kinsmen Foundation Inc. election of Vice-Chair item #12

• Due to the elimination of proxy voting, we are replacing the wording for voting on this position. The continuity for both entities is important to the board and its members.

See you in Lloydminster!
