

### **District 3 Awards Package 2025-2026**

Hey District 3 Kin,

This province has many clubs and members who do incredible things. Big or small, the impact we have and the difference we make, is noticed and appreciated in our communities. It is important that we make sure our members and clubs know that District 3 notices and appreciates them too. Although we, as Kin, do not put in the time, effort and hard work in to get awards, it is important to recognize and celebrate our amazing Kin in D3.

There are many awards available at the District and National level and each program offers opportunities for both individual and club recognition. Some involve members being nominated by their fellow Kin to help recognize those who go above and beyond. Some involve members choosing to step outside of their comfort zone, get involved, learn, make connections, and gain personal growth. There are also opportunities for clubs to showcase some of their strengths and also highlight Kin working together on a project or event. I encourage everyone to read through the District Awards booklet and also the National Awards Program and see how you can nominate or apply. You will find the eligibility requirements and application information and links there. For District Awards: visit [www.district3kin.com/awards.html](http://www.district3kin.com/awards.html)

For National Awards: visit [www.ikin.ca](http://www.ikin.ca)

This year I will be continuing with the online application/nomination process to make things easier and more efficient for everyone. I will also be continuing with the **Kin CommUnity** and **Heart of Kin** Awards, which are available throughout the year. Of note, the **Heart of Kin** Awards has changed a small bit.... You can now nominate a club as well!

I'm asking everyone to look around.....look at your club, your zone, and your district. Think about members you know or have seen throughout the province that are making an impact, many of them behind the scenes and out of the spotlight. These Kin need to be recognized and celebrated. Please think about nominating these deserving members of D3.

If you have any questions, please feel free to email me at [district3awards@gmail.com](mailto:district3awards@gmail.com)

Yours In Kin,  
Eleisha Chubak  
District 3 Awards Director

## **FOUNDING MEMBERS SPEAKING AWARD JUDGING CRITERIA**

### **CONTENT 50%**

- **Speech Development** is the way the speaker puts ideas together so that the audience can understand them. The speech is structured around a purpose, and this structure must include an opening, body, and conclusion. A good speech immediately engages the audience's attention and then moves forward to a significant conclusion. This development of the speech structure is supported by relevant examples and illustrations, facts and figures, delivered with such smoothness that they blend into the framework of the speech to present the audience with a unified whole.
- **Effectiveness** is the measure in part by the audience's reception of the speech, but a large part is your subjective judgment of how the speech came across. You should ask yourself such questions as "was I able to determine the speaker's purpose?" "Did the speech relate directly to that purpose?" "Was the audience's interest held by the speaker?" "Was this speech subject appropriate for this particular audience?"
- **Speech Value** justifies the act of speaking. The speaker has a responsibility to say something meaningful and original to the audience. The listeners should feel the speaker has made a contribution to their thinking. The ideas should be important ones, although this does not preclude a humorous presentation on them.

### **DELIVERY 30%**

- **Physical** presentation of a speech carries part of the responsibility for effective communication. The speaker's appearance should reinforce the speech, whether profound, sad, humorous, or instructional. Body language should support points through gestures, expressions, and body positioning. The speaker makes effective use of and stays within the designated speaking area.
- **Voice** is the sound that carries the message. It should be flexible, moving from one pitch level to another for emphasis, and should have a variety of rate and volume. A good voice can be clearly heard and the words are easily understood.
- **Manner** is the indirect revelation of the speaker's real self as the speech is delivered. The speaker should speak with enthusiasm and assurance, showing interest in the audience and confidence in their reactions.

### **LANGUAGE 20%**

- **Appropriateness** of language refers to the choice of words that relate to the speech purpose and to the particular audience hearing the speech. Language should promote a clear understanding of thoughts and should fit the occasion precisely.
- **Correctness** of language ensures that attention will be directed toward what the speaker says, not how it is said. Proper use of grammar and correct pronunciation will show that the speaker is the master of the words being used.

## JUDGE'S CODE OF ETHICS

- Judges will consciously avoid bias of any kind in selecting the placing of contestants. They will not consider any contestant's club or district affiliation. Nor will they consider any contestant's age, sex, race, creed, national origin, profession or political beliefs. They will demonstrate the utmost objectivity.
- 1. Judges will not time the speeches and will not consider the possibility of under-time or overtime when judging a contestant's speech.
- Judges will support by word and deed the contest rules and judging standards, refraining from public criticism of the contest and revealing scores and ranking only in accordance with official policy.

***\*\*Please note that the Founding Members Speaking Award Scoresheet can be found in the Kin Canada National Awards & Recognition Program Handbook\*\****

For more info check out [www.ikin.ca](http://www.ikin.ca).

***Submission Deadline: To be submitted by the Deputy Governor immediately following Spring Zone competition. Speakers must bring the Founding Members Speaking Award Verification Affidavit to each speech and have signed by the Club President, Deputy Governor, and Governor, if applicable. Failure to do so may prevent the speaker from going on to National.***
